A BILL

For an Act to create a State Text Book Commission and County Text Book Commissions, and regulate the approval, adoption, sale and use of text books in the public schools of this State.

SECTION 1. *Be it enacted by the People of the State of Illinois,*

2 *represented in the General Assembly:* That there be and is hereby created a
3 State Text Book Commission, to consist of five members, of which the State
4 Superintendent of Public Instruction shall be ex-officio president, and four mem-
5 bers to be appointed by the Governor with the advice of the Superintendent of
6 Public Instruction. Said members shall hold office for one, two, three and four
7 years respectively, or until their successors are appointed and qualified. In
8 April, 1912, and annually thereafter, there shall be appointed in like manner a
9 member of said commission to take the place of the one whose appointment ex-
10 pires that year, who shall hold office for four years. Said commissioners shall
11 be prominent educators of the State of Illinois, and shall represent in so far as

possible the varied interests of the rural schools, the city schools and the high schools of the State. Any vacancy caused by death, resignation, removal from the State, disqualification or otherwise, shall be filled in the same manner as herein provided for in case of original appointment: *Provided*, that no person shall be eligible to appointment on this commission who has been employed in any capacity by any publisher of school text books within two years prior to the time of said appointment.

Sec. 2. The State Text Book Commission shall meet at the call of the president and organize by electing one of their number secretary, who shall keep a careful record of all proceedings of the commission, which shall be approved by the president of the commission and preserved in the office of the Superintendent of Public Instruction. The commission shall meet annually thereafter at a time to be determined by them, and special meetings may be called by the president, or by any three members. Three affirmative votes shall be necessary for the transaction of any business. The four appointed members of this commission shall receive a salary of ten dollars a day for the time spent in attending the meetings of the commission and actual traveling expenses, to be paid as hereinafter provided. No member shall receive pay for more than ninety days during the first year after the taking effect of this Act, nor for more than thirty days during any year thereafter.

Sec. 3. It shall be the duty of the State Text Book Commission to select from the text books filed in the office of the Superintendent of Public Instruction, as hereinafter provided, a complete list of approved text books on all subjects, to be used exclusively in the public schools of the State. Said list of approved text books shall consist of all the text books filed by the several publishers, which, in the opinion of the commission, are suitable for use in any of the public schools of the State, quality and price considered, and such selection shall be made without discrimination with respect to publishers who have complied with

the provisions of this Act. The commission shall add to the approved list of text books from time to time such newly published text books as are filed in the office of the Superintendent of Public Instruction, and are deemed by the commission to be of sufficient merit and offered at a suitable price; and the commission may strike from the approved list any text book which in their judgment does not meet the standard of quality and price set by them.

As soon as the first approved list is made by the commission, and as often thereafter as any additions or alterations are made in the same, as heretofore provided, the Superintendent of Public Instruction shall immediately publish the list, together with the guaranteed wholesale price of each book, and send the same to all the County Superintendents of Schools in the State, and it shall be unlawful for any county text book commission, board of education, or board of directors, to adopt any text book for use in any public school which is not at the time of said adoption on the approved list of the State Text Book Commission, or at a higher price than that specified by said commission.

Sec. 4. Before any publisher shall offer any text book for sale to any county text book commission, board of education, board of directors, or any dealer, for use in the public schools of this State, said publisher shall file a sample copy of said text book in the office of the State Superintendent of Public Instruction, together with a sworn statement of the list price of same, and also of the lowest wholesale price at which said book is sold or offered for sale by him anywhere in the United States. Said publisher shall also file with the Superintendent of Public Instruction a written guarantee to furnish each text book filed by him to county text book commissions, boards of education, board of directors, or their agents, at a specific wholesale price named therein, which guaranteed price shall in no case be in excess of the lowest wholesale price at which said text book is sold or offered for sale by said publisher anywhere in the United States. And said written guarantee shall further provide that should the wholesale price of

14 said text book be reduced anywhere in the United States, then said reduction
15 shall immediately take effect in Illinois, so that at no time may any text book
16 be sold at a higher wholesale price in the State of Illinois than that at which the
17 the same text book is sold elsewhere in the United States. Said publisher shall
18 further guarantee in writing that all text books offered for sale by him in the
19 State of Illinois shall equal in quality the sample of said text book filed in the
20 office of the Superintendent of Public Instruction, as regards paper, binding,
21 print, illustrations, and all points which effect the value of a book. Said pub-
22 lisher shall file a sworn statement that he has no understanding or agreement
23 of any kind with any other publisher, or interest in the business of any pub-
24 lisher, with the effect, design or intent to control the prices of such books or to
25 restrict competition in the adoption or sale thereof; and a sworn statement
26 showing ownership of such publishing house with the interest, names and ad-
27 dresses of such owners, and specifically stating whether or not the said publisher
28 or the owner of any interest or shares in any publishing house, is the owner of
29 any interest or shares in any other publishing house, and if so, giving the name
30 and address thereof.

Sec. 5. At the time of the filing of each text book, as provided for in Section
2 four of this Act, each publisher shall pay a filing fee of ten dollars on each text
3 book filed. All special editions of a text book so filed and all subdivisions of a
4 series of books shall be filed separately, but the fee for a series of books shall
5 be the same as for one book. The fees thus received shall be deposited by the
6 Superintendent of Public Instruction, in the treasury of the State of Illinois
7 and shall constitute a fund out of which, upon the requisition of the State Super-
8 intendent of Public Instruction shall be paid the salary and expenses of the State
9 Text Book Commission, and the expense of publishing and distributing the lists
10 of approved text books selected by said commission.

Sec. 6. To insure compliance with all the conditions of this Act, each publisher shall file with the Superintendent of Public Instruction a bond of not less than two thousand dollars nor more than ten thousand dollars, the amount of said bond to be fixed by the Superintendent of Public Instruction, and approved by him and by the Attorney General. If at any time any publisher shall enter into any understanding, agreement or combination to control the prices or to restrict competition in the adoption or sale of school text books, or if the statements required of said publisher shall be untrue in any respect, then the Attorney General shall institute legal proceedings for the forfeiture of the bond of said publisher and for the revocation of his authority to sell text books in this State; and all contracts made by said publisher under this Act shall thereupon become null and void at the option of the other parties thereto. If in any case said publisher shall furnish text books for use in the public schools of this State inferior in any particular to the sample thereof on file in the office of the Superintendent of Public Instruction and approved by the State Text Book Commission, or require therefor a higher wholesale price than the specified wholesale price, guaranteed and filed in the office of the State Superintendent of Public Instruction and approved by said commission, then it shall be the duty of any county text book commission, board of education, or board of directors, to inform the Superintendent of Public Instruction of the failure of said publisher to comply with requirements. The Superintendent of Public Instruction shall thereupon notify said publisher of said complaint, and if said publisher shall not comply immediately with all the conditions of this act, then the Superintendent of Public Instruction shall inform the Attorney General, who shall institute legal proceedings for the forfeiture of the bond of said publisher.

Sec. 7. For the purpose of establishing county uniformity in school text books below the high school grade, there is hereby created a County Text Book Commission in each county of five members, which shall consist of the County

4 Superintendent of Schools, who shall be *ex-officio* president, and four members
 5 to be appointed in the following manner: The boards of education of the two
 6 largest districts in the county shall each appoint a member; the teachers of the
 7 county in a county teachers' institute assembled shall by ballot appoint one
 8 member, and the County Superintendent of Schools shall appoint one member
 9 The members of said commission shall be persons engaged in superintending or
 10 teaching in the public schools of the county. Their successors shall be appointed
 11 in like manner in June, 1915, and every four years thereafter; *Provided*, that no
 12 person shall be eligible to serve on said commission who has been in the employ
 13 of any school book publisher within two years prior to the time of said appoint-
 14 ment. Vacancies in the commission caused by death, resignation, removal from
 15 county, disqualification or otherwise, shall be filled by appointment of the coun-
 16 ty judge from persons nominated by the County Superintendent of Schools. A
 17 majority of the commission shall constitute a quorum, but no business shall be
 18 transacted without the affirmative vote of three members.

Sec. 8. The County Text Book Commission shall meet at the county seat
 2 and organize by electing one of their number secretary. Special meetings may be
 3 called by the president. The secretary shall keep a careful record of the pro-
 4 ceedings of the commission, which shall be signed by the president and attested
 5 by the secretary. Members of the commission other than the *ex-officio* president
 6 shall receive five dollars per day for their services, with such additional amount
 7 as shall be necessary to cover their actual traveling expenses, to be paid by the
 8 county when approved by the president of the commission: *Provided*, that they
 9 shall receive pay for not to exceed ten days in any one year.

Sec. 9. Said County Text Book Commission shall adopt from the list of text
 2 books authorized and approved by the State Text Book Commission, as hereto-
 3 fore provided in this Act, a uniform series of text books on all subjects
 4 below the high school grade, which series of text books shall be used exclusively

5 in all schools in the county, except that in districts having a population of more
 6 than one thousand and not to exceed one hundred thousand inhabitants, the board
 7 of education thereof may, by a two-thirds vote of said board, adopt from the
 8 list of text books approved by the State Text Book Commission such text book,
 9 other than those adopted by the County Text Book Commission as in their opin-
 10 ion are better suited to the local conditions of said school. All text books used
 11 in any public high school shall be adopted by the board of education controlling
 12 said high school, in accordance with the provisions of this Act. In cities having
 13 a population exceeding one hundred thousand inhabitants the board of education
 14 shall adopt all text books for use in all the public schools thereof, subject to the
 15 provisions of this Act.

Sec. 10. All text books adopted by the County Text Book Commission or by
 2 any board of education shall be for a period of four years by written contract.
 3 executed in duplicate, and shall take effect at the beginning of the school year
 4 following said adoption. All existing contracts shall remain in force until the
 5 expiration of the time for which they were made, but at the expiration of such
 6 contracts the method of adoption and use of all text books in such schools shall
 7 conform to the provision of this Act. At the time of the adoption of any text
 8 book by the County Text Book Commission; or by a board of education, a con-
 9 tract shall be made with the publisher for an exchange price on each text book
 10 which exchange price shall not exceed sixty per cent of the guaranteed whole-
 11 sale price. When any text book has been adopted by the County Text Book Com-
 12 mission, or by a board of education, a sample copy thereof, conforming in every
 13 particular to the sample filed in the office of the Superintendent of Public In-
 14 struction shall be furnished by the publisher thereof and filed in the office of the
 15 county superintendent of schools, or clerk of the board of education, and all text
 16 books furnished by said publisher for use in the schools shall be equal to said
 17 sample in every respect, and no text book so adopted shall under any conditions
 18 be sold at a higher wholesale price than that authorized and approved by the
 19 State Text Book Commission.

Sec. 11. Any board of education or board of directors shall have power to
2 determine the number of text books on each subject adopted in accordance with
3 the provisions of this Act, that the school or schools under their charge shall
4 require, and to purchase said books from the publishers at the guaranteed
5 wholesale price, and to pay for the same and for transportation charges thereon
6 out of the contingent fund of the district. Each board shall make all necessary
7 provisions and arrangements to place the text books so purchased on sale within
8 easy reach of and accessible to all the pupils in their district, and for that pur-
9 pose may make such contracts and take such security as they may deem neces-
10 sary for the custody, care and sale of such books and accounting for the pro-
11 ceeds; but not to exceed ten per cent of the cost price shall be paid therefor; and
12 said books shall be sold to the pupils of school age in the district at the guaran-
13 teed wholesale price paid the publisher and not to exceed ten per cent added
14 thereto, and the proceeds of such sale shall be paid into the contingent fund of
15 such district. Whoever receives said books from the board of education or board
16 of directors for sale to the pupils, as provided above, and fails to account hon-
17 estly and fully for the same, or for the proceeds to the board of education or the
18 board of directors when required so to do, shall be guilty of embezzlement and
19 punished accordingly. Whenever a board of education or board of directors
20 fails to purchase text books as provided above, then any local retail dealer is
21 authorized to procure said text books direct from the publisher and to sell the
22 same at prices not to exceed the guaranteed wholesale price, plus twenty per
23 cent thereof. When pupils remove from any district and have text books of the
24 kind adopted in such district and not of the kind adopted in the district to which
25 they remove and wish to dispose of the same, the board of education or board
26 of directors of the district from which they remove shall provide for the pur-
27 chase of the same at a fair value therefor, and books so purchased shall be resold
28 the same as other books.

Sec. 12. Any public school teacher or officer who shall sanction or permit
 2 the use or adoption of any text book contrary to the provisions of this Act, shall
 3 be guilty of a misdemeanor, and upon conviction shall be fined not less than
 4 twenty-five dollars nor more than one hundred dollars. If any county text book
 5 commission or board of education or board of directors shall attempt to change
 6 any text book before the expiration of a contract for the same made under this
 7 Act, any member of such commission or board who votes for such unlawful
 8 change shall be guilty of a misdemeanor, and upon conviction shall be fined not
 9 less than twenty-five dollars nor more than one hundred dollars. Any pub-
 10 lisher or retail dealer who shall sell text books for use in the public schools at a
 11 higher price than herein provided shall be guilty of a misdemeanor and subject
 12 to a like penalty.

13 Any publisher who shall sell or offer for sale for use in the public schools of
 14 this State school text books of any kind which have not first been filed in the
 15 office of the Superintendent of Public Instruction and approved by the State
 16 Text Book Commission and adopted, as provided for in this Act, shall be guilty
 17 of a misdemeanor, and upon conviction shall be fined not less than five hundred
 18 dollars and not more than five thousand dollars: *Provided*, that all text books in
 19 use at the time of the taking effect of this Act, when properly filed as herein pro-
 20 vided, shall be considered as though they were temporarily approved and adopted
 21 until the State Text Book Commission shall have announced the list of approved
 22 text books, and the adoption to be made by the County Text Book Commission
 23 or board of education, as herein provided, shall have taken effect.

24 Any member of any State or county text book commission, or board of edu-
 25 cation, who shall accept or receive any money, or gift or any property or favor
 26 whatsoever from any person, firm or corporation selling or offering for sale
 27 any text books, except copies of books offered for adoption, shall, upon convic-
 28 tion, be punished by a fine not exceeding one thousand dollars, or by imprison-
 29 ment in the county jail for not more than six months, or by both fine and im-
 30 prisonment.

Sec. 13. Supplementary books shall not be considered as text books under
2 the provisions of this Act, nor shall this Act be construed to prevent the use of
3 such supplementary books as shall be furnished at the expense of the school dis-
4 trict, provided such supplementary books shall not displace books regularly
5 adopted under the provisions of this Act, nor to prevent boards of education or
6 boards of directors from purchasing all necessary books for the use of children
7 of indigent parents and paying for the same out of the contingent fund of the
8 district.

Sec. 14. Whenever a school district shall include territory in two or more
2 counties, such districts shall, for the purpose of this Act, be considered a part of
3 the county wherein its school building is located.

5 but this provision shall not be construed as authorizing the State Mining Board
6 to increase the number of districts.

Sec. 5. INSPECTORS APPOINTED. (a) From the names certified by the State
2 Mining Board, the Governor shall select and appoint twelve State Mine In-

BOND. (c) State Inspectors and Deputy Inspectors of Mines, before entering upon their duties as such, must take an oath of office, as provided for by the Constitution, and enter into a bond to the State in the sum of five thousand dollars (\$5,000) for State Mine Inspectors, and three thousand dollars (\$3,000) for Deputy Mine Inspectors, with sureties to be approved by the Governor, conditioned upon the faithful performance of their duties in every particular, as required by this Act. EXAMINATION OF MINES. (e) State Inspectors and Deputy Inspectors shall devote their whole time and attention to the duties of their respective offices. State Inspectors shall make personal examination at least once in every six months of each mine in their district in which marsh gas has been detected in quantities which, in the judgment of the State Mining Board, is dangerous. The State Mining Board also may require State Inspectors personally to examine any or all other mines in their respective districts.

51 Deputy Inspectors may be assigned by the State Mining Board to examine
52 mines which have not been classified as generating marsh gas in dangerous quan-
53 tities.

54 Every mine in the State shall be examined at least once in every six months.

55 SCOPE OF EXAMINATION. (f) Every State Inspector and every Deputy In-
56 spector in the regular inspection of mines shall measure with an anemometer
57 and determine the amount of air passing in the last cross-cut in each pair of
58 entries in pillar and room mines, or in the last room of each division in long-
59 wall mines. He shall also measure with an anemometer and determine the
60 amount of air passing at the inlet and outlet of the mines; and he shall compare
61 all such air measurements with the last report of the mine examiner and the
62 mine manager upon the mine examination book of the mine. He must observe
63 that the legal code of signals between the engineer and top man and bottom man
64 is established and conspicuously posted for the information of all employees.

65 State Inspectors and Deputy Inspectors also shall require that every neces-
66 sary precaution be taken to insure the health and safety of the workmen em-
67 ployed in the mines, and that the provisions and requirements of all the mining
68 laws of this State are obeyed.

69 State Inspectors and Deputy Inspectors shall render written reports of
70 mine inspections made by them to the State Mining Board in such form and man-
71 ner as shall be required by the Board. The Deputy Inspectors' reports shall be
72 made through the State Inspector; and the State Inspector shall take prompt
73 action for the enforcement of the penalties provided for violation of the mining
74 laws.

75 AUTHORITY TO ENTER. (g) It shall be lawful for State Inspectors and
76 Deputy Inspectors to enter, examine and inspect any and all coal mines and the
77 machinery belonging thereto, at all reasonable times, by day or by night, but so
78 as not to unreasonably obstruct or hinder the working of such coal mine, and the
79 operator of every such coal mine is hereby required to furnish all necessary facil-
80 ities for making such examination and inspection.

81 PROCEDURE IN CASE OF OBJECTION. (h) If any operator shall refuse to permit
 82 such inspection or to furnish the necessary facilities for making such examina-
 83 tion and inspection, the inspector shall file his affidavit, setting forth such re-
 84 fusals, with the judge of the circuit court in said county in which said mine is
 85 situated, either in term time or vacation, or, in the absence of said judge, with
 86 a master in chancery in said county in which said mine is situated, and obtain
 87 an order on such owner, agent or operator so refusing as aforesaid, command-
 88 ing him to permit and furnish such necessary facilities for the inspection of such
 89 coal mine, or to be adjudged to stand in contempt of court and furnished accord-
 90 ingly.

91 NOTICES TO BE POSTED. (i) The State Inspector or the Deputy Inspector, as
 92 the case may be, shall post in some conspicuous place at the top of each mine in-
 93 spected by him, a plain statement showing what in his judgment is necessary for
 94 the better protection of the lives and health of persons employed in such mine;
 95 such statement shall give the date of inspection and be signed by the inspector.
 96 He shall post a notice at the landing used by the men, stating what number of
 97 men will be permitted to ride on the cage at one time and the rate of speed at
 98 which men may be hoisted and lowered on the cages.

99 SEALER OF WEIGHTS. (j) State Inspectors and Deputy Inspectors are here-
 100 by made ex-officio sealer of weights and measures in their respective districts,
 101 and as such are empowered to test all scales used to weigh coal at coal mines.
 102 Upon the written request of any mine owner or operator, or of ten coal miners
 103 employed at any one mine, it shall be the duty of the inspector to test any scale
 104 or scales at such mine against which complaint is directed, and if he shall find
 105 that they or any of them do not weigh correctly, he shall call the attention of the
 106 mine owner or operator to the fact, and direct that said scale or scales be at once
 107 overhauled and readjusted so as to indicate only true and exact weights, and he
 108 shall forbid the further operation of such mine until such scales are adjusted. In
 109 the event that such tests shall conflict with any test made by any county sealer of
 110 weights, or under and by virtue of any municipal ordinance or regulation, then
 111 the test by such mine inspector shall prevail.

112 TEST WEIGHTS. (k) For the purpose of carrying out the provisions of this
 113 Act, each State Inspector and each Deputy Inspector shall be furnished by the
 114 State with a complete set of standard weights suitable for testing the accuracy of
 115 track scales and of all smaller scales at mines; said test weights to be paid for on
 116 bills of particulars, certified by the Secretary of State and approved by the Gover-
 117 nor. Such test weights shall remain in the custody of the inspector for use at
 118 any point within his district, and for any amounts expended by him for the stor-
 119 age, transportation or handling of the same, he shall be fully reimbursed upon
 120 making entry of the proper items in his expense voucher.

121 INSPECTORS' ANNUAL REPORTS. (l) Each State Inspector of mines shall,
 122 within sixty days after June 30th of each year, prepare and forward to the State
 123 Mining Board a formal report of his acts during the year in the discharge of his
 124 duties, with any recommendations as to legislation he may deem necessary on the
 125 subject of mining, and shall collect and tabulate upon blanks furnished by said
 126 Board all desired statistics of mines and miners within his district to accompany
 127 said annual report.

128 REPORTS TO BE PUBLISHED. (m) On the receipt of said inspectors' reports
 129 the chief clerk of the State Mining Board shall compile and summarize the same,
 130 to be included in the report of said Board, to be known as the Annual Coal Re-
 131 port, which shall, within four months thereafter, be bound, printed and trans-
 132 mitted to the Governor for the information of the General Assembly and the pub-
 133 lic. The printing and binding of said reports shall be provided for by the Com-
 134 missioners of State Contracts in like manner and in like numbers as they provide
 135 for the publication of other official reports to the Governor.

136 REPORTS BY OPERATOR. (n) Every coal operator shall, within thirty days
 137 after June 30 of each year, furnish to the State Mine Inspector of the district,
 138 on blanks furnished by him prior to said June 30, statistics of the wages and con-
 139 ditions of their employees as required by law. The failure of any inspector to
 140 forward to the State Mining Board his formal report, as provided in Paragraph
 141 (1) hereof, or the failure of any coal operator to furnish to the State Mine In-

142 spector of the district the statistics provided for herein, shall be adjudged a mis-
 143 demeanor and be subject to a fine of \$100.

Sec. 6. PAY OF INSPECTORS. Each State Inspector of mines shall receive as
 2 compensation for his services the sum of \$3,000 per annum, and the Deputy
 3 Inspector shall receive as compensation for his services the sum of \$2,100 per
 4 annum, and for traveling and other necessary expenses each shall receive the
 5 sum actually expended for that purpose in the discharge of his official duties,
 6 both salary and expenses to be paid monthly by the State Treasurer, on warrants
 7 of the Auditor of Public Accounts, from the funds in the treasury not otherwise
 8 appropriated; said expense vouchers shall show the items of expenditures in
 9 detail, with sub-vouchers for the same so far as it is practicable to obtain them.
 10 Said vouchers shall be sworn to by the inspector and be approved by the Pres-
 11 ident of the State Mining Board and the Governor.

Sec. 7. MAPS REQUIRED. (a) The operator of every coal mine in the State
 2 shall make, or cause to be made, an accurate map or plan of such mine, drawn
 3 to a scale not smaller than 200 feet to the inch. All measurements shall be in
 4 feet and decimals of a foot. On such maps shall appear the name of the State,
 5 county and township in which the mine is located, the designation of the mine
 6 the name of the company or owner, the certificate of the mining engineer or sur-
 7 veyor as to the accuracy and date of the survey, the north point and the scale
 8 to which the drawing is made.

9 SURFACE SURVEY. (b) Such map or plan shall accurately show the surface
 10 boundary lines of the coal rights pertaining to each mine, and all sections or
 11 quarter-section lines or corners within the same; the lines of town lots and
 12 streets; the tracks and side-tracks of all railroads, and the location of all wagon
 13 roads, rivers, streams; ponds, location and depth of holes drilled for oil, gas or
 14 water that penetrate a workable coal seam, and the elevation above the coal
 15 seam of any stream or body of water that might endanger the mine.

16 UNDERGROUND SURVEY. (c) For the underground workings, said maps shall

17 show all shafts, slopes, tunnels or other openings to the surface or to the work-
 18 ings of a contiguous mine; all excavations, entries, rooms and cross-cuts; the
 19 location of the fan or furnace and the direction of the air currents; the location
 20 of pumps, hauling engines, engine planes, abandoned works, fire walls and stand-
 21 ing water; and the outcrop line of the seam, if any, on the property.

22 The general outline of all areas in which pillars have been drawn shall be
 23 indicated on the map.

24 Each underground map also shall show, in feet and decimals thereof, the
 25 elevation of the floor of the coal at reasonable intervals on the main entries and
 26 cross entries from the bottom of the shaft to the face of the workings; such
 27 elevations shall be referred to the floor of the coal at the bottom of the hoist-
 28 ing shaft.

29 MAP FOR EVERY SEAM. (d) A separate and similar map, drawn to the
 30 same scale, shall be made of each and every seam, which, after the passage of
 31 this Act, shall be worked in any mine, and the maps of all such seams shall
 32 show all shafts, inclined planes or other passageways connecting the same.

33 SEPARATE MAP FOR THE SURFACE. (e) A separate map also shall be made
 34 of the surface whenever the surface buildings, lines or objects are so numerous
 35 as to obscure the details of the mine workings if drawn upon the same sheet
 36 with them, and in such case the surface map shall be drawn on transparent cloth
 37 or paper, so that it can be laid upon the map of the underground workings,
 38 and thus indicate the relation of lines and objections on the surface to the
 39 excavations of the mine.

40 THE DIP. (f) Each map shall also show by profile drawing and measure-
 41 ments, in feet and decimals thereof, the rise and dip of the seam from the bot-
 42 tom of the shaft in either direction to the face of the workings.

43 COPIES FOR INSPECTORS AND RECORDERS. (g) The original or true copies of
 44 all such maps shall be kept in the office at the mine, and one true copy thereof
 45 shall be furnished to the State Inspector of mines for the district in which said
 46 mine is located, and one shall be filed in the office of the recorder of the county in

47 which the mine is located, within thirty days after the completion of the same
 48 The maps so delivered to the inspector and to the recorder shall remain in the
 49 custody of said inspector and recorder during their respective terms of office,
 50 and be delivered by them to their successors in office. They shall be kept at the
 51 office of the inspector and of the recorder, and be open to the examination of
 52 all persons interested in the same, but such examination shall be made only
 53 in the presence of the inspector or the recorder. Neither the inspector nor the
 54 county recorder shall permit any copies of the same to be made without the
 55 written consent of the operator or the owner of the property.

56 The county recorder shall properly index such map as part of the title
 57 record of the property affected.

58 A copy of each map and extensions to the same shall be furnished the
 59 manager of the mine-rescue stations for his use in connection with rescue work
 60 only.

61 ANNUAL SURVEYS. (h) An extension of the last preceding survey of every
 62 mine in active operation shall be made once in every twelve months prior to
 63 July 1, of every year, and the results of said survey, with the date thereof
 64 shall be promptly and accurately entered upon the original maps and all copies
 65 of the same, so as to show all changes in plan or new work in the mine, and
 66 all extensions of the old workings to the most advanced face or boundary of
 67 said workings which have been made since the last preceding survey. The State
 68 Inspector, the County Recorder and the Manager of the Rescue Stations shall
 69 be furnished with a copy of the said extended map or of the extensions to said
 70 map.

71 ABANDONED MINES. (i) When any coal mine is worked out or is about to be
 72 abandoned or indefinitely closed, the operator of the same shall make, or cause to
 73 be made, a final survey of such mine; to show the entire worked-out area when the
 74 mine was closed, and the results of the same shall be duly extended on all maps
 75 of the mine and copies thereof herein required to be filed.

76 SPECIAL SURVEY. (j) The State Inspector of Mines, or the State Mining

77 Board, may order a survey to be made of the workings of any mine in addition
 78 to the regular annual survey, the results to be extended on the maps of the same
 79 and the copies thereof, whenever the safety of the workmen, unlawful injury to
 80 the surface, unlawful encroachment upon adjoining property, or the safety of an
 81 adjoining mine requires it.

82 If the State Inspector of Mines or the State Mining Board shall believe any
 83 map required by this Act is materially inaccurate or imperfect, the State In-
 84 spector or State Mining Board is authorized to make, or cause to be made, a
 85 correct survey and map at the expense of the operator, the cost recoverable as
 86 for debt, provided if such test survey shows the operator's map to be correct, the
 87 State shall be liable for the expense incurred, payable in such manner as other
 88 State accounts incurred by the State Mining Board.

89 PENALTIES FOR FAILURE. (k) If an operator of any mine refuses or wilfully
 90 neglects, for a period of three months, to furnish the said State Inspector, the
 91 County Recorder and the Manager of the Rescue Stations the map or plan of
 92 such mine, or a copy thereof, or of the extensions thereto, as provided for in
 93 this Act, such operator shall be deemed guilty of a misdemeanor, and on con-
 94 viction thereof shall be fined not less than ten dollars nor more than one hundred
 95 dollars, in the discretion of the court, and shall stand committed to the county
 96 jail until such fine is paid, and, in addition thereto, the State Inspector or State
 97 Mining Board is hereby authorized to make, or cause to be made, an accurate
 98 map or plan of such mine at the expense of the operator thereof; and the cost of
 99 the same may be recovered by law from the operator in the same manner as
 100 other debts by suit, in the name of the State Inspector or the State Mining Board,
 101 and for his or its use, and copies of the same shall be filed by him or the Board,
 102 one each with said recorder and said Manager of the Rescue Stations.

Sec. 8. SINKING SUBJECT TO INSPECTION. (a) Any shaft or other open-
 2 ing in process of sinking, or driving, for the purpose of mining coal, shall be sub-
 3 ject to the inspection of the State or Deputy Inspector of Mines for the district
 4 in which said shaft or opening is located.

5 (b) Over every shaft that is being sunk or shall hereafter be sunk, there
 6 shall be a safe and substantial structure to support sheaves or pulley ropes
 7 at a height not less than 15 feet above the tipping place. The landing plat-
 8 form of such shaft shall be so arranged that material can not fall into the shaft
 9 while the bucket is being emptied or taken from the hoisting rope. If provi-
 10 sions are made to land a bucket on a truck, said truck and platform shall be so
 11 arranged that material can not fall into the shaft.

12 (c) Rock or coal shall not be hoisted except in a bucket or on a cage when
 13 men are in the bottom of the shaft; and said bucket or cage must be connected
 14 to the hoisting rope by a safety hook, clevis or other safety attachment. The
 15 rope shall be fastened to the side of the drum and not less than three coils of
 16 rope shall remain on the drum. In shafts over 100 feet in depth, suitable provi-
 17 sion shall be made to prevent the bucket from swinging while being lowered or
 18 hoisted, and guides provided for this purpose shall be maintained at a distance
 19 of not more than 75 feet from the bottom of the shaft.

20 (d) An efficient brake shall be attached to the drum of the engine used for
 21 hoisting in shaft sinking, and the drum shall be provided with a flange on each
 22 end not less than 4 inches in height.

23 (e) Not more than four persons shall be lowered or hoisted in or on a
 24 bucket in a shaft at one time, and no person shall ride on a loaded bucket.

25 (f) All blasts in shaft sinking shall be exploded by electric battery.

26 (g) Provision shall also be made for the proper ventilation of shafts while
 27 being sunk.

28 (h) No one but a certificated hoisting engineer shall be in charge of the
 29 hoisting engines while a shaft is being sunk.

Sec. 9. TWO PLACES OF EGRESS. (a) For every coal mine in this State,
 2 whether worked by shaft, slope or drift, there shall be provided and maintained,
 3 in addition to the hoisting shaft, or other place of delivery, an escapement shaft
 4 or opening to the surface, or an underground communicating passageway with a

5 contiguous mine, so that there shall be at least two distinct and available means
6 of egress to all persons employed in such coal mines.

7 DISTANCE FROM MAIN SHAFT. (b) In mines sunk after the passage of this
8 Act, the first escapement shaft shall be separated from the main shaft by such
9 extent of natural strata as may be agreed upon by the inspector of the district
10 and the owner of the property, but the distance between the main shaft and the
11 escapement shaft shall not be less than 500 feet nor more than 2,000 feet.

12 UNLAWFUL TO EMPLOY MORE THAN TEN MEN. (c) It shall be unlawful to
13 employ underground, at any one time, more men than in the judgment of the in-
14 spector are necessary to complete speedily the connections with the escapement
15 shaft or adjacent mine; and said number must not exceed ten men at any one
16 time for any purpose in said mine until such escapement or connection is com-
17 pleted.

18 The time allowed for completing such escapement shaft or making such con-
19 nections with an adjacent mine, as is required by the terms of this Act, shall be
20 three months for shafts 200 feet or less in depth, and six months for shafts less
21 than 500 feet and more than 200 feet, and nine months for all other mines, slopes
22 of drifts, or connections with adjacent mines. The time to date in all cases from
23 the hoisting of coal from the hoisting shaft.

24 STAIRWAYS OR CAGES. (d) The escapement shaft at every mine opened after
25 the passage of this Act shall be equipped with a substantial stairway, set at an
26 angle not greater than forty-five degrees, which shall be provided with hand-rails
27 and with platforms or landings at each turn of the stairway.

28 If any escapement shaft, at the time of the passage of this Act, be equipped
29 with a cage for hoisting men, such shaft, cage and all equipment used in connec-
30 tion therewith must conform to the requirements of this Act in reference to the
31 hoisting and lowering of men.

32 PASSAGEWAYS TO ESCAPEMENT. (e) Such escapement shaft or opening or com-
33 munication with a contiguous mine as aforesaid, shall be constructed in con-
34 nection with every seam of coal worked in such mine, and all passageways com-

35 municating with the escapement shaft or place of exit, from the main hauling
 36 ways to said place of exit, shall be maintained free of obstruction at least 5 feet
 37 high and 5 feet wide. Such passageways must be so graded and drained that
 38 it will be impossible for water to accumulate in any depression or dip of the same
 39 in quantities sufficient to obstruct the free and safe passage of men. No pas-
 40 sageway to an escapement shaft shall pass through a stable. At all points where
 41 the passageway to the escapement shaft or other place of exit is intersected by
 42 other roadways or entries, conspicuous signboards shall be placed indicating the
 43 direction it is necessary to take in order to reach such place of exit.

44 COMMUNICATIONS WITH ADJACENT MINES. (f) When operators of adjacent
 45 mines have, by agreement, established underground communications between
 46 said mines as an escapement outlet for the men employed in both, the interven-
 47 ing doors shall remain unlocked and ready at all times for immediate use.

48 When such communication has once been established between contiguous
 49 mines, the operator of either shall not close the same without the consent of the
 50 operator of the contiguous mine and of the State Inspector for the district: *Pro-*
 51 *vided*, that when either operator desires to abandon mining operations the ex-
 52 pense and duty of maintaining such communication shall devolve upon the party
 53 continuing operations and using the same.

Sec. 10. GATES AT LANDINGS. (a) The upper and lower landing at the top
 2 of each shaft, and the opening of each intermediate seam from or to the shaft,
 3 shall be kept clear and free from loose materials, and shall be protected with
 4 automatic or other gates. At the top landing cage supports, where necessary,
 5 must be carefully set and adujsted so as to securely hold the cage when at rest.

6 LIGHTS ON LANDINGS. (b) Whenever the hoisting or lowering of men occurs
 7 before daylight or after dark, or when the landing at which men take or leave
 8 the cage is at all obscured by steam or otherwise, there must always be main-
 9 tained at such landing a light sufficient to show the landing and surrounding ob-
 10 jects distinctly. Likewise, as long as there are men underground in any mine, the
 11 operator shall maintain a good and sufficient light at the bottom of the shaft there-

12 of, so that persons coming to the bottom may clearly discern the cage and ob-
 13 jects in the vicinity.

14 HOISTING EQUIPMENT. (c) Every shaft in which men are hoisted and low-
 15 ered must be equipped with a cage, or cages, fitted to guide-rails running from
 16 the top to the bottom. Said cages must be substantially constructed; they must
 17 be furnished with sheet-metal covers adequate to protect persons riding thereon
 18 from falling objects; they must be equipped with safety catches. Every cage on
 19 which persons are carried must be fitted with iron bars or rings in proper place
 20 and sufficient number to furnish a secure hand-hold for every person permitted to
 21 ride thereon. There shall be attached to every cage on which men are, or may be,
 22 hoisted or lowered, a horn or other device with which signals can be given on the
 23 cage.

24 (d) In connection with every hoisting engine used for hoisting or lowering
 25 of men there shall be provided as follows:

26 BRAKE ON DRUM. (1) A good and sufficient brake on the drum, so adjusted
 27 that it may be operated by the engineer without leaving his post at the levers.

28 FLANGES. (2) Flanges attached to the sides of the drum, with a distance
 29 when the whole rope is wound on the drum of not less than 4 inches between the
 30 outer layer of rope and the greatest diameter of the flange.

31 ROPE FASTENINGS. (3) One end of each hoisting rope shall be well secured
 32 on the drum, and at least three laps of the same shall remain on the drum when
 33 the cage is at rest at the lowest caging place in the shaft.

34 The lower end of each rope shall be securely fastened to the cage by suitable
 35 sockets and chains.

36 INDICATOR. (4) An index dial or indicator that plainly shows the engineer
 37 at all times the true position of the cages in the shaft.

38 SIGNALS. (e) At every mine where men are hoisted and lowered by machin-
 39 ery there shall be provided means of signaling to and from the bottom man, the
 40 top man and the engineer. The signal system shall consist of a tube, or tubes, or
 41 wire encased in wood or iron pipes, through which signals shall be communicated

42 by electricity, compressed air or other pneumatic devices, or by ringing a bell.
 43 When compressed air or other pneumatic devices are used for signaling, provis-
 44 ion must be made to prevent signal from repeating or reversing. The following
 45 signals shall be used at mines where signals are required:

46 From the bottom to the top: One ring or whistle shall signify to hoist coal
 47 or the empty cage, and also to stop either when in motion.

48 Two rings or whistles shall signify to lower cage.

49 Three rings or whistles shall signify that men are coming up or going down;
 50 when return signal is received from the engineer the men shall get on the cage
 51 and the proper signal to hoist or lower shall be given.

52 Four rings or whistles shall signify to hoist slowly, implying danger.

53 Five rings or whistles shall signify accident in the mine and a call for a
 54 stretcher.

55 Six rings or whistles shall signify hold cage perfectly still until signaled
 56 otherwise.

57 From top to bottom, one ring or whistle shall signify: All ready, get on
 58 cage.

59 Two rings or whistles shall signify: Send away empty cage.

60 Provided, that the operator of any mine may, with the consent of the in-
 61 spector, add to this code of signals in his discretion. The code of signals in
 62 use at any mine shall be conspicuously posted at the top and at the bottom of
 63 the shaft, and in the engine room at some point in front of the engineer when
 64 standing at his post.

65 GAUGES. (f) Every boiler shall be provided with a glass water gauge and
 66 not less than three try cocks and also a steam gauge, except that where two or
 67 more boilers are equipped with a steam drum properly connected with the boil-
 68 ers to indicate the steam pressure and without any valves between said boilers
 69 and the steam drum, the steam gauge may be placed in said steam drum; and
 70 other steam gauge shall be attached to the steam pipe in the engine house, each
 71 to be placed in such a position that the engineer and the fireman can readily see

72 what pressure is being carried. Such steam gauges shall be kept in good order,
73 and adjusted and be tested as often, at least, as every six months.

74 SAFETY VALVES. (g) Every boiler shall be provided with a safety valve
75 with weights or springs properly adjusted, except that where two or more boil-
76 ers are equipped with a steam drum properly connected with the boilers to indi-
77 cate the steam pressure and without any valves between said boilers and the
78 steam drum, the safety valve may be placed in said steam drum.

79 INSPECTION OF BOILERS. (h) All boilers used in generating steam in and
80 about coal mines or sinking shafts shall be kept in good order, and the operator
81 of every coal mine where steam boilers are in use shall have said boilers thor-
82 oughly examined and inspected by a competent boilermaker or other qualified
83 person, not an employee of said operator, as often as once in every six months,
84 and oftener if the Mine Inspector shall so require in writing, and the result of
85 every such inspection shall be reported on suitable blanks to said Mine Inspector.

86 RUN-AROUND AT BOTTOM. (i) At every underground landing where men enter
87 or leave the cage and where men must pass from one side of the cage to the other.
88 there shall be a passageway, free from obstruction and dry as possible, around
89 the shaft not less than three feet wide for the use of men only; and animals or
90 cars shall not be taken through such passageway while men are passing or desir-
91 ous of passing through such passageway.

92 REFUGE PLACE ON SHAFT BOTTOM. (j) A refuge place or places for men
93 coming out at the close of the day's work shall be provided off the main bottom
94 or cageroom in shaft mines, at a place or places and of such size as shall be ap-
95 proved by the State Mining Inspector. Such place or places shall be not more
96 than 400 feet from the hoisting shaft. When leaving such refuge places to be
97 hoisted out, the men shall be governed by the rules of the mine.

98 OBSTRUCTIONS IN SHAFT. (k) No accumulation of ice or obstructions of any
99 kind shall be permitted in any shaft in which men are hoisted or lowered; nor
100 shall any dangerous gases or steam be discharged into said shaft in such quanti-
101 ties or at such times as to interfere with the safe passage of men. All surface

102 or other water which flows therein shall be conducted by rings or otherwise to
 103 receptacles provided for the same in such manner as to prevent water from fall-
 104 ing upon men while passing into or out of the mine or while in the discharge of
 105 their duties about the shaft bottom.

106 INSPECTION. (l) All shafts by which men enter or leave the mine, and the
 107 passageways leading thereto, or to the works of a contiguous mine used as an
 108 escapement shaft shall be carefully examined at least once each week that the
 109 mine is operating and the date and findings of such examination entered prompt-
 110 ly in the books kept at the mine for that purpose. If obstructions to the free
 111 passage of men are found, their location and nature shall be stated in said re-
 112 port. Such obstructions shall be promptly removed.

Sec. 11. BUILDINGS ON THE SURFACE. (a) After the passage of this Act,
 2 there shall not be erected or re-erected on the surface within 100 feet of any
 3 hoisting shaft or escapement shaft, any inflammable structure.

4 OIL AND EXPLOSIVES. (b) No oils or similarly inflammable materials shall
 5 be stored within 100 feet of any hoisting or escapement shaft, nor in any mine.

6 All explosive materials shall be stored in a fireproof magazine located on the
 7 surface not less than 500 feet from all other buildings in connection with the
 8 mine, and such magazine shall be so placed as not to jeopardize the free and safe
 9 exit of men from the mine in case of an explosion at the magazine.

10 ENGINE AND BOILER-HOUSE. (c) Any building erected after the passage of
 11 this Act, for the purpose of housing the hoisting engine or boilers at any mine,
 12 shall be substantially fireproof, and no boiler-house shall be nearer than sixty
 13 feet to the main shaft or other opening, or to any building or inflammable stru-
 14 ture connecting therewith.

Sec. 12. TOP MAN AND BOTTOM MAN. At every shaft where men are hoisted
 2 or lowered by machinery, the operator shall station at the top and at the bot-
 3 tom of such shaft a competent man who shall be and hereby is charged with the
 4 duty of attending to signals, and is empowered to preserve order and enforce

the rules governing the carriage of men on cages. Said top man and bottom man shall be at their respective posts of duty at least half an hour before the hoisting of coal begins in the morning, and remain for half an hour after hoisting ceases for the day.

SPEED OF CAGES AND OTHER REGULATIONS. (b) Cages on which men are riding shall not be lifted nor lowered at a rate of speed greater than six hundred feet per minute, except with the written consent of the inspector. No person shall carry any tools, timber or other materials with him on any cage in motion, except for use in repairing the shaft, and no one shall ride on a cage containing either a loaded or empty car. No cage having an unstable or self-dumping platform shall be used for the carriage of men or materials, unless the same is provided with some device by which said platform can be securely locked, and unless it is so locked whenever men or materials are being conveyed thereon. No coal shall be hoisted in any shaft while men are being lowered therein.

RIGHTS OF MEN TO COME OUT. (c) Whenever men who have finished their day's work, or have been prevented from further work, shall come to the bottom to be hoisted out, an empty cage shall be given them for that purpose, unless there is an available exit by slope or by stairway in an escapement shaft, and providing there is no coal at the bottom ready to be hoisted. In case of injury or bona fide illness, a man shall be given a cage at once.

Sec. 13. SAFETY LAMPS. (a) At every mine in this State, the operator shall provide and keep in condition for use not less than two safety lamps and shall provide and keep as many more as may be required in writing by the State Mine Inspector. Davy lamps shall not be used for any purpose except testing.

(b) All safety lamps shall be the property of the operator and when not in use shall remain in the custody of the Mine Manager or other competent person designated by him, who shall clean, fill, trim, examine and deliver the same locked and in safe condition to the men when they enter the mine, or at some

9 underground station designated by the Mine Manager for that purpose. He
10 shall also receive the lamps from the men when they leave the mine or as they
11 pass the underground lamp station at the end of their shift.

12 The person to whom lamps are thus given shall be responsible for the con-
13 dition and proper use of the safety lamps while in their possession, and their
14 return to the lamp station.

15 No safety lamps shall be given too any person for use in a mine nor shall
16 any person use a safety lamp in a mine until said person has given evidence
17 satisfactory to the Mine Manager that he understands the proper use thereof
18 and the danger of tampering with the same.

19 (c) No person except one duly authorized by the Mine Manager shall have
20 in his possession in any part of the mine where locked safety lamps are used,
21 any matches or other means of producing fire, or any lamp-key or other in-
22 strument usable for the opening of a locked safety lamp. Any person violat-
23 ing the provisions of this section shall be guilty of a misdemeanor and pun-
24 ishable as hereinafter provided relating to misdemeanors under this Act.

25 (d) Electric lamps which will not ignite explosive gases may be used in-
26 stead of safety lamps for purposes for which safety lamps are required in this
27 Act except for testing for explosive gas.

Sec. 14. VENTILATION. (a) At every coal mine there shall be provided and
2 maintained artificial means for supplying an amount of air which shall be not
3 less than 100 cubic feet per minute for each person, and not less than 500 cubic
4 feet per minute for each animal in the mine, measured at the foot of the down-
5 cast and of the upcast; except that in gaseous mines there shall be not less than
6 150 cubic feet of air per minute for each person in the mine. The Inspector
7 shall have power by order in writing to require these quantities to be increased.

8 (b) The main current of air shall be so split or subdivided as to give a
9 separate current of reasonably pure air to every 100 men at work, and the In-
10 spector shall have authority to order, in writing, separate currents for smaller
11 groups of men, if, in his judgment, special conditions render it necessary.

12 (c) Doors, curtains or brattices shall be placed at such places as may be
 13 designated by the mine manager, subject to the approval of the State or Dep-
 14 uty Inspector, for conducting the required amount of air into the working
 15 places. Curtains shall not be permanently used in main entries without the
 16 written consent of the State or Deputy Mine Inspector.

17 (d) Away from the pillar for the mine bottom, cross-cuts between entries
 18 shall be made not more than sixty feet apart without permission of the State
 19 Inspector of the district and then only in case of "faults." When such consent
 20 is given, brattice or other means must be provided within sixty feet of the face
 21 to convey the air to the working place until a cross-cut is opened up.

22 When undercut or sheared, the entry, cross-cut and room-neck may be ad-
 23 vanced concurrently, but not more than one cutting shall be shot in the room-
 24 neck until the cross-cut is finished; and after the entry has advanced fifteen feet
 25 beyond the location of the new cross-cut, only one shot shall be fired in the entry
 26 to two in either or both the cross-cut and room-neck at the same shooting time.

27 When not undercut or sheared, the entry and cross-cut may be advanced con-
 28 currently, but no room shall be opened in advance of the last open cross cut, and
 29 after the entry has advanced fifteen feet beyond the location of a new cross-cut only
 30 one shot shall be fired in the entry to two in the cross-cut at the same shooting time

30½ Not more than three shots shall be exploded at one shooting time ahead
 31 of the last open cross-cut.

32 (e) After the taking effect of this Act, the first cross-cut in the first room
 33 off any entry shall not be more than 50 feet from the rib of the entry, and
 34 the first cross-cut in the second room shall not be more than 80 feet from the
 35 rib of the entry, subsequently first cross-cuts in all the rooms shall not be more
 36 than 50 and 80 feet respectively from the rib of the entry. Additional cross-
 37 cuts shall not be more than 60 feet apart.

38 (f) All cross-cuts connecting inlet and outlet air courses, except the last
 39 one nearest the face, shall be closed with substantial stoppings, to be made as
 40 nearly air-tight as possible. In the making of the air-tight partitions or stop-
 41 pings, no loose material or refuse shall be used.

42 Cross-cuts between rooms, except the one nearest the face, shall be closed
43 sufficiently to carry to the working places the amount of air required by law.

44 (g) When explosive gas in dangerous quantity is discovered in working
45 places before the men go into the mine in the morning, such gas shall be re-
46 moved by a special current of air produced by bratticing or from a pipe, before
47 men are permitted to work in such places with other lights than safety lamps.

47½ (h) If, in any mine, the conditions are such that in the judgment of the
48 Mine Manager or the judgment of the State Mine Inspector expressed in writ-
49 ing, it is necessary to use safety lamps only in working said mine, other lights
50 shall not be used therein.

51 (i) The air from the outlet of the stable shall not pass into the intake air
52 current used for ventilating the working parts of the mine.

53 (j) All doors in mines, used in guiding and directing the ventilating cur-
54 rents shall be hung and adjusted so as to close automatically.

55 (k) At all doors through which three or more drivers are hauling coal on any
56 one shift, an attendant shall be employed on said shaft for the purpose of opening
57 and closing said doors when trips of cars are passing to and from the workings.
58 *Provided*, the Mine Inspector, in case of specially dangerous conditions, shall
59 have power to require in writing that an attendant be placed at doors through
60 which less than three drivers pass. Places for shelter shall be provided at such
61 doorways to protect the attendants from being injured by the cars while at-
62 tending to their duties; *Provided*, that in any, or all mines, where doors are
63 constructed in such a manner as to open and close automatically, attendants and
64 places for shelter shall not be required.

65 (l) If the Inspector shall find men working without the amount of air re-
66 quired by law, he shall at once notify the Mine Manager to increase the
67 amount of air in accordance with the law. Upon the failure or refusal of the
68 Manager to act promptly, and in all cases where men are endangered by such
69 lack of air, the Inspector shall at once order the men affected out of the mine.

70 (m) In case the passageways, roadways or entries of any mine are so dry
71 that the air becomes charged with dust, the operator of such mine must have
72 such roadways regularly and thoroughly sprayed, sprinkled or cleaned.

Sec. 15. REFUGE PLACES, POWER HAULAGE ROADS. (a) On all single-track

haulage roads where hauling is done by machinery, which roads the persons employed in the mine must use while performing their work or travel on foot to and from their work, there shall be places of refuge on one side not less than 3 feet in depth from the side of the car, and not less than 4 feet long and 5 feet in height and not more than 60 feet apart. On rope-haulage roads, means of signaling shall be established between the haulage engineer and all points on the road. A conspicuous white light must be carried on the front, and a conspicuous red light or white signal board on the rear of every trip or train of pit cars moved by machinery.

REFUGE PLACES—MULE ROADS. (b) On all haulage roads on which the hauling is done by draft animals, whereon men are obliged to be in the performance of their duties or have to pass to and from their work, there shall be places of refuge not less than $2\frac{1}{2}$ feet in width from the side of the car, and not less than 4 feet long and 5 feet in height and not more than 60 feet apart.

ROOM-NECKS AS REFUGE PLACES. (c) Refuge places shall not be required in entries on which room-necks at regular intervals not exceeding 60 feet furnish the required refuge places.

KEEPING REFUGE PLACES CLEAR. (d) All places of refuge must be kept clear of obstructions and no material shall be stored nor be allowed to accumulate therein. They shall also be whitewashed not less than once in six months.

GOB ON HAULAGE ROADS. (e) One side of all haulage roads shall be kept clear of refuse or materials, except timbering, unless the rib or timbering on such side shall be $2\frac{1}{2}$ feet or more from the rail, but in such case materials or refuse shall not be permitted within $2\frac{1}{2}$ feet of the rail.

Sec. 16. CARS. When there is more than one link on either end of car, no swinging open-hook coupling shall be used on mine cars installed after this Act shall be in force.

Mine cars in use when this Act shall become in force and effect shall be made to comply with this provision within one year thereafter.

Sec. 17. VOLTAGE. (a) Trolley wires or other exposed electrical wires shall not carry a voltage above 275 volts.

WIRES CROSSING HAULAGE WAYS. (b) All trolley and positive feed wires crossing places where persons or animals are required to travel shall be safely guarded or protected from such persons or animals coming in contact therewith.

(c) All terminal ends of positive wires shall be guarded so as to prevent persons inadvertently coming in contact therewith.

Sec. 18. OIL STANDARD. (a) All illuminating oils used in coal mines shall conform to such specifications as shall be prescribed by the State Mining Board.

BRANDS OF OIL. (b) All oils sold or offered for sale to be used for illuminating purposes in coal mines shall be stamped or branded upon the original barrel or package in which said oil is furnished to the person, firm or corporation selling or furnishing such oil to show that such oil has been tested and found to conform to the specifications prescribed by the State Mining Board.

PENALTY. (c) Any person, firm or corporation, either by themselves, agents or employees, selling or offering to sell for illuminating purposes in any mine in this State any oil not complying with the specifications of the State Mining Board as suitable for illuminating purposes as contemplated in this Act, shall be deemed guilty of a misdemeanor, and, upon conviction thereof, shall be fined not less than twenty-five dollars, nor more than one hundred dollars for each offense; and any mine owner or operator or employee of such owner or operator who shall knowingly use, or any mine operator who shall knowingly permit to be used, for illuminating purposes in any mine in this State any oil the use of which is forbidden by this Act, shall be guilty of a misdemeanor, and shall be fined not less than five dollars nor more than twenty-five dollars.

SAMPLING AND TESTING. (d) The State Mine Inspectors and the Deputy Mine Inspectors shall have authority to sample all oil used for illuminating purposes in the mines of this State, or kept on hand for use or for sale at such

23 mines, and for such purpose they may enter upon the premises of any person.
 24 It shall be their duty to send to the State Mining Board to be tested a sample
 25 of any oil they have reason to suspect does not comply with the specifications
 26 of the State Mining Board in regard to illuminating oil for use in mines; and if
 27 the said sample of oil is found after suitable tests not to comply with the pro-
 28 visions of this Act, the person using said oil or selling or offering the same for
 29 sale, shall be prosecuted in accordance with the provisions of this Act.

Sec. 19. AMOUNT OF POWDER KEPT IN MINE. (a) No blasting powder, or
 2 other explosives, shall be stored in any coal mine, and no workman shall have at
 3 any time in the mine more than thirty-five pounds of black powder nor more than
 4 twenty-five pounds of permissible explosives, nor more than three pounds of
 5 other high explosives: *Provided*, that nothing in this section shall be construed
 6 to prevent the operator of any mine from taking into the mine, when miners are
 7 not therein, and in electrically equipped mines, while the current is turned off on
 8 roadways through which it is transported, a sufficient quantity of powder for the
 9 reasonable requirements of such mine for the next succeeding working day, but
 10 in the interim before such powder is delivered to the men, it shall be kept in a
 11 closed receptacle.

12 Explosives shall not be carried in the same car with tools or other ma-
 13 terials.

14 PLACE AND MANNER OF KEEPING IN THE MINE. (b) Every person who has
 15 powder or other explosives in a mine shall keep the same in a wooden box, secure-
 16 ly locked, with hinged lid, and said box shall be kept as far as practicable from
 17 the track; and all powder boxes shall be kept as far as practicable from each
 18 other and each in a secluded place. Black powder and high explosives or caps
 19 shall not be kept in the same box. Detonating explosives and detonators shall
 20 not be kept in the same box.

21 MANNER OF HANDLING. (c) Whenever a workman is about to open a box or
 22 keg containing powder or other explosive, and while handling the same, he shall
 23 place and keep his lamp at least five feet distant from said explosive, and in such

24 position that the air current can not convey sparks to it, and no person shall ap-
 25 proach nearer than five feet to any open box containing an open keg of powder
 26 or other explosive with a lighted lamp, lighted pipe or other thing containing
 27 fire. No miner, workman or other person shall open any receptacle containing an
 28 explosive except by the means of opening the same provided by the manufacturer
 29 thereof, and it shall be unlawful for any person to have in his possession in any
 30 mine any receptacle containing explosive which has been opened in violation of
 31 this Act. 3

32 QUANTITY OF POWDER IN ONE CHARGE. (d) The quantity of powder to be used
 33 in the preparation of shots shall not, in any case, exceed five (5) standard
 34 chargers full of powder in coal seams five and one-half ($5\frac{1}{2}$) feet or over in thick-
 35 ness; and shall not, in any case, exceed four (4) standard chargers full of powder
 36 in coal seams under five and one-half ($5\frac{1}{2}$) feet in thickness.

37 STANDARD CHARGER. (e) For the purpose of determining the quantity of
 38 powder to be used in the preparation of any given shot, a standard charger is de-
 39 fined and prescribed to be a cylindrical metallic charger not to exceed twelve
 40 (12) inches in length and not to exceed one and one-half ($1\frac{1}{2}$) inches in diameter.

41 DEAD HOLES. (f) No person shall drill or shoot a dead hole as hereinafter
 42 defined. A "dead hole" is a hole where the width of the shot at the point meas-
 43 ured at right angles to the line of the hole, is so great that the heel is not of
 44 sufficient strength to at least balance the resistance at the point. The heel means
 45 that part of the shot which lies outside of the powder.

46 In solid shooting, the width of the shot at the point, in seams of coal 6 feet
 47 or less in height, shall not be greater than the height of the coal, and in seams
 48 of coal more than 6 feet in thickness, the width of the shot at the point shall, in
 49 no case, be more than 6 feet.

50 In undercut coal, no hole shall be drilled "on the solid" for any part of its
 51 length.

52 MIXED SHOTS. (g) In no case shall more than one kind of explosive be used
 53 in the same drill hole.

54 COPPER TOOLS. (h) The needle used in preparing a blast shall be made of
55 copper, and any metallic tamping-bar or scraper shall be tipped with at least five
56 (5) inches of copper. A scraper shall not be used for tamping.

57 TAMPING. (i) Every blasting hole shall be tamped full from the explosive
58 to the mouth of the hole, and no coal dust or any material that is inflammable or
59 that may create a spark, whether the same shall be wet or dry, shall be used for
60 tamping.

61 USE OF SQUIBS. (j) When a squib is used to fire a shot it shall be unlawful
62 to shorten or oil the match of the squib or to ignite it except at the end.

63 WARNING BEFORE FIRING. (k) Before firing a shot, the person firing the
64 same shall see that all persons are out of danger from the probable effects of such
65 shot, and shall take measures to prevent any one approaching by shouting "fire"
66 before lighting the same.

67 NOT MORE THAN ONE SHOT AT A TIME. (l) Not more than one shot shall be
68 lighted at the same time in any working place unless the firing is done by elec-
69 tricity or by fuses of such length that the interval between the explosions of
70 any two shots shall be not less than one minute, and in no case shall any shot or
71 shots be fired or lighted which are termed depending or dependent shots, until
72 after the expiration of ten minutes from the successful firing of the relieving
73 shot or shots. When successive shots are to be fired in any working place in
74 which the roof is broken or faulty, the smoke shall be allowed to clear away and
75 the roof examined and made secure between shots.

76 MISSED SHOTS. (m) No person shall return to a missed shot, if lighted with
77 a squib, until five (5) minutes have elapsed from the time of lighting the same,
78 or, if lighted with fuse, until the following day; and no person shall return to a
79 missed shot when the firing is done by electricity unless the wires are disconnected
80 from the battery.

81 (n) No missed shot shall be withdrawn excepting by the use of copper-
82 tipped or wooden tools.

Sec. 20. (a) It shall be the duty of the Mine Manager:

2 1. To visit each working place in the mine at least once in two weeks.

3 2. To provide a suitable checking system whereby the entrance into and
4 departure from the mine of each employee shall be indicated.

5 3. To have the underground workings of the mine examined by a certificated
6 mine examiner within twelve hours preceding every day upon which the mine is
7 to be operated. Such mine examiner shall make the examination as provided in
8 this Act, and he shall enter his report thereof before the men are permitted to
9 enter the mine in the morning in a book provided for that purpose, which book
10 shall be kept in some convenient place on top, but not in the engine room or
11 office, for the information of the inspector and other persons interested therein.

12 4. To examine the mine examiner's report in the morning, and if working
13 places are reported dangerous, he shall withhold the entrance checks of men
14 working in such places until he has advised such men of the danger and in-
15 structed them not to work in such places until the reported danger has been
16 removed, except for the purpose of removing same.

17 5. When there is to be a night shift mining coal, the mine manager shall
18 require the places in which such night shift are expected to work to be examined
19 for gas, or falls or dangerous roof, by the person in charge of such night shift
20 or some competent person duly authorized by him before the men enter such places
21 for work. The night shift may go into the mine while the night examiner is in
22 the mine, excepting in mines where marsh gas has been detected in dangerous
23 quantities, provided they do not go into the working places until the required ex-
24 amination is made.

25 Certificated mine examiners shall not be required for the examination pre-
26 ceeding the night shift, excepting in mines where marsh gas is detected in danger-
27 ous quantities. The night examiner, or examiners, shall make a record of their
28 examination in a special book kept for that purpose, which shall be kept in
29 some convenient place on top when not in use by the examiner.

30 6. He shall provide a sufficient number of props, caps and timbers, when de-
31 manded, delivered on the miners' cars at the usual place, in suitable lengths and
32 dimensions for the securing of the roof by the miners.

33 7. He shall see that cross-cuts are made at proper distances apart, and that
34 the necessary doors, curtains, and brattices are provided to secure the men in the
35 mine the volume of air required by this Act, or by the written demands of the
36 mine inspector; also, that all stoppings along air-ways are properly and prompt
37 ly built.

38 8. He shall keep careful watch over all ventilating apparatus and the air
39 currents in the mine, and in case of accident to fan or machinery by which the
40 air currents are stopped or materially obstructed, he shall at once order the
41 withdrawal of the men from the mine and prohibit their return until the required
42 ventilation has been re-established.

43 9. He shall measure the air current or cause the same to be measured at
44 least once each week at the inlet and outlet, and shall keep a record of such meas-
45 urements for the information of the mine inspector.

46 10. He or his assistant shall, at least once each week, examine the roadways
47 leading to the escapement shaft or other openings for the safe exit of men to the
48 surface; and shall make a record of any obstructions to travel he may encounter
49 therein, together with the date of their removal.

50 11. He shall examine or designate a competent person to examine the hoist-
51 ing ropes, cages and safety catches every morning, and shall require the ropes to
52 be tested by hoisting the cages before the men are lowered.

53 12. He must see that the top man and bottom man are on duty and that
54 sufficient lights are maintained at the top and bottom landings when the miners
55 are being hoisted and lowered.

56 13. The mine manager or his assistant shall be at his post at the mine
57 when the men are lowered into the mine in the morning for work, and shall re-
58 main at night until all the men employed during the day shall have been hoisted
59 out.

60 14. He shall give special attention to and instructions concerning the
61 proper storage and handling of explosives in the mines.

62 15. He shall see that all dusty haulage roads are thoroughly sprinkled at
63 regular intervals designated by the mine inspector.

64 (b) The Mine Manager shall have power:

65 1. To instruct employees as to their respective duties and to require of ali
66 employees obedience to the provisions of the mining law.

67 2. To prescribe special rules concerning the proper storage and handling
68 of explosives in the mine and concerning the time and manner of placing and dis-
69 charging the blasting shots, and it shall be unlawful for any miner to fire shots
70 except according to such rules.

71 3. In mines in which the works are so extensive that all the duties devolving
72 upon the Mine Manager can not be dis charged by one man, competent persons
73 may be designated and appointed as assistants to the Mine Manager, who shall
74 exercise his functions under the Mine Managers' instructions.

Sec. 21. CERTIFICATED MINE EXAMINERS. (a) A certificated mine ex-
2 aminer shall be required at all coal mines. There shall be one or more addi-
3 tional certificated mine examiners whenever required in writing by the State
4 Mine Inspectors when the conditions are such as to make the employment of
5 such additional mine examiners necessary.

6 (b) It shall be the duty of the mine examiner:

7 1. To examine the underground workings of the mine within twelve hours
8 preceding every day upon which the mine is to be operated.

9 2. When in the performance of his duties, to carry with him a safety
10 lamp in proper order and condition and a rod or bar for sounding the roof.

11 3. To see that the air current is traveling in its proper course and in
12 proper quantity; and to measure with an anemometer the amount of air pass-
13 ing in the last cross-cut or break-through of each pair of entries, or in the last
14 room of each division in long-wall mines, and at all other points where he may
15 deem it necessary; and to note the results of such measurements in the mine
16 examiner's book kept for that purpose.

17 4. To inspect all places where men are required in the performance of their
18 duties to pass or to work, and to observe whether there are any recent falls or

19 dangerous roof or accumulations of gas or dangerous obstructions in rooms or
 20 roadways; and to examine especially the edges and accessible parts of recent
 21 falls and old gobs and air-courses.

22 5. As evidence of his examination of said rooms and roadways, to inscribe
 23 in some suitable place on the walls of each, not on the face of the coal, with
 24 chalk, the month and the day of the month of his visit.

25 6. When working places are discovered in which there are recent falls or
 26 dangerous roof or dangerous obstruction, to place a conspicuous mark or sign
 27 thereat as notice to all men to keep out; and in case of accumulation of gas, to
 28 place at least two conspicuous obstructions across the roadway not less than
 29 twenty feet apart, one of which shall be outside the last open cross-cut.

30 7. Upon completing his examination, to make a daily record of the same
 31 in a book kept for that purpose, for the information of the company, the in-
 32 spector and all other persons interested; and this record shall be made each
 33 morning before the miners are permitted to enter the mine.

34 8. To take into his possession the entrance checks of all men whose work-
 35 ing places have been shown by his examination and record to be dangerous, and
 36 to give such entrance checks to the mine manager before the men are permitted
 37 to enter the mine in the morning.

Sec. 22. It shall be the duty of the hoisting engineer:

2 1. To be in constant attendance at his engine or boilers at all times when
 3 there are workmen underground. Whenever it is the duty of the engineer to
 4 attend to the boilers, means for signaling from the shaft bottom to the boiler-
 5 room shall be provided.

6 2. He shall not permit any one except persons duly authorized to enter
 7 the engineroom, and he shall hold no communication with any officer of the
 8 company or other person while the engine is in motion or while his attention
 9 is occupied with the signals.

10 3. The engineer or some other properly authorized employee shall:

11 (a) Keep a careful watch over the engines, boilers, pumps, ropes and wind-
12 ing apparatus under his jurisdiction;

13 (b) see that the boilers under his care are properly supplied with water,
14 cleaned and inspected at frequent intervals;

15 (c) see that the steam pressure does not exceed the limit established by
16 the boiler inspector, and frequently try the try cocks and the safety valves and
17 shall not increase the weights on the same;

18 (d) see that the steam and water gauges are kept in good order, and if any
19 of the pumps, valves or gauges become deranged or fail to act, promptly report
20 the fact to the proper authority.

21 4. He shall thoroughly understand the established code of signals, and
22 when he has the signal that men are on the cage, he must operate his engine at
23 not to exceed the rate of speed permitted by this Act.

24 5. He shall permit no one to handle, except in the discharge of duty, or
25 meddle with any machinery under his charge or suffer any one who is not a
26 certificated engineer to operate his engine except for the purpose of learning to
27 operate it, and then only in the presence of the engineer in charge and when
28 men are not on the cage.

Sec. 23. SPECIAL RULES. (a) It shall be unlawful for any person know-
2 ingly or negligently:

3 1. To injure or tamper with any appliance or machinery;

7 3. To open any locked safety lamp without permission from the proper
8 authority;

9 4. To handle or disturb any part of the hoisting machinery without proper
10 authority;

11 5. To obstruct or cause any obstruction in any air current or to leave open
12 any door or other means provided to control the air current or to perform any
13 act that will interfere with the ventilating current of the mine without permis-
14 sion to do the same from the mine manager;

15 6. To deface, pull down or destroy any notice board, danger signal, special
16 rule or record book.

17 (b) No person shall be permitted to or shall enter or work in or about a
18 mine or mine buildings, tracks or machinery connected therewith while under
19 the influence of intoxicants;

20 (c) Every miner shall sound and thoroughly examine the roof of his work-
21 ing place before commencing work, and if he finds loose rock or other dangerous
22 conditions, he shall not work in such dangerous place except to make such dan-
23 gerous conditions safe. It shall be the duty of the miner to properly prop and
24 secure his place for his own safety with materials provided therefor.

25 (d) It shall be the duty of every operator to post at some conspicuous
26 point at the entrance to the mine, in such manner that the employees of the mine
27 can read them, rules not inconsistent with this Act, plainly printed in the Eng-
28 lish language, which shall govern all persons working in the mine. And the post-
29 ing of such notice, as provided, shall charge all employees of such mine with legal
30 notice of the contents thereof.

31 (e) It shall be unlawful for any person to disobey any order given in pur-
32 suance of this Act, or to enter any place against a danger signal without per-
33 mission from the mine manager, or to do any wilful act whereby the lives or
34 health of persons working in mines or the security of the mine or the machinery
35 thereof are endangered.

36 (f) No mine employee shall enter or leave a mine without indicating the
37 fact of entering or leaving said mine by some suitable checking system provid-
38 ed by and under the control of the mine manager.

39 (g) No person, except the persons necessary to operate the trip or car,
40 shall ride on any loaded car or on the outside of any car, or get on or off a car
41 while in motion.

42 (b) It shall be unlawful to change, exchange, substitute, alter or remove
 43 any number or check or other device or sign used to indicate or identify the per-
 44 son or persons to whom credit or pay is due for the mining of coal in any car
 45 or appliance containing the same, with intent to cheat or defraud any other per-
 46 son of the value of his services for mining the coal contained in such car or ap-
 47 pliance; and it shall be unlawful for a person with intent to cheat or defraud
 48 any other to place any number, check or other device or sign upon any car or
 49 other appliance loaded by any other person in or about the mine. Any violation
 50 of this provision shall be deemed a larceny, and upon conviction thereof shall be
 51 punishable as provided in the general statutes of Illinois with respect to larceny.

Sec. 24. TEN-FOOT LIMIT. (a) In no case shall the workings of any mine be
 2 driven nearer than 10 feet to the boundary line of the coal rights pertaining to
 3 said mine, except for the purpose of establishing an underground communica-
 4 tion between contiguous mines, as provided for elsewhere in this Act, or except
 5 by mutual agreement in writing between the adjoining owners.

6 APPROACHING ABANDONED WORKINGS. (b) Whenever any working place
 7 approaches within 50 feet of abandoned workings of which there is a map pre-
 8 pared as required by law and which may contain dangerous accumulations of
 9 water or of gas, the operator of said mine shall advance by workings not more
 10 than 20 feet wide and maintain in advance of the face a bore hole not less than
 11 10 feet in depth and one hole in each rib of the working place, 10 feet in depth,
 12 which side holes shall be drilled so as to make an angle of not less than forty-
 13 five degrees with the direction of the rib. If there is not a map of the abandoned
 14 workings, the holes heretofore provided for shall be drilled when the new work-
 15 ings are within 100 feet of where the old workings are supposed to be.

Sec. 25. DUTY OF INSPECTOR (a) Any loss of life or personal injury in
 2 or about any coal mine shall be reported without delay by the person having
 3 charge of said mine to the State Mine Inspector of the district in which the mine
 4 is located, and the said Inspector, in case of injury, if he deem necessary from

5 the facts reported, and in all cases of loss of life, shall go immediately to the
6 scene of said accident and render every possible assistance to those in need.

7 Every operator of a coal mine shall make or cause to be made and preserve
8 for the information of the State Mine Inspector, upon uniform blanks furnished
9 by said Inspector, a record of all deaths and all injuries sustained by any of his
10 employees in the pursuance of their regular occupations.

11 CORONER'S INQUEST. (b) If any person is killed in or about a mine, the op-
12 erator shall also notify the coroner of the county, or in his absence or inability

15 may question or cross-question any witness testifying at the inquest.

16 INVESTIGATION BY INSPECTION. (c) The State Mine Inspector shall make a
17 personal investigation as to the nature and cause of all serious accidents within
18 his jurisdiction. He shall make a record of the circumstances attending the
19 same, as developed by the coroner's inquest and his own personal investigation,
20 which record shall be preserved in the files of his office, and a copy thereof filed
21 with the State Mining Board. To enable him to make such investigation he shall
22 have power to compel the attendance of witnesses and to administer oaths or
23 affirmations to them, and the cost of such investigations shall be paid by the
24 county in which such accident has occurred, in the same manner as the costs of
25 coroner's inquests are paid.

SEC. 26. STRETCHERS AND BLANKETS. At every mine, it shall be the duty of
2 the operator thereof to keep always on hand, and at some readily accessible
3 place, a properly constructed stretcher, a woolen and waterproof blanket, and a

5 covering and carrying any one who may be injured at the mine. When 100 or
6 more men are employed in any mine, two stretchers and two woolen and two wa-
7 terproof blankets, with a corresponding supply of bandages, shall be provided

8 and kept on hand. At mines where fire-damp is generated, there shall also
 9 be provided and kept in store a suitable supply of linseed or olive oil, for use in
 10 case men are burned by an explosion.

SEC. 27. SCALES. (a) The operator of every coal mine where miners are
 2 paid by the weight of their output, shall provide at such mine suitable and accu-

 4 all coal so weighed, and said record shall be open at all reasonable hours to the
 5 inspection of miners and others interested in the product of said mine.

6 WEIGHMAN. (b) The person authorized to weigh the coal and keep the rec-
 7 ord as aforesaid shall, before entering upon his duties, make and subscribe to
 8 an oath before some person duly authorized to administer oaths, that he will
 9 accurately weigh and carefull keep a true record of all coal weighed, and such af-
 10 fidavit shall be kept conspicuously posted at the place of weighing.

11 CHECK WEIGHMAN. (c) The miners at work in any coal mine may employ
 12 a check weighman at their option and at their own expense, whose duty it shall
 13 be to balance the scales and see that the coal is properly weighed, and that a cor-
 14 rect account of the same is kept, and for this purpose he shall have access at all
 15 times to the beam box of said scales, and be afforded every facility for verifying
 16 the weights while the weighing is being done. The check weighman so employed
 17 by the miners, before entering upon his duties, shall make and subscribe to an
 18 oath before some person duly authorized to administer oaths, that he will faith-
 19 fully discharge his duties as checkwayman, and such oath shall be kept conspic-
 20 uously posted at the place of weighing.

SEC. 28. BOYS AND WOMEN. No boy under the age of sixteen years, and no
 2 woman or girl of any age, shall be permitted to do any manual labor in or about
 3 any mine, and before any boy can be permitted to work in any mine he must pro-
 4 duce to the Mine Manager or operator thereof an affidavit from his parent or
 5 guardian or next of kin, sworn and subscribed to before a justice of the peace
 6 or notary public, that he, the said boy, is sixteen years of age.

7 The parent, guardian or next of kin shall submit in connection with said af-
8 fidavit, a certificate of birth, a baptismal certificate, a passport or other official
9 or religious record of the boy's age or duly attested transcript thereof, which
10 certificate or transcript thereof shall, for the purposes of this Act, establish the
11 age of said boy.

12 Any person swearing falsely in regard to the age of a boy shall be guilty of
13 perjury, and shall be punished as provided in the general statutes of the State
14 pertaining to perjury.

 SEC. 29. PENALTIES. (a) Any wilful neglect, refusal or failure to do the
2 things required to be done by any section, clause or provision of this Act, on
3 the part of the person or persons herein required to do them, or any violation
4 of any of the provisions or requirements hereof, or any attempt to obstruct or
5 interfere with any inspector in the discharge of the duties herein imposed upon
6 him, or any refusal to comply with the instructions of an inspector given by au-
7 thority of this Act shall be deemed a misdemeanor punishable by a fine not ex-
8 ceeding five hundred dollars, or by imprisonment in the county jail for a period
9 not exceeding six months, or both, at the discretion of the court: *Provided*,
10 that in addition to the above penalties, in case of the failure of any operator to
11 comply with the provisions of this Act in relation to the sinking of escapement
12 shafts and the ventilation of mines, the State's Attorney for the county in
13 which such failure occurs, or any other attorney, in case of his neglect to act
14 promptly, shall proceed against such operator by injunction without bond, to re-
15 strain him from continuing to operate such mine until all legal requirements shall
16 have been fully complied with.

16½ (b) Any inspector who shall discover that any section of this Act, or part
17 thereof, is being neglected or violated, shall order immediate compliance there-
18 with, and, in case of continued failure to comply, shall have power to stop the
19 operation of the mine, or remove any offending person or persons from the mine
20 until the law is complied with.

21 (c) For any injury to person or property, occasioned by any wilful viola-
 22 tions of this Act, or wilful failure to comply with any of its provisions, a right
 23 of action shall accrue to the party injured, for any direct damages sustained
 24 thereby; and in case of loss of life by reason of such wilful violation or wilful
 25 failure as aforesaid, a right of action shall accrue to the personal representatives
 26 of the person so killed for the exclusive benefit of the widow and next of kin
 27 of such person and to any other person or persons who were, before such loss
 28 of life, dependent for support on the person or persons so killed, for a like re-
 29 covery of damages for the injuries sustained by reason of such loss of life or
 30 lives not to exceed the sum of ten thousand dollars; *Provided*, that every such ac-
 31 tion for damages in case of death shall be commenced within one year after the
 32 death of such person; *And, Provided further*, that the amount recovered by the
 33 personal representative of the person so killed shall be distributed to the widow
 34 and next of kin of such person in the proportion provided by law in relation to
 35 the distribution of personal property left by persons dying intestate. *Provided*,
 36 that if and whenever there shall be in force in this State, a statute or statutes
 37 providing for compensation to workmen for all injuries received in the course of
 38 their employment, the provisions thereof shall apply in lieu of the right of ac-
 39 tion for damages provided in this Act.

8 entered referring the same to one of the examiners of title appointed by the
9 registrar, who shall proceed to examine into the title and into the truth of the
10 matter set forth in the application, and particularly whether the land is occu-

32 *be sufficient evidence prima facie of the correctness of such copies; and said*
33 *copies, when so proven and certified as aforesaid, shall be admissible in evidence,*

36 *set forth shall be followed in, all pending cases, and in any pending cases in*
37 *which the proofs have been made at the time this Act goes into effect, the evi-*

g. To assume any name which shall indicate that it is a corporation distinguished from a natural person or partnership: *Provided*, such name is not that of another corporation, or similar thereto, that has been doing business in this State within five years prior thereto, unless the consent in writing of such existing corporation is previously filed with the Secretary of State.

h. To elect officers, define their duties and fix their compensation.

35 i. The agreement shall be signed by each subscriber to the stock to be

38 this State. Where stock is issued for anything except money, the actual value of
39 the property thus acquired must be fairly as great as that of the par value of the
40 stock issued therefor, otherwise, a liability to creditors for the difference shall
41 exist upon such stock.

Sec. 4. The agreement to form a corporation shall be filed in the office of
2 the Secretary of State and the fees for such incorporation, as hereinafter pro-
3 vided, shall be thereupon paid to such official.

4 The Secretary of State shall immediately thereafter examine such agree-
5 ment, and may require such amendment or additional information as may be
6 lawful. When he finds that the provisions of the agreement conform to this
7 Act, he shall issue a certificate of organization to the corporation, making a
8 part thereof, a copy of the agreement filed in his office, duly authenticated under
9 his hand and seal of State; and the same shall be recorded in a book for that
10 purpose in the office of the Recorder of Deeds in the county where the prin-
11 cipal office of such corporation is located. Upon filing such certificate and
12 copy for record, the corporation shall be deemed fully organized, and may pro-
13 ceed to business by the name set forth in the certificate. If the persons sign-
14 ing such agreement transact any business or incur liabilities as a corporation

15 before recording such certificate and copy, they shall be jointly and severally
16 liable for any indebtedness or liabilities incurred before said papers have been
17 recorded.

Sec. 5. Every corporation may determine by its by-laws the time and place
2 within this State of holding and the manner of conducting the meeting of its
3 stockholders. Meetings of the directors may be held at such places within or
4 without this State as may be provided by the by-laws: *Provided*, the officers
5 shall be elected annually, and the directors may be divided into classes and
6 each class be elected for a period not exceeding three years, as may be fixed
7 by the by-laws. The number of directors, the number of stockholders, and
8 directors necessary to constitute a quorum, the manner of calling regular and
9 special meetings of stockholders and of directors, and the creation of an execu-
10 tive committee, number of members thereof and the duties delegated to it, may
11 be provided for by the by-laws. The by-laws may also contain such other reason-
12 able provisions as the nature of the corporate business may require, and which
13 are not inconsistent with the laws of this State.

Sec. 6. The corporate powers shall be exercised by the Board of Directors,
2 and each member thereof shall hold office for the period of one year from the
3 date of the annual meeting of the stockholders, and until their successors are
4 chosen: *Provided*, that it shall be lawful for the stockholders, at the annual
5 meeting thereof, by resolution, to divide the Board of Directors into three
6 classes, numbered consecutively, the term of office of the first class to expire on
7 the day of the annual election of such corporation next ensuing, the second
8 class one year thereafter, and the third class two years thereafter. At each
9 annual election, after such classification, the stockholders shall elect, for a term
10 of three years, a number of directors equal to the number of the class whose
11 term expires on the day of such election. All other vacancies, except in the
12 Board of Directors, may be filled in accordance with the provisions of the by-
13 laws.

14 Any meeting of the Board of Directors shall be legal, if all members of the
15 board are present and consent to such meeting being held, or by a writing
16 which is made a part of the records of the meeting, waive notice thereof.

Sec. 7. The shares of stock shall be deemed personal property, and trans-
2 ferable on the books of the corporation in the manner provided by the by-laws,
3 and subscriptions therefor shall be made payable to the corporation, and
4 shall be payable in such installments and at such time as shall be deter-
5 mined by the directors; and any action may be maintained, in the name of the
6 corporation, to recover any portion of an installment which shall remain due
7 and unpaid for the period of twenty days after personal demand therefor, or for
8 a like period after a written demand has been deposited in the postoffice,
9 properly addressed to the postoffice address of the stockholder. The directors
10 may, by by-laws, prescribe other penalties for a failure to pay installments that
11 may become due; but no penalty working a forfeiture of stock, or the amounts
12 paid thereon, shall be declared, as against any estate before distribution shall
13 have been made, or against any stockholder before personal or written demand
14 has been made, as above provided. In the event of the sale of the shares by
15 reason of any forfeiture, the surplus over the amount due on such shares
16 shall be paid to the delinquent stockholder or his legal representatives.

Sec. 8. Every certificate for stock shall state the number of shares, the
2 name of the holder and whether or not such shares have been fully paid up.
3 If not fully paid, the stock certificate shall be legibly stamped with the words,
4 "..... per cent paid up," and as further payments are made there-
5 on, the certificate shall be stamped accordingly. No stock shall be issued at
6 any time unless the cash, so far as due, or the property for which it was
7 authorized to be issued, has been actually received by the corporation; and it
8 shall be the duty of every officer and director signing or issuing or authorizing
9 the issuance of any stock to endeavor in good faith, to ascertain, before it is

issued, the manner in and the extent to which such stock has been paid. If any officer or director shall sign or issue or cause to be issued a certificate containing any false statement knowing the same to be false, or without such knowledge, if he shall not have endeavored in good faith to have ascertained the facts, he shall be liable to any person injured for all damages occasioned thereby.

Sec. 9. The certificate of stock issued by a corporation may be transferred by endorsement and delivery. The delivery of a certificate of stock to a *bona fide* purchaser or pledgee for value, together with a written transfer of the same or written power of attorney to sell, assign and transfer the same, signed by the owner of the certificate, shall be a sufficient delivery to transfer the title of the shares represented by such certificate, against all parties. No transfer shall affect the right of the corporation to treat the holder of record on the books of the corporation as the holder in fact, until such transfer is recorded or a new certificate issued to the person to whom it has been so transferred. Every assignee or transferee of stock shall be liable to the corporation for the amount unpaid thereon; or in the event of the insolvency of the corporation, to its creditors to the extent and in the same manner as if he had been the original subscriber or holder thereof, and as such had only paid the amounts theretofore received by the corporation on account of such stock: *Provided*, he had notice that the stock was not fully paid when he received it.

Sec. 10. No corporation shall take as security for any debt, a lien upon any of its shares of stock, or be the holder or purchaser of any part thereof, after the same has been issued to a stock subscriber or holder, unless such lien or purchase shall be necessary to prevent loss upon a debt previously contracted, except as hereinafter provided.

Sec. 11. No stock shall be voted on at any election, which shall have been transferred on the books of the company within twenty days next preceding each election; and it shall be the duty of the officer having charge of

4 the transfer books, upon a written request from any stockholder, to prepare and
 5 make, at least ten days before every election, a complete list of the stockholders
 6 entitled to vote, arranged alphabetically, together with the number of shares held
 7 by each. Such list shall be open at the principal office or place of election dur-
 8 ing the whole time thereof, and subject to the inspection of any stockholder

9 Upon the refusal of the official whose duty it may be to produce such list
 10 at any election, he shall be ineligible to any office at such election. The stock
 11 ledger, or transfer book, of the company shall be the only evidence as to who
 12 are the stockholders entitled to examine such list or the books and accounts of
 13 the corporation or to vote, in person or by proxy, at any election. The books
 14 kept for transferring stock and the names and addresses of the stockholders
 15 shall, during the usual business hours, be open to examination for all proper
 16 purposes by every stockholder, at its principal office or place of business in this
 17 State, and such books and certified copies thereof shall be competent evidence in
 18 all courts in this State. In all elections for directors, every stockholder shall
 19 have the right to vote in person, or by proxy, the number of shares standing in
 20 his name on the books of the corporation for as many persons as there are direc-
 21 tors to be elected, or to cumulate such shares and give one candidate as many
 22 votes as the number of directors multiplied by the number of his shares of stock
 23 shall equal; or to distribute them on the same principle, among as many candi-
 24 dates as he shall think fit.

Sec. 12. Any officer or director who prevents access to the books and records
 2 mentioned in the foregoing section shall be liable to the party denied such ac-
 3 cess, in a penalty equal to ten per centum of the par value of the stock owned
 4 by such party, recoverable by him in an action at law in any court of compe-
 5 tent jurisdiction.

Sec. 13. There shall be an annual meeting of the stockholders held within
 2 ninety days after the end of the fiscal year of the corporation. A written or
 3 printed notice, stating the place, day and hour of the meeting, shall be mailed

4 by the secretary of the corporation, at least ten days before such meeting, to
 5 each stockholder, at his residence or place of business, as such address appears
 6 upon the books of the corporation. The holders of a majority of all the stock is-
 7 sued, outstanding and entitled to vote, shall constitute a quorum.

8 Notice of all special meetings of the stockholders shall state the purpose for
 9 which the meeting is called. Special meetings of the stockholders may be
 10 called by the president, or by a majority of the Board of Directors, or by stock-
 11 holders holding one-fifth of the stock issued and outstanding, upon giving to each
 12 stockholder at least ten days' notice, in the manner prescribed for annual meet-
 13 ings. No corporation shall, directly or indirectly, vote or permit to be voted
 14 any stock unissued. No stock upon which any installment is due and unpaid at
 15 the time of the annual election, or of a special meeting of the stockholders,
 16 can be voted at such election or meeting until all arrears have been paid.
 17 Shareholders may be represented by proxies granted not more than sixty days
 18 before the meeting is held at which they are voted.

19 The owner of shares shall be recognized as such as long as he has not ab-
 20 solutely transferred his interest therein; and no pledge or person claiming a lien
 21 upon such stock shall be recognized as possessed of voting power, unless such
 22 voting power has been specially conferred in writing.

Sec. 14. No person holding stock as executor, administrator, conservator,
 2 guardian, trustee or pledgee shall be personally liable as a stockholder; but
 3 the owner of the legal title thereto, or his estate, shall be so liable.

Sec. 15. Every executor, administrator, conservator, guardian or trustee
 2 may vote the stock in his hands at all meetings of the corporation.

Sec. 16. Dividends to stockholders shall only be made from the surplus or
 2 net profits arising from the business of the corporation. All directors and officers
 3 by whose votes a dividend is declared upon the capital stock in excess of the net
 4 profits, or a division of the assets of the corporation is made, so that the stock-

5 holders, or any of them, receive any part of the capital stock, or of the assets rep-
 6 resenting the capital stock, shall be jointly and severally liable to the amount of
 7 the capital or assets so distributed for all the debts of such corporation then
 8 existing and for all that may thereafter be contracted while they, respectively,
 9 continue in office, until the capital or assets so distributed is restored.

Sec. 17. Any corporation may change the par value of the shares without
 2 changing the amount of its capital, by a two-thirds vote of the stock outstand-
 3 ing, at any annual meeting of the stockholders, or at a special meeting called for
 4 that purpose.

Sec. 18. Whenever the Board of Directors of a corporation may desire to
 2 change the name, place of business, enlarge or change the object for which such
 3 corporation was formed, extend the period of its existence, increase or decrease
 4 its capital stock, create more than one class of stock, increase or decrease the
 5 number of directors, or lease, exchange or sell all or part of the corporation
 6 assets other than merchandise, consolidate with another corporation or corpora-
 7 tions, or wind up the corporation, they may call a special meeting of the stock-
 8 holders of such corporation for the purpose of submitting to a vote of the stock-
 9 holders such proposition or propositions, as the case may be.

10 No name shall be assumed or adopted which is similar to or liable to be
 11 mistaken for the name of any other corporation that has been doing business in
 12 this State within five years prior to the date of such proposed change, unless the
 13 consent in writing of such existing corporation is previously filed with the Secre-
 14 tary of State; nor shall a change of the place of doing business within this State
 15 be made from any town, county or municipality where such town, county or
 16 municipality, or any of the inhabitants thereof, or any person or persons inter-
 17 ested therein, shall have donated or in any manner contributed any money or
 18 other valuable thing to induce such corporation to locate in such town, county or
 19 municipality, until the money or other property, or the cash value thereof, is
 20 returned to such donor or contributor.

Sec. 19. The special meeting provided for in the foregoing section shall be
2 called in the same manner as elsewhere prescribed in this Act for calling special
3 meetings of stockholders; and the stock may be voted by the holder thereof in
4 person or by proxy. If such proposed action shall be supported by a two-thirds
5 vote of all the stock then outstanding, a petition reciting such action and
6 the vote by which the same was adopted, and asking that such change
7 be authorized, shall be signed and verified by the president and filed
8 in the office of the Secretary of State. The Secretary of State may
9 require such amendments, alterations, or corporate action as may be
10 lawful. Upon such petition being approved by the Secretary of State, he
11 shall issue a certificate authorizing the changes requested and shall attach to
12 such certificate a copy of the petition therefor, and of all other papers relating
13 thereto. Upon the filing of such certificate and attached copies for record in the
14 office of the recorder of deeds of the county in which the principal office of such
15 corporation is located, the changes so certified shall be authorized: *Provided*,
16 that if such change increases the capital stock, or creates a new corporation with
17 a capital stock greater than that of the corporations consolidated, the fees for
18 such increase shall accompany the petition; and in all other cases the fees pro-
19 vided in this Act shall be paid in advance of any action by the Secretary of State.
20 No such proceeding shall affect any cause of action in favor of or against such
21 corporation, or any pending suit in which such corporation shall be a party, nor
22 the rights of persons in any particular, nor shall suits brought against such
23 corporation by its former name be abated for that cause.

Sec. 20. Every corporation may create two or more classes of stock with
2 preference as to dividends and distribution among stockholders. The provis-
3 ions therefor shall be contained in the agreement of association, or in an amend-
4 ment to such agreement, authorized by the vote of all of the stockholders as
5 provided herein.

Sec. 21. A stockholder in an Illinois corporation shall not be held liable for the debts thereof, because of the unpaid portion of his stock liability, until the corporation has been adjudged bankrupt, or an execution upon a judgment or decree of a court of record for the payment of money, after demand made by the officer, has been returned—"no property found,"—or has remained unsatisfied for ten days after such demand, or the corporation has dissolved or ceased doing business, leaving debts unpaid. After such adjudication of bankruptcy, or after the execution has been so returned, or after ten days subsequent to such demand, or after such dissolution or cessation of business, the secretary or other officer of the corporation who has charge of the stock records of the corporation, upon request of any creditor of the corporation, or his attorney, shall furnish to him a certified list of the names and postoffice addresses of all persons who were stockholders in such corporation at the time when the liability to be enforced against them personally accrued; also, with the number of shares held by each stockholder and the amount remaining unpaid by their respective shares, together with the names and post office addresses of all of the officers and directors of the corporation. In case of the failure or refusal to furnish such list within three days after such demand, a petition may be presented to the judge of any court of general jurisdiction of the county in which the principal office of such corporation is located; and he shall have jurisdiction, after two days' notice has been given such secretary or officer, to enter an order directing the delivery of such list; and a failure to comply with such order may be treated as a contempt of such court and punishment accordingly inflicted. After an adjudication of bankruptcy, or after an execution has been so returned, or has remained unsatisfied for more than ten days after a demand made, or after such dissolution or cessation leaving debts unpaid, any creditor may bring suit in equity, in any court having general jurisdiction in the county in which the principal office of the corporation is located, in behalf of himself and of all other creditors of the corporation, against all persons who were stockholders at the time or liable

30 in any way for the debts of the corporation, by joining the corporation in
 31 such suit; and each stockholder may be required to pay his *pro rata* share of
 32 such debts or liabilities, to the extent of the unpaid portion of his stock; and if
 33 any stockholder shall not have property enough to satisfy his portion of such
 34 debts or liabilities, then the amount shall be divided among all the remaining
 35 solvent stockholders; and courts of equity shall have full power to dissolve or
 36 close up the business of any corporation in default, appoint a receiver there-
 37 for, who shall have authority, by the name of such corporation (giving the name)
 38 to sue in all courts and do all things necessary to close up its affairs, as command-
 39 ed by the decree of such court. Such receiver shall be in all cases a resident of the
 40 State of Illinois, and shall be required to enter into bonds, payable to the People
 41 of the State of Illinois, for the use of the parties interested in such penalty and
 42 with such sureties as the court may, in the order or decree appointing the same,
 43 require.

44 In all cases of suits for or against such receiver or the corporation of which
 45 he may be receiver, writs may issue in favor of such receiver or corporation,
 46 or against him or it, from the county where the cause of action accrued to the
 47 sheriff of any county in this State for service. Such court may, without waiting
 48 until the assets have been exhausted, make such orders concerning the unpaid lia-
 49 bility of stockholders, either as to payment of installments or otherwise, as may
 50 seem equitable.

Sec. 22. All creditors shall file proofs, under oath, of their respective claims
 2 against the corporation with the clerk of the court in which the suit mentioned in
 3 the foregoing section is pending, within such time as the court shall direct; and
 4 all creditors and claimants failing to do so, within the time so limited, may, by
 5 direction of the court, be barred from participating in the distribution of the
 6 assets of the corporation; the court may also prescribe what notice, by publica-
 7 tion or otherwise, shall be given to creditors of the time fixed for the filing and
 8 making proof of their claims.

Sec. 23. If the indebtedness of any stock corporation shall exceed the
2 amount of its capital stock then outstanding, the directors and officers of such
3 corporation holding office at the time such excess debt was contracted shall be
4 personally and individually liable for such excess to creditors of such corpora-
5 tion.

Sec. 24. Before the payment of any part of the capital, and before begin-
2 ning the business for which the corporation was created, the incorporators named
3 in any certificate of incorporation may surrender all of their corporate rights
4 and franchises by filing in the office of the Secretary of State a certificate, veri-
5 fied by the oath, or affirmation, of a majority of the incorporators who signed the
6 agreement to form the corporation, that no part of the capital has been paid and
7 such business has not been begun, and surrender all rights and franchises, and
8 thereupon the said corporation shall be dissolved.

Sec. 25. Any corporation organized under this Act shall forfeit all rights.
2 privileges and franchises thereunder, if it shall fail, for two years after its
3 organization, to commence, in good faith, the business or to promote the ob-
4 jects or purposes for which it was organized.

Sec. 26. Copies of all articles of incorporation and changes thereof, certi-
2 fied by the Secretary of State, or by the recorder of deeds of the county in which
3 the same have been recorded, shall be taken and received in all courts and places
4 as *prima facie* evidence of the facts therein stated.

Sec. 27. All corporations organized under the laws of this State, whose
2 powers may have expired by limitation or otherwise, shall continue their cor-
3 porate capacity during the term of two years, for the purpose only of collecting
4 debts due said corporation and selling and conveying the property and effects
5 thereof.

Sec. 28. The dissolution, for any cause whatever, of any corporation, shall
2 not take away or impair any remedy given against such corporation, its offi-
3 cers or stockholders, for any liabilities incurred previous to its dissolution:
4 *Provided*, suit therefor is brought and service of process had within two years
5 after such dissolution.

Sec. 29. If any person or persons, being or pretending to be, an officer or
2 agent or board of directors of any stock corporation, or pretended stock cor-
3 poration, shall assume to exercise corporate powers, or use the name of any such
4 corporation or pretended corporation, before it has been authorized to do bus-
5 iness, as prescribed in this Act, then they shall be jointly and severally liable
6 for all debts and liabilities made by them and contracted in the name of such
7 corporation or pretended corporation, and suits at law may be prosecuted ther-
8 for by creditors individually.

Sec. 30. In all cases where it is not otherwise provided by the by-laws, the
2 meetings of the stockholders and directors of every corporation incorporated
3 under the laws of this State shall be held at its principal office in this State.
4 Every corporation, whether incorporated under the laws of this State or else-
5 where and doing business within this State, shall maintain an office or place of
6 business in this State, and have an agent resident of this State in charge thereof.

Sec. 31. Any corporation organized under the laws of this State may invest
2 its surplus funds in the shares of stock or bonds of any other corporation or cor-
3 porations and may exercise all the rights, powers and privileges of ownership
4 thereof: *Provided, however*, that it is prohibited for a corporation to purchase
5 or attempt to purchase the shares of the capital of any other corporation for
6 the purpose of regulating or controlling the price or limiting the quantity of
7 any service, commodity or merchandise, manufactured, mined, produced or sold
8 in this State.

Sec. 32. Every corporation, whether incorporated under the laws of this State or under the laws of another state, territory or government and having a place and doing business in this State, shall, on or before the first day of February next, and annually thereafter, prepare and file with the Secretary of State a report of its condition, which shall be signed and sworn to by its president, treasurer or other proper officer, stating:

1. The name of the corporation, when and where incorporated.
2. The location (with street address) of its principal office in this State, and elsewhere, in case of a corporation organized to do business outside of this State.
3. Total amount of its authorized capital stock.
4. Total amount of its capital stock outstanding on December 31st, preceding each report.
5. The classes (if more than one) into which the capital stock is divided, par value of such shares and amount paid to such corporation upon each class of stock prior to December 31st preceding such report, and the manner of such payment.
6. The names and addresses of all officers and directors of the corporation, and the date at which the term of office of each expires.

39 The Secretary of State may require additional information upon the fore-
 40 going subjects, if he so determines, before accepting and filing such report. If
 41 a corporation has less than one hundred stockholders, or has printed and mailed
 42 to each of its stockholders a statement of assets and liabilities, substantially
 43 in the foregoing form, it need not file such a statement of assets and liabilities
 44 as is herein required as a part of its annual report, but may file in lieu thereof
 45 and as a part of said annual report, an affidavit of its president or vice-presi-
 46 dent, attested by its secretary, or other proper officer, and sworn to by both said
 47 officers before a Notary Public, stating that said corporation has less than one
 48 hundred stockholders, or that such statements of assets and liabilities were
 49 mailed to each stockholder, and stating the date of such mailing, and giving a
 50 form of such statement, but without the amounts. When a corporation has com-
 51 plied with the requirements of this section and paid the fees required by this
 52 Act, no other report shall be required.

53 The Secretary of State shall publish such report in convenient book form
 54 during the month of May of each year, and each corporation so reporting shall
 55 be entitled to a copy upon request therefor.

Sec. 33. The fees for examining and filing the agreement to form a corpora-
 2 tion and issuing a certificate of organization thereon, shall be fifty dollars for a
 3 corporation having an authorized capital stock of \$5,000; for each \$1,000 of the
 4 capital stock authorized over \$5,000, fifteen cents; for examining and filing an
 5 application for permission to change the name, place of business, enlarge or

 17 where, twenty dollars. Such sum shall accompany the annual report of each
 18 corporation required to make a report by the provisions of this Act.

Sec. 34. Railroads, banking corporations, insurance companies, cemeter-
 2 ies, religious, charitable or educational corporations and those not incorporated
 3 for profit, shall not be required to make annual reports of the character stated
 4 in the foregoing section.

Sec. 35. Any two or more corporations organized under the laws of this
 2 State, for the purpose of carrying on any kind of business of the same or a
 3 similar nature, may consolidate into a single corporation, which may be either
 4 one of such consolidating corporations or a new corporation to be formed by
 5 means or for the purpose of such consolidation. To accomplish this, the direct-
 6 ors of such corporations as desire to consolidate may pass a resolution prescrib-

7 ing the terms and conditions of consolidation, the mode of carrying the same into
 8 effect, and the manner of converting the shares of the old corporation into the
 9 new, with such other details and provisions as are deemed necessary, and shall
 10 submit the same to a regular or special meeting of the stockholders.

11 Written or printed notice of the time and place of meeting to consider and
 12 take action upon such resolution shall be mailed to the last known post office
 13 address of each stockholder of each corporation, at least ten days prior to the date
 14 fixed for such meeting, and such notice shall be published prior to the time of
 15 such meeting, for at least two weeks, in some newspaper printed and circulated
 16 in the county of this State within which the principal place of business of each
 17 corporation is located. The records of such meetings must show that the propo-
 18 sition to enter into such consolidation was affirmatively carried by the votes of
 19 the stockholders controlling more than two-thirds of all of the capital stock of
 20 such corporation then outstanding; and a petition containing a full copy of the
 21 records of such proceedings, signed and verified by the president of each such
 22 corporations, shall be filed in the office of the Secretary of State.

23 Upon such petition being approved by the Secretary of State he shall issue
 24 a certificate authorizing such consolidation, and shall attach to such certificate a

 26 such certificate and attached copies of record, or certified copies thereof, in the
 27 offices of the recorder of deeds of the counties in which the principal offices of the
 28 respective corporations are located, such consolidation shall be effected.

Sec. 35 When the certificate and attached copies mentioned in the forego-
 2 ing section have been filed for record as therein required, the separate existence
 3 of the constituent corporations shall cease, and the consolidated corporations
 4 shall become a single corporation, in accordance with the terms and provisions of
 5 the resolution so adopted and approved; and such single corporation shall there-
 6 upon and thereafter possess all the rights, privileges, powers and franchises, as

7 well of a public or of a private nature and such other powers as may be stated in
 8 such proceedings, and all property, real, personal and mixed, and all debts due
 9 on whatever account, as well as for stock subscriptions and all other things in
 10 action of, or belonging to, each of such corporations, and be subject to all the
 11 restrictions, liabilities and duties of each of such corporations as consolidated;
 12 and all property, rights, privileges, powers and franchises and all and every
 13 other interest shall be thereafter as effectually the property of the consolidated
 14 corporation as they were of the several and respective former corporations, and
 15 the title to any real estate, whether by deed or otherwise, under the laws of this
 16 State, vested in either of such corporations, shall not revert or be in any way im-
 17 paired by reason of this Act: *Provided*, that all rights of creditors and all liens
 18 upon the property of either of said former corporations shall be preserved un-
 19 impaired, and all debts, liabilities and duties of the respective former corpora-
 20 tions shall thenceforth attach to said consolidated corporation, and may be en-
 21 forced against it to the same extent as if said debts, liabilities and duties had
 22 been incurred or contracted by it.

Sec. 37. Any action or proceeding pending by or against either of the cor-
 2 porations consolidated may be prosecuted to judgment, as if such consolidation
 3 had not taken place, or the new corporation may be substituted in its place.

Sec. 38. If any stockholder in either corporation consolidating as aforesaid,
 2 who objected thereto in writing at the meeting of the stockholders to vote upon
 3 such resolution, shall within twenty days after the certificate of consolidation
 4 has been filed for record, as above specified, demand in writing from the consol-
 5 idated corporation payment of his stock, such consolidated corporation shall
 6 within three months thereafter pay to him the value of the stock at the date of
 7 consolidation.

8 On receiving payment therefor, such stockholder shall transfer his stock to
 9 the consolidated corporation, to be disposed of by the directors thereof as they

10 may determine. If any stockholder, or if his legal representative, in the event
 11 of his death or disability, fails to file such written dissent, he shall be absolutely
 12 bound by the terms of such consolidation.

Sec. 39. When two or more corporations are consolidated, the consolidated
 2 corporation shall have power and authority to issue bonds or other obligations
 3 negotiable or otherwise, and with or without coupons or interest certificates at-
 4 tached, to an amount sufficient with its capital stock to provide for all the pay-
 5 ments it will be required to make, or obligations it will be required to assume, in
 6 order to effect such consolidation; to secure the payment of such bonds and
 7 obligations it shall be lawful to mortgage its corporate franchises, rights, priv-
 8 ileges and property, real, personal and mixed; and may issue shares of stock to
 9 such an amount as may be necessary, to the stockholders of such consolidated
 10 corporation in exchange or payment of the original shares, in the manner and
 11 on the terms specified in the resolution of consolidation.

Sec. 40. Whenever any corporation organized under the laws of this State
 2 shall become insolvent, the employees doing labor or services of whatever char-
 3 acter in the regular employ of such corporation shall have a lien upon the assets
 4 thereof for the amount of the wages due to them, not exceeding two months'
 5 wages, respectively, which shall be paid prior to any other debt or debts of said
 6 corporation; but the word "employees" shall not be construed to include any of
 7 the officers of such corporation.

Sec. 41. No foreign corporation of the character described in Section 1 of
 2 this Act, not now licensed to do business in this State, shall have the right to do
 3 so unless and until it shall have filed with the Secretary of State a certified copy
 4 of its charter and paid to the Secretary of State the sum of twenty-five dollars,
 5 and designated some person as its agent or representative in this State on whom
 6 service of legal process may be had if desired; and thereupon the Secretary of

7 State shall issue a certificate that such corporation has duly complied with the
 8 laws of this State and is authorized to do business therein and such certificate
 9 shall be taken by all courts in this State as evidence that such corporation is
 10 entitled to all the rights and benefits of this Act; and such corporation, and those
 11 now licensed to do business in this State, shall enjoy the same rights and bene-
 12 fits as corporations of like character organized under the laws of this State, so
 13 long as it and they make the reports, pay the fees and otherwise comply with the
 14 laws of this State. *Provided*, the period of such permission does not exceed
 15 ninety-nine years, nor the limit of its corporate existence; and such limit shall
 16 be stated in such certificate.

17 Such corporation shall thereafter, and those now licensed to do business in
 18 this State shall hereafter, be subject to all liabilities, restrictions, duties and
 19 penalties which are or may be imposed upon corporations of like character or-
 20 ganized under the laws of this State; and shall have no other or greater powers
 21 or be permitted to engage in this State in any business prohibited to a corpora-
 22 tion organized under the laws of Illinois; nor shall it hold real estate in this State
 23 except such as may be necessary and proper for carrying on its legitimate busi-
 24 ness.

25 If the authorized capital stock of such a corporation is increased after it
 26 has complied with this Act, or after this Act becomes a law, a certified copy of
 27 the certificates or other authorization document issued by the authorities of the
 28 State where such increase was granted, shall be filed with the Secretary of this
 29 State within sixty days after such increase is authorized, and the fee of ten dol-
 30 lars for such increase shall accompany such certificate or document.

Sec. 42. Every foreign corporation doing business continuously in this
 2 State, and fully complying with all the laws of this State relating to such cor-
 3 porations, shall be entitled to the benefit of all provisions of law relating to
 4 limitations of actions, the same as corporations organized under the laws of this
 5 State. Whenever any action is brought in this State by a citizen or corporation

6 thereof, to recover any indebtedness or claim against a corporation organized
 7 under the laws of any other State, territory or government, it shall be compe-
 8 tent to proceed against any one or more stockholders of such corporation at
 9 the same time to the extent of the balance unpaid by such stockholders upon the
 10 stock owned by them respectively, whether called in or not, as in cases of gar-
 11 nishment.

Sec. 43. No foreign corporation doing business in this State without a li-
 2 cense shall be permitted to sustain any suit in law or in equity in any of the
 3 courts of this State upon any demand, whether arising out of contract or tort;
 4 and all such corporations shall be liable, by reason thereof, to a penalty of not
 5 less than two hundred and fifty dollars nor more than one thousand dollars, to
 6 be recovered in any court of competent jurisdiction, in a civil action, to be begun
 7 and prosecuted by the Attorney General of this State.

Sec. 44. If any corporation of this State, or any foreign corporation doing
 2 business in this State, shall fail to file its report, as required by Section 32 of this
 3 Act, within the time therein limited, or to pay to the Secretary of State the fees
 4 required by Section 33 of this Act, the Secretary of State shall notify such cor-
 5 poration of such default, by mailing a notice addressed to the place of business
 6 in this State of such corporation, and unless such report and fees, together with
 7 the sum of two dollars, shall be paid on or before the first day of March follow-
 8 ing, such corporation shall, after said date, be liable to a penalty in an amount
 9 equal to five dollars for each day thereafter while such default continues; and
 10 after said first day of March such default shall be reported by the Secretary of
 11 State to the Attorney General for the collection of the fees due the Secretary
 12 of State and the penalty for failing to make such report and payment.

Sec. 45. The fees and penalties due from or incurred by any corporation
 2 required by this Act to make the report mentioned in Section 32 of this Act, and
 3 pay the fees mentioned in Section 33 of this Act, and the penalties prescribed in

4 this Act, may be recovered in a suit in equity brought by the Attorney General
 5 against such defaulting corporation in any court having general jurisdiction;
 6 and the court may issue its injunction restricting such corporation from fur-
 7 ther doing any business in this State until such report is filed and all fees and
 8 penalties have been paid, together with the costs of such suit. The moneys re-
 9 covered in such proceedings shall be paid to the State Treasurer as a part of the
 10 revenues of the State.

Sec. 46. If any report or statement made or public notice given by the offi-
 2 cers, or any of them, of a corporation shall be false in any material particular,
 3 statement or representation, all of the officers who have signed the same, know-
 4 ing it to be false, shall be jointly and severally liable for all damages arising
 5 therefrom

Sec. 47. If any officer of a corporation required by this Act to make a re-
 2 port under oath to the Secretary of State shall, in such report, wilfully and
 3 knowingly make any false statement, he shall be guilty of perjury; and if any
 4 such corporation shall neglect or refuse to make the annual report required by
 5 this Act within the time herein fixed, the Secretary of State shall ascertain the
 6 amount of the authorized capital stock of such corporation in such manner as
 7 may be deemed by him most practicable, and fix the amount to be paid upon the
 8 basis of authorized capital, instead of the amount of stock outstanding on the
 9 preceding December 31st at a sum equal to 15 per cent of the par value of such
 10 stock; and the amount so fixed by him, together with an additional penalty
 11 equal to ten per centum of the amount so fixed, shall be recovered by the Attor-
 12 ney General in the manner provided in Section 45 of this Act.

13 If any corporation shall fail to make the annual reports and pay the fees
 14 herein required for two successive years, such failure shall *ipso facto* termin-
 15 ate all rights of such corporation to do business within this State after July 1st
 16 following such default.

Sec. 48. All proceedings against any domestic corporation to forfeit its
 2 charter, or to oust or restrain it from the exercise of all or of any corporate
 3 franchise powers, or from exceeding or abusing its charter powers, or from
 4 conducting its business fraudulently or unlawfully, or against any foreign
 5 corporation to cancel its license to do business in this State, or to
 6 oust or restrain it from the exercise of all or any corporate fran-
 7 chises or powers, or from exceeding or abusing its powers under its
 8 license to do business in this State, or from doing business in
 9 this State without a license or after its license has expired, or from conducting
 10 its business in a fraudulent or unlawful manner, shall be brought and prose-
 11 cuted by the Attorney General in the name of the People of the State of Illinois
 12 by a bill or petition in equity; but no such bill or petition shall be filed until
 13 such corporation has first been given five days' written notice, that at a time
 14 and place stated in such notice such corporation may appear before the Attor-
 15 ney General and show cause why he should not bring such suit against it. And
 16 upon such bill or petition being filed, the suit shall proceed as other suits in chan-
 17 cery, and the court shall have the power to grant full, or partial ouster, or such re-
 18 straining order, or injunction, as the rights of parties shall require, and also to
 19 impose such penalty, if any, as the court may deem just.

Sec. 49. Any corporation heretofore incorporated under the laws of this
 2 State for the purpose of doing any of the classes of business authorized by
 3 Section 1 of this Act, are hereby declared to be legally organized and clothed
 4 with all rights of ownership and control of the real and personal property now
 5 possessed by them, to the same extent and with like title, interest and control,
 6 as if re-incorporated hereunder.

Sec. 50. The General Assembly shall at all times have power to prescribe
 2 such regulations, provisions and limitations as it may deem advisable, which

A BILL

For an Act to amend Sections 17½, 26½ and 37 of an Act entitled, "An Act to provide for the construction, reparation and protection of drains, ditches and levees across the lands of others for agricultural, sanitary and mining purposes, and to provide for the organization of drainage districts," approved and in force May 29, 1879; as amended by an Act approved June 30, 1885, in force July 1, 1885; as amended by an Act approved and in force May 20, 1907; and as amended by an Act approved and in force from May 29, 1909.

SECTION 1. *Be it enacted by the People of the State of Illinois,*
2 *represented in the General Assembly.* That Sections 17½, 26½ and 37 of an Act
3 entitled, "An Act to provide for the construction, reparation and protection of
4 drains, ditches and levees across the lands of others for agricultural, sanitary
5 and mining purposes, and to provide for the organization of drainage districts,"
6 approved and in force May 29, 1879; as amended by an Act approved June 30,
7 1885, in force July 1, 1885; as amended by an Act approved and in force May
8 20, 1907; and as amended by an Act approved and in force May 29, 1909, be and
9 the same are hereby amended to read as follows:

10 Sec. 17¹/₂. But in case drainage and levee work is proposed by the petition,
 11 the amount assessed for keeping said levee or ditch in repair, shall not in the
 12 aggregate amount to a sum, in any one year, greater than would be produced by
 13 sixty cents per acre on all the lands within said district: *Provided*, that should
 14 said district erect and maintain one or more pumping plants, an assessment of
 15 annual benefits may be made *in such an amount as the court shall find will accrue*
 16 *to the drainage district by the maintenance and operation of the levees, ditches,*
 17 *pumping plant or plants and other works of such district, in proceedings duly*
 18 *had in accordance with the provisions of this Act.*

19 In case the petition shall set out that a levee or ditch has been made under
 20 any law of this State and prays for an assessment of benefits to repair and keep
 21 in repair said levee or ditch the Commissioners shall cause to be made an as-
 22 sessment of benefits which said lands will sustain by repairing said levee or
 23 ditches, and also the "annual amounts" of benefits which said lands will sustain
 24 by keeping said levee or ditch in repair thereafter; and such assessment of bene-
 25 fits shall be made in the manner provided by Sections seventeen (17), seventeen
 26 a (17a) and seventeen b (17b) of this Act; and in such case no other or different
 27 assessment shall be made, but in all other respects the commissioners shall com-
 28 ply with the provisions of this Act, so far as the same may be applicable there-
 29 to: *Provided*, that in all cases where the amount of benefits assessed, and the
 30 assessments of benefits to repair said levees, ditches or drains heretofore con-
 31 structed under any law of this State are insufficient to complete the ditches,
 32 drains or levees embraced in the proceedings, the "annual amount of benefits"
 33 assessed to keep said levee or ditch in repair, making all necessary repairs for
 34 any year, may be applied to complete the ditches, drains or levees embraced
 35 in the proceedings, and to raising, strengthening and protecting said ditches,
 36 drains or levees, when required to protect the lands embraced in the drainage
 37 and levee districts organized under this Act, from inundation and overflow, and
 38 in paying interest on any other notes or bonds issued under this Act.

39 Sec. 26½. In case where a levee or ditch has been heretofore built under any
40 law of this State, or may hereafter be built under the provisions of this Act
41 the annual amount of benefits for keeping the same in repair shall be due and
42 payable on the 1st day of September annually, and shall be a lien on the lands
43 upon which said assessments are made, from and after the confirmation of the
44 report. The court in which such proceedings are had shall require from said
45 commissioners a report of the conditions of the levee or ditch, at its July term of
46 each year, together with their estimate of the amount necessary to keep the
47 levee or ditch in repair, pay all incidental and necessary expenses for the ensuing
48 year, and the amount necessary to complete the ditches, drains or levees embraced
49 in the proceedings, and to raise, strengthen or protect said ditches, drains or
50 levees when completed, and in constructing additional ditches, drains or levees
51 when required to protect the land embraced in the drainage and levee districts
52 organized under this Act, from inundation and overflow; and if the court shall
53 find that a less amount will be required for such ensuing year than the whole
54 amount of the assessment for that year, then the court shall by an order fix the
55 amount to be paid for such year, and only that amount shall be collected, and the
56 excess of such assessment over and above the amount so fixed by said order for
57 said year shall be remitted by law, and shall not thereafter be collected: *Pro-*
58 *vided*, that the amount to be collected under the order of said court shall not, in the
59 aggregate, amount in any one year to a sum greater than would be produced by
60 a levy of *sixty* cents per acre on all lands within said district except as provided
61 by an Act entitled, "An Act to provide for the erection, maintenance and opera-
62 tion of pumping plants in certain drainage and levee districts and to legalize and
63 validate former proceedings, bond issues, indebtedness and expenditures in re-
64 gard to, on account of, or with a view to the erection, maintenance and operation
65 of such pumping plants," approved and in force May 13, 1905, as amended by an
66 Act approved May 20, 1907, in force July 1, 1897, that where the drainage dis-
67 trict shall maintain one or more pumping plants there may be assessed and col-
68 lected an amount that shall not exceed in the aggregate a sum greater than

69 would be produced by a levy or two dollars per cases where the ditches, drains
 70 or levees constructed or repaired under this Act are in danger of being impaired.
 71 injured, broken or destroyed by overflow or otherwise, and a part of the annual
 72 amount of benefits for protection and keeping the same in repair for the year in
 73 which said ditches, drains or levees are so threatened has been remitted by order
 74 of the court as herein provided, or when the annual amount of benefits for pro-
 75 tecting and keeping the same in repair for any year is insufficient, the commis-
 76 sioners of drainage and levee districts, organized under this Act, may borrow
 77 money on the annual amount of benefits becoming due the first day of September
 78 following the time when said ditches, drains or levees are so threatened, to the ex-
 79 tent of two-thirds of said annual amount of benefits and may secure the same by
 80 the notes or bonds of the drainage and levee districts bearing interest at the rate
 81 of six per cent per annum, and not running beyond one year from the date of
 82 issue, which notes or bonds shall not be held to make the commissioners person-
 83 ally liable for the money borrowed, but shall constitute a lien upon the annual
 84 amount of benefits falling due thereafter for the repayment of the principal and
 85 interest thereof: *Provided*, that the report of the commissioners as to the con-
 86 dition of the levee or ditch and their estimate of the amount necessary to keep the
 87 levee or ditch in repair, pay all incidental and necessary expenses for the ensuing
 88 year, and the amount necessary to complete the ditches, drains or levees, em-
 89 braced in the proceedings and to raise, strengthen or protect said ditches, drains
 90 or levees when completed and in constructing additional ditches, drains or levees,
 91 when required to protect the lands embraced in the drainage districts when the
 92 proceeding is before a justice of the peace, shall be made on the first Monday in
 93 July in each year. But this section shall not apply to districts organized for the
 94 purpose of establishing a combined system of drainage independent of levees.

95 Sec. 37. Said commissioners may use money arising from the collection of
 96 assessments or coming into their hands, as such commissioners, for the purpose
 97 of compromising suits and controversies arising under this Act, and in the em-
 98 ployment of all necessary agents and attorneys, in organizing said district, and

99 for conducting other proceedings, in law or in equity, for the same, and for the
 100 purpose of constructing or repairing or maintaining any ditch, ditches, drains,
 101 levee or levees within said district, or outside of said district necessary to the pro-
 102 tection of the lands and complete drainage of the same within said district. *Pro-*
 103 *vided*, that the commissioners shall use such money under the direction or ap-
 104 proval of the court; and assessments from time to time may be levied on the land
 105 within any district when it shall appear to the court that the previous assess-
 106 ment or assessments have been expended or are inadequate to complete such
 107 work, or are necessary for maintenance or repair, or when it shall become neces-
 108 sary for the construction of additional work, or the completion of any work al-
 109 ready commenced within any drainage district to insure the protection or drain-
 110 age of the lands in said district, under the direction and order of the court, or
 111 to pay obligations incurred for the current expenses of said district or in the
 112 keeping in repair and protection of the work of such district, on a petition of a
 113 majority of the land owners within said district, on a petition of a majority of
 114 the land owners within said district who are of lawful age and represent at least
 115 one-third in area of such lands *or on a petition of one-third of the owners of land*
 116 *in said district who have arrived at lawful age and who own a major portion in*
 117 *area of the lands within said district*, or on a petition of the commissioners, ac-
 118 companied by an itemized statement of accounts made by the commissioners
 119 under oath, showing the moneys received by the district and the manner in which
 120 they have been expended, together with the plats and profiles of such additional
 121 work and estimated cost of the same; two weeks previous notice of the time set
 122 for the hearing of said petition in the manner required by Section three (3) of
 123 this Act having been given. Upon the hearing of such petition the court may
 124 grant the prayer of the same, and cause the jury to be impaneled to make said
 125 assessment with like proceedings and notice, as near as may be, as in cases of
 126 original assessments of damages and benefits under this Act, and such additional
 127 assessment or assessments, when made, shall have the same force and effect and
 128 be collected in the same manner as original assessments.

129 *A new assessment for the amount of annual benefits may be levied on the*
 130 *land within any district in substitution of the original or any subsequent assess-*
 131 *ment for annual benefits when it shall appear to the court that the previous*
 132 *assessment is inadequate, to maintain, operate and keep in repair the levees,*
 133 *ditches, pumping plant or plants or other works, on a petition of a majority of*
 134 *the land owners within said district who are of lawful age and represent at least*
 135 *one-third in area of such land, or on a petition of one-third of the owners of land*
 136 *in said district who have arrived at lawful age and who own a major portion in*
 137 *area of the land within said district, or on the petition of the commissioners, when*
 138 *accompanied by a statement showing the estimated annual amount of benefits*
 139 *which will accrue to the said district by operating and keeping in repair the afore-*
 140 *said works, or any of them; previous notice of the time set for the hearing of said*
 141 *petition having been given in the manner required, by Section three (3) of this*
 142 *Act. Upon the hearing of such petition the court may grant the prayer of the*
 143 *same and cause the jury to be impaneled to make said assessment with like pro-*
 144 *ceedings and notice as near as may be as in cases of original assessments of*
 145 *damages and benefits, and annual amount of benefits under this Act, and such new*
 146 *assessments herein provided for, when made, shall take the place of and annul*
 147 *all previous assessments for annual benefits: Provided, that any obligations,*
 148 *warrants or indebtedness of any kind of any such district, incurred on account of*
 149 *or payable out of the annual amount of benefit fixed by the immediately preceding*
 150 *assessment shall be first paid out of such new assessments, and provided that all*
 151 *assessments of annual benefits heretofore levied and all expenditures heretofore*
 152 *made thereunder by the commissioners of any drainage district shall be held as*
 153 *valid and as legal as if made in accordance with the provisions of this Act.*

Sec. 2. *And be it further enacted that Sections 17½, 26½ and 37 of the said*

Said Commission may also, after hearing, on a complaint or upon its own initiative without complaint, establish through routes and joint rates and classifications, also a division of such rates, to apply as the maximum to or upon shipments over the routes of two or more express companies, or carriers by express between points within the State of Illinois. Whenever such express companies or carriers by express in obedience to an order of said Commission to establish joint rates, fares, or charges, shall fail to agree among themselves upon the appointment or division thereof, the

Commission may, after hearing, make a supplemental order prescribing the just and reasonable proportion of such joint rates to be received by each party thereto, which order shall take effect as a part of the original order.

Sec. 3. It shall be the duty of every express company and carrier by express as defined in Section 1 of this Act, to print in clear and legible type the schedules of rates and charges for the transportation of such property, money, parcels, merchandise, packages and other commodities and things from every point in this State on its own line to every other point in this State on its own line, or, when in connection with any other express company or carrier by express to every other point of such other express company, or carrier by express, within the State of Illinois where a joint rate has been established, and naming all such points in such schedules, and to post and keep displayed in each office or place of business of such express company or carrier by express, within convenient access and for the inspection and use of the public during customary business hours, such printed schedules of rates and charges and any amendments thereto, and in like manner to post and display any special rules or regulations, also the classification applying which may be promulgated by them or by order of said Commission, for the information of shippers, and a printed notice stating that the agent will assist any shipper to determine from such schedules any rate or fare or rule in force; and to quote rates that are lawfully in effect under such schedules, in writing when requested, and be responsible for the correctness of the same: *Provided, however,* that no change in any schedule of rates or charges, or classification shall become effective until it has been filed with the Commission, and until after five days shall have elapsed between the date of filing and the time when such rates are to become effective if the rates are to be reduced, and thirty days if the rates are to be advanced: *Provided,* the Commission may, in its discretion and for good cause shown, allow changes upon less than the notice herein specified: *And, provided, further,* the Commission may upon complaint or upon its own motion suspend the taking effect of any such sched-

27 nle or classification as provided in Section 4 of this Act, pending inquiry as to
28 its correctness or the reasonableness of the rates contained in it. And it shall
29 be unlawful for any such express company or carrier by express to charge,
30 demand, collect or receive a greater or less or different compensation for such
31 transportation of property, money, parcels, merchandise, packages and other
32 commodities and things, or for any service rendered in connection therewith,
33 between points named in its schedules or tariffs, than the rates and charges
34 which are specified in such schedules or tariffs filed and in effect at the time
35 or as may be promulgated, amended or changed by order of the Commission,
36 nor shall such express company or carrier by express refund or remit in any
37 manner or by any device any portion of the rate or charge so specified, nor
38 extend to any shipper, person or persons, firms, co-partnerships, joint stock
39 companies or corporations any privilege or facility in receiving, storing, hand-
40 ling or forwarding of property, or otherwise, not granted to another and not
41 specified in such schedules or tariffs. Any express company or carrier by ex-
42 press, as defined in Section 1 of this Act, or any officer, representative, serv-
43 ant, agent, lessee, trustee or receiver of such express company or carrier by
44 express, knowingly violating any of the provisions of this Section shall, upon
45 conviction, be fined in any sum not less than one hundred dollars and not more
46 than five hundred dollars for the first offense; and for the second and each sub-
47 sequent offense shall be fined in any sum not less than one thousand dollars and
48 not more than five thousand dollars; to be recovered in an action of debt in
49 the name of the People of the State of Illinois and there may be several
50 counts joined in the same declaration. Each distinct violation shall be a separ-
51 ate offense, and in case of a continuing violation, the violation for each day
52 shall be deemed a separate offense.

Sec. 4. Each and every express company and carrier by express as defined
2 in Section 1 of this Act shall file with the Commission certified copies of all con-
3 tracts, or agreements, now existing or hereafter entered into by or between him

4 or it and any other express company or carrier by express or any railroad com-
5 pany or carrier by water operating within the State of Illinois, and shall also
6 file with said Commission printed copies of all schedules and charges, tariffs,
7 classifications, rules and regulations, together with any changes or amendments
8 thereto that may be made or promulgated from time to time, also all changes in
9 said schedules, tariffs, classifications, regulations and rules as prescribed and
10 defined in Section 3 of this Act.

11 And it shall be the duty of said Commission and it shall have power to take
12 cognizance of all said contracts, agreements, schedules, tariffs, rates, classifica-
13 tions, rules and regulations and in the event of anything found contained in them
14 or either of them deemed injurious to or inconsistent with the public welfare or
15 which may work to the detriment of the public, communities or individuals, the
16 Commission shall cause the same to be immediately inquired into, either upon
17 complaint or upon its own motion and initiative without complaint, as may be
18 deemed proper by said Commission, and it may suspend for a period of not more
19 than four months, pending inquiry, the taking effect of any such classification,
20 schedule of rates, charges, tariffs, agreements, rules or regulations. The express
21 company or carrier by express affected shall be forthwith notified and a full
22 hearing of the cause had promptly, as in other proceedings before the Commis-
23 sion, and all interested express companies or carriers by express and other per-
24 sons interested may be made parties. If the Commission is of the opinion after
25 such hearing and investigation that the schedules of rates, charges, tariffs,
26 agreements or classification as filed or published, or the privileges, facilities and
27 regulations published in connection therewith are unjust or unreasonable or
28 otherwise discriminatory or prejudicial, or in violation of law, it shall determine
29 what is and will be reasonable and just and shall prescribe the same, and shall
30 order such express company or carrier by express to file with said Commission

31 and publish on or before a certain day, to take effect on a certain day, schedules
32 of charges, classification, tariffs, rules or regulations in accordance with the find-
33 ings and decision of the Commission.

34 Any express company or carrier by express as defined by Section 1 of this
35 Act, or any officer, representative, servant, agent, lessee, trustee or receiver of
36 such express company or carrier by express, knowingly failing or neglecting to
37 obey any order made under the provisions of this section shall be fined in any
38 sum not exceeding one thousand dollars for each offense, to be recovered in an
39 action of debt in the name of the People of the State of Illinois, and there may
40 be several counts joined in the same declaration. Each distinct violation shall
41 be a separate offense, and in case of a continuing violation, the violation for
42 each day shall be deemed a separate offense.

Sec. 5. Any shipper, or any shippers' or other commercial organization or
2 association, or any person, firm, co-partnership, joint stock company or corpor-
3 ation may file complaint with said Commission against any such express company
4 or carrier by express, wherein it may be claimed an unjust charge has been
5 made for the transportation of property, merchandise, parcels, packages, money
6 or other commodity or things, in such manner and form as the Commission may
7 prescribe. And it shall be the duty of the Commission to take cognizance of
8 such complaints and to proceed with a hearing, after due notification to the ex-
9 press company or carrier by express so complained of, in such manner as it may
10 prescribe by its rules of practice. At such hearing or hearings before the Com-
11 mission, copies of contracts, agreements, tariffs, schedules of charges, rules and
12 regulations and classifications that may have been filed with the Commission by
13 such express company or carrier by express, shall be considered *prima facie*
14 evidence of what they purport to be. Any person or party interested shall have
15 the right of appeal from the order or decision of the Commission to a Court of

16 competent jurisdiction but the order or decision of the Commission shall prevail
17 pending such appeal and the decision of the court unless enjoined or set aside by
18 the court.

Sec. 6. Each and every express company or carrier by express as herein
2 defined, shall at all convenient times during business hours accept and re-
3 ceive for prompt shipment to points on its own line, or to points on the lines
4 of other express companies or carriers by express operating within the State
5 of Illinois, all property, parcels, money, merchandise, packages, and other com-

7 transportation by express by the public: *Provided*, that the payment of charges
8 may be demanded and received in advance of such forwarding or transporta-
9 tion, not in excess of the rates of charges shown in the tariffs or schedules
10 and classification provided for in this Act: *Provided, however*, that no article
11 which may be declared under such schedules, tariffs, rules or regulations or
12 classification as being of excessive bulk or weight, or a menace to the health
13 or the safety of the public, or otherwise prohibited by law, shall be required
14 to be accepted by any such express companies or carriers by express.

Sec. 7. Upon demand of a shipper each receiving or forwarding express
2 company or carrier by express shall be required to furnish a receipt or other
3 evidence in writing, in such form as may be prescribed by or approved of by said
4 Commission, stating the quantity, character, weight, order and condition of
5 goods or articles tendered for shipment, and said express companies or carriers
6 by express shall in like manner execute and furnish upon demand a receipt for
7 the charges paid on any shipment, which shall cover substantially the following
8 items: Date; Date of shipment; Name of consignor; Name of connecting line
9 or express company or carrier by express; Name or description of each article
10 or package covered by or in such receipt. The Graduate scale or rate employed

11 in making the rate or charge on such article or package, separately: The
12 amount of charges on each article or package: The amount of advanced
13 charges (if any): The sum total of charges to be paid by the consignee. And
14 any such express company and carrier by express is hereby prohibited from
15 including in any such receipt for shipments to be made any restriction or evasion
16 of the common law liability of such carrier.

Sec. 8. The said Commission shall have authority to call upon such ex-
2 press companies or carriers by express for reports, and to investigate their
3 books in the same manner as may be provided by law for the regulation of
4 railroad companies, which reports shall be furnished to such Commission on
5 demand. All laws, rules and regulations made and prescribed for the govern-
6 ment of railroads, insofar as they are or may be applicable, shall be of equal
7 force against all such express companies or carriers by express.

Sec. 9. The Railroad and Warehouse Commission may upon complaint or
2 its own initiative, after notice to the express companies or carriers by express
3 affected, fix and determine the territory in any city or village in this State
4 having a population of 2500 or more inhabitants according to the last preceding
5 United States Census within which territory such express companies and car-
6 riers by express shall thereafter deliver all merchandise, property, parcels
7 packages, money and other commodities and things transported by them to all
8 consignees within such territory at the place of address as directed on the pack-
9 age, parcel, commodity or thing transported and thereafter all such express
10 companies and carriers by express shall deliver all merchandise, property, par-
11 cels, packages, money and other commodities and things transported by them,
12 and each of them, to all consignees within such territory, or the place of address
13 as directed on the package, parcel, commodity or thing transported. Any such
14 express company or carrier by express, or any officer, representative, servant,

 5 prohibited or declared to be unlawful or shall wilfully neglect or omit to do
 6 any act, matter or thing required by this Act to be done by him or it, the
 7 punishment for which is not hereinabove expressly provided for, shall be guilty
 8 of a misdemeanor and upon conviction for the first offense be fined in any
 9 sum not less than One Hundred Dollars nor more than Five Hundred Dollars
 10 and for any subsequent offense be fined not less than Five Hundred Dollars

 12 not more than ninety days. Every distinct violation shall be a separate of-
 13 fense and in case of a continuing violation, the violation for each day shall be

2 *represented in the General Assembly:* That original jurisdiction is hereby con-
3 ferred upon county courts to supervise and control all testamentary trusts
4 created by original wills of deceased persons proved and admitted to probate in

7 the fixing and approving of their bonds and the settlement of their accounts;
8 and in regard thereto said court shall have and exercise full chancery powers.

Sec. 2. The practice in such matters of testamentary trusts in county
2 courts as herein provided shall be as nearly as may be analogous to that now
3 existing in the probate and settlement of testate estates. The court shall have
4 power in a summary manner to require the filing of accounts of testamentary

5 trustees and to enforce all orders in relation thereto by citation or attachment
6 in the same manner as is now provided by law in case of executors and ad-
7 ministrators.

Sec. 3. The supervision and control of testamentary trusts vested by this
2 Act in county courts shall extend to and include the power in such courts to
3 order the sale of the real estate to which any testator had claim or title, or such
4 part thereof as may be necessary, for the payment of legacies or other charges
5 made thereon by the testator, and in cases where the court shall find it neces-
6 sary or expedient for the complete execution of the will of the testator and the
7 equitable distribution of his estate in accordance therewith, that such real estate
8 or part thereof be sold. In the exercise of this power such courts shall pro-

5 by, through or under him or them. In case of the death of the executor, ad-

5 each motor bicycle or vehicle is proceeding and shall also exhibit at least one
6 lighted lamp which shall be so situated as to throw a red light visible in the
7 reverse direction. The number plate at the back of the motor vehicle, pro-

Sec. 5. Every person, firm, association or corporation manufactur-

5 distinctive number for all the motor bicycles or vehicles owned or
6 controlled by such manufactnrer or dealer, such application to contain: (a) A
7 brief description of each style or type of motor bicycle or vehicle manufactured

12 payment of the registration fee of Fifteen Dollars for each calendar year such
13 application shall be filed and registered in the office of the Secretary of State
14 in the manner provided in Section two of this Act. There shall thereupon be
15 assigned and issued to such manufacturer or dealer a general distinctive num-

17 such manufacturer or dealer at his business address a certificate of registration
18 and registration seal in such form as the Secretary of State shall prescribe, and
19 two number plates with a number corresponding with the number of such cer-

21 be of distinctively different form than those provided for in Section 3 of this Act
22 but shall correspond in color and size of numbers and letters with the number
23 plates for motor bicycles or vehicles provided for in said Section 3 hereof. Such
24 number plates shall be conspicuously displayed upon the front and back of every
25 motor vehicle of such manufacturer or dealer when the same is operated or
26 driven on the public highways. Such manufacturer or dealer may obtain as
27 many duplicates of such number plates as may be desired upon payment to
28 the Secretary of State of One Dollar for each duplicate. Nothing in this
29 subdivision shall be construed to apply to a motor bicycle or vehicle
30 operated by a manufacturer or dealer for private use or for hire.
31 Such registration shall be renewed annually in the same manner and on the
32 payment of the same fee as provided in this section for original registration.
33 such renewal to take effect on the first day of January of each year. The pro-
34 visions of Section 2, relating to first registrations made in compliance therewith
35 and duration of renewals, shall apply to registration under this section.

Sec. 6. No motor vehicle or motor bicycle shall be used or
 2 operated upon the public highways of this State after this Act shall
 3 take effect which shall display thereon a number belonging to any other vehicle
 4 or bicycle or fictitious registration number: *Provided, however,* that this section
 5 shall not be construed to prohibit any other number being displayed for any
 6 lawful purpose upon a motor vehicle or motor bicycle in addition to the number
 7 plates issued by the Secretary of State as aforesaid.

8 Not later than the tenth day of January of each calendar year the owner of
 9 any licensed motor vehicle or motor bicycle shall file with the Secretary of State
 10 a properly executed application for re registration and such application shall be
 11 accompanied by the fee required in each case by this Act. Immediately upon
 12 receipt of new number the owner of such licensed motor vehicle or motor bicycle
 13 shall return to the Secretary of State the number representing the prior calen-
 14 dar year.

Sec. 7. Immediately upon the sale and delivery of any motor
 2 vehicle or motor bicycle which has been registered as herein pro-
 3 vided prior to the date of such sale by any person other than a manufacturer
 4 or dealer, the vendor shall remove the number plate or plates and the registra-
 5 tion seal from the motor vehicle or motor bicycle so sold and within ten days
 6 after the date of such sale the vendor shall send a statement of such sale show-
 7 ing the date thereof, the registration number of the motor vehicle or motor
 8 bicycle so sold, and the name of the purchaser to the Secretary of State, together
 9 with a filing fee of One Dollar, and thereupon such registration seal and number
 10 plate or plates shall cease to apply to the motor vehicle or motor bicycle so sold,
 11 and the purchaser shall register the same as in case of an original registration.
 12 Upon the payment to the Secretary of State of an additional fee of One Dollar,
 13 any other motor vehicle of like horse power or less, or any motor bicycle owned
 14 by such vendor may be registered by such vendor, and the registration seal and
 15 number plate or plates so removed from the motor vehicle or motor bicycle so
 16 sold shall be assigned by the Secretary of State and shall apply to and be used

17 upon such other motor vehicle or motor bicycle until the thirty-first day of Decem-
18 ber then next ensuing: *Provided, however,* that in case the horse power of any
19 motor vehicle to which the unexpired term of the registration of the vehicle sold
20 is sought to be applied would have required the payment of a larger registration
21 fee than was paid upon the registration of the motor vehicle so sold, the vendor
22 thereof shall before the registration seal and number plates may be applied to
23 or used upon such motor vehicle of greater horse power, pay to the Secretary of
24 State such a sum as added to the amount of the original registration fee paid for
25 the year in which such motor vehicle is sold, equals the amount of the registra-
26 tion fee provided by this Act to be paid upon the registration of a motor vehicle
27 of such greater horse power.

. Sec. 8. The provisions of Sections two, three, five, six and
2 seven of this Act shall not apply to any motor vehicle
3 or motor bicycle owned by non-residents of this State (for-
4 eign corporations excepted), provided the owner thereof has complied with
5 any law requiring the registration of motor vehicles or motor bicycles, or the
6 names of the owners thereof, in force in the city, State, territory or federal
7 district of his residence, provided the registration number showing the initial or
8 abbreviation of the name of such city, State, territory or federal district shall be
9 displayed on such vehicle, substantially as in Section three of this Act provided:
10 *And, provided, further,* that a non-resident within the meaning of this Act shall
11 be held and defined to mean a person residing in another State and temporarily
12 sojourning within this State for a period of sixty days, or less, in any one year.

Sec. 9. Every motor vehicle and motor bicycle while in use on
2 a public highway shall be provided with good and sufficient brakes and
3 also with a suitable bell, horn or other signal device. No part of the machinery
4 of any motor vehicle or motor bicycle shall be left running while such motor vehi-

6 in this State.

Sec. 10. No person shall drive a motor vehicle or motor bicycle
2 upon any public highway in this State at a speed greater than is reasonable
3 and proper having regard to the traffic and the use of the way or so as to
4 endanger the life or limb or injure the property of any person. If the rate
5 of speed of any motor vehicle or motor bicycle operated upon any public highway
6 in this State where the same passes through the closely built up business por-

8 or if the rate of speed of any motor vehicle or motor bicycle operated on any
9 public highway in this State where the same passes through the residence por-

15 motor bicycle operated on any public highway outside the corporate limits of
16 any town, city or village in this State exceeds twenty-five (25) miles per hour,
17 such rate of speed shall be *prima facie* evidence that the person operating such
18 motor vehicle or motor bicycle is running at a rate of speed greater than is
19 reasonable and proper having regard to the traffic and use of the
20 way or so as to endanger the life or limb or injure the prop-
20 erty of any person. If the rate of speed of a motor vehicle or motor bicycle
21 operated on any public highway in this State in going around a corner or curve
22 on a highway where the operator's view of the road traffic is obstructed exceeds
23 six (6) miles an hour, such rate of speed shall be *prima facie* evidence that the
24 person operating such motor vehicle or motor bicycle is running at a rate of
25 speed greater than is reasonable having regard to the traffic and the use of the
26 way or so as to endanger the life or limb or injure the property of any per-
27 son.

Sec. 11. Any person driving a motor vehicle or a motor bicycle on a public
2 highway in this State in a race shall, upon conviction, be fined in a sum not ex-

Sec. 12. No owner of a motor vehicle or motor bicycle who
2 shall have obtained a certificate from the Secretary of State and
3 paid the registration fees as hereinbefore provided shall be limited as to

6 the use of persons having or using other vehicles, nor be required to comply
7 with other provisions or conditions as to the use of said motor vehicles or motor
8 bicycles except as in this Act provided: *Provided, however,* that nothing in this
9 section contained shall be construed to apply to, or include, any speedway cre-
10 ated, provided for, or maintained by the local authorities of any city, town or
11 village or other municipal corporation within the State: *And provided, further,*
12 that the local authorities having jurisdiction over the public parks shall not by
13 the terms of this Act be prohibited from adopting and enforcing such reasonable

15 or motor bicycles may be operated within any such parks, provided the rate of
16 speed of motor vehicles or motor bicycles fixed by such ordinances, rules or regu-
17 lations shall not be lower than the rate fixed for other vehicles and provided such
18 authorities shall, by signs conspicuously placed, indicate the rate of speed per-
19 mitted by such ordinances, rules or regulations: *And provided, further, that*
20 motor vehicles or motor bicycles may be excluded from any cemetery or grounds
21 used for the burial of the dead, by the authorities having jurisdiction over the
22 same. Except as in this section provided, no city, town or village, or other
23 municipality shall have power to make any ordinance, by-laws or resolution
24 limiting or restricting the use or speed of motor vehicles or motor bicycles, or
25 no ordinance, by-law or resolution heretofore or hereafter made by any city,
26 town or village, or other municipal corporation within the State, by whatever
27 name known or designated, in respect to or limiting the use or speed of motor
28 vehicles or motor bicycles shall have any force, effect or validity, and they are
29 hereby declared to be of no validity or effect: *Provided,* that nothing in this
30 Act contained shall be construed as affecting the power of municipal corpora-
31 tions to make and enforce ordinances, rules and regulations affecting motor vehi-

Sec. 13. An application for a license to operate motor vehicles as a chauffeur, which is hereby defined to mean any person operating a motor vehicle as mechanic or employee, or for hire, may be made by mail or otherwise to the Secretary of State, or his duly authorized agent, upon blanks prepared under his authority. The Secretary of State shall appoint examiners and cause examinations to be held at convenient points throughout the State as often as may be necessary. Such applications shall be accompanied by the fee provided herein and by a photograph of the applicant in such numbers and forms as the Secretary of State shall prescribe, and such photographs shall have been taken within thirty days prior to the filing of such application. 48 (Official title.)

49 *Provided:* If it shall appear that any intoxicating liquor so kept for sale is
 50 liable to be disposed of or removed during the night, two judges may issue such
 51 warrant to search any such house, premises, vehicle, receptacle or other place in
 52 the night time. Such warrant shall be returnable to either of the judges issuing
 53 the same, or in case both be absent or unable to act before some other judge
 54 having cognizance of the case.

Sec. 9. The person upon whose complaint any search warrant is issued
 2 under this Act, may personally or by a representative designated by him, accom-
 3 pany the officer who serves such warrant and assist such officer in executing the
 4 same. For the purpose of executing such warrant the officer may break open
 5 any outer or inner door or window of any dwelling-house, building or structure,
 6 or anything therein, if after notice of his authority and purpose he is refused
 7 admittance, using no more force than is necessary.

Sec. 10. If no person is found in possession of the building, premises or
 2 other place where any intoxicating liquor is seized, the officer taking the same
 3 shall post in a conspicuous place on such building, premises or other place, a
 4 copy of his warrant, and upon the return of the warrant the judge shall fix a
 5 time not less than five (5) days, nor more than fifteen (15) days thereafter, for
 6 hearing and determining the purpose for which such liquor was kept and shall
 7 issue a notice directed to all persons claiming any interest in the intoxicating
 8 liquor or other property so seized, to appear at a fixed time and place and

9 show cause, if any they have, why the same should not be adjudged forfeited
10 and ordered destroyed. And a copy thereof shall forthwith be posted by the
11 officer making the seizure (or in case of his inability, by some other officer), in a
12 conspicuous place on such building, premises or other place. If at the time fixed
13 for such hearing no person appears and claims such intoxicating liquor or other
14 property the judge shall enter judgment of forfeiture and forthwith order the
15 same destroyed as hereinafter provided.

Sec. 11. When intoxicating liquor is seized the officer making such seizure
2 shall in his return upon the warrant particularly specify all the intoxicating
3 liquor and other property taken, and the place where and the person from whom
4 the same was taken and shall safely keep the same subject to the disposition of
5 the judge or court. No intoxicating liquor or other property seized under this
6 Act shall be taken from the custody of the officer by a writ of replevin or other
7 process, while any proceeding provided for in this Act is pending. A final judg-
8 ment ordering the forfeiture and destruction of such intoxicating liquor or prop-
9 erty so seized shall be a bar to all suits for the recovery of the same or the
10 value thereof, or for any damages arising by reason of the seizing, or detention
11 thereof.

Sec. 12. No intoxicating liquor or other property seized by virtue of any
2 search warrant, shall be discharged or returned to any person claiming the same
3 on account of any insufficiency or informality in the complaint or warrant or
4 because it is not under the seal of the judge, but the complaint or warrant may
5 be amended by the judge at any time pending the proceedings. Any claimant
6 shall be entitled to have his right of property in such liquor and other property
7 tried in a summary manner before the judge to whom the search warrant may
8 have been returned.

Sec. 13. If any person shall be arrested upon any search warrant the
2 officer serving the same shall forthwith make and file in the proper court or

3 before the proper judge an information or complaint charging a violation of
4 any of the provisions of this Act as may appear to have been committed by
5 such person; but nothing herein contained shall prevent any person from filing
6 such information or complaint before or after the search warrant is issued
7 When any suit or prosecution is commenced for a violation of any provision of
8 this Act, all intoxicating liquor, vessels, implements and furniture seized may
9 be produced or used as evidence upon such trial and shall be safely kept
10 under the direction of the judge or court, so long as may be needed for that
11 purpose. Such trial shall take place as speedily as possible and shall have
12 preference in the order of hearing to other cases pending before the judge or
13 court hearing the same. As soon as all such cases are disposed of, if it shall
14 appear that such intoxicating liquor was kept in violation of any provision of
15 this Act, the same with the vessels, implements and furniture seized therewith
16 shall be adjudged, forfeited and ordered, forthwith destroyed in the manner
17 in which the judge or court may direct and the officer executing such order
18 shall make return thereon to such judge or court as to his doings in the prem-
19 ises; otherwise the same shall be returned to the lawful owner thereof. If
20 it shall appear that there was no probable cause for swearing out the search
21 warrant the costs may be taxed against the complainant and execution awarded
22 therefore.

Sec. 14. In all prosecutions and proceedings under this Act by indict-
2 ment, information, complaint or otherwise, it shall not be necessary to state the
3 kind, nor the quantity of intoxicating liquor sold, kept for sale, barter or ex-
4 change, nor to describe the place where the same shall be kept; nor to show
5 the knowledge of the principal to convict for the acts of an agent, clerk or
6 servant; nor shall it be necessary in any indictment, information, complaint or
7 warrant to set forth the facts showing that the house, premises, vehicle, recep-
8 tacle or other place in which the intoxicating liquor is, or was kept, for sale,
9 is within prohibition territory, but it shall be sufficient to state in that regard

10 that the same is, or was at the time charged, in prohibition territory. All courts
 11 in this State shall take judicial notice of all prohibition territory. If any per-
 12 son shall be convicted of violating any provision of any section of this Act
 12½ and shall subsequently violate any provision of such section it shall not
 13 be necessary to set out such former conviction at length, but it shall be suffie-
 14 cient to state in that regard, the time when and the name of the court where
 15 such former conviction was had. The issuance of an internal revenue special
 16 tax stamp or receipt by the United States to any person as a wholesale or re-
 17 tail dealer in liquor or in malt liquor at any place within prohibition territory
 18 shall be *prima facie* evidence of the keeping for sale of intoxicating liquor
 19 by such person at such place; or at any place of business of such person
 20 within prohibition territory where such stamp or receipt is posted and at the
 21 time charged in any suit or prosecution under this Act: *Provided*, such time
 22 is within the life of such stamp or receipt. And a certified copy of the internal
 23 revenue record, showing such issuance, under the hand and official seal of the
 24 collector of internal revenue, or his deputy, shall be competent evidence to
 25 prove such issuance. If any fluid in or about any house, premises, vehicle, re-
 26 ceptacle or any other place whatsoever, for the search of which a warrant
 27 has been issued or is about to be issued, be poured out or otherwise destroyed
 28 at the time or before such place is searched manifestly for the purpose of pre-
 29 venting its seizure, such pouring out or destruction shall be *prima facie* evi-
 30 dence that such fluid was intoxicating liquor and was then and there kept for
 31 sale. The keeping of intoxicating liquor in or about any house, premises, ve-
 32 hicle, receptacle or any other place whatsoever within prohibition territory shall
 33 be *prima facie* evidence that such liquor is then and there kept for sale, but this
 34 provision shall not apply to a private dwelling house unless the same or some
 35 part thereof, or some room, or premises immediately connected therewith is
 36 used as a place of public resort. A notice or sign of any kind displayed on
 37 in or about any house, premises or other place within prohibition territory in-
 38 dicating that intoxicating liquor may be procured there, shall be *prima facie*

39 evidence that the person in control of, or occupying such house, premises or
40 other place, or named in such notice or sign, does during all the time such
41 notice or sign is so displayed then and there keep intoxicating liquor for sale.

Sec. 15. Nothing in this Act contained shall be construed to abridge the
2 right of trial by jury as now provided by law.

A BILL

For an Act to regulate the carriage of coal.

SECTION 1. *Be it enacted by the People of the State of Illinois,*
2 *represented in the General Assembly:* That whenever any coal is shipped over
3 any common carrier or common carriers from any point within the State of
4 Illinois to any other point within the said State, the common carrier on whose
5 line the shipment originates shall issue a bill of lading, stating the true weight
6 of the coal so transported, showing on the face of the bill of lading the gross,
7 tare and net weights. The weight set out in the bill of lading shall be *prima facie*
8 evidence of the weight of the coal received by the carriers for transportation.

Sec. 2. That when said coal arrives at its destination, the carrier making
2 delivery shall cause the same to be weighed, provided it has track scales at that
3 point, and freight shall be assessed upon the weight obtained. In case this
4 weight is less than the weight set out on the bill of lading, then the delivering
5 carrier shall be liable to consignee for the difference between the amount of

 16 for any discrepancies between the weights set out in the bill of lading and the
 17 weights obtained as aforesaid by consignee at destination, and the measure of
 18 damages to the consignee shall be the value of the coal at destination less the
 19 amount of freight thereon, provided the freight thereon has not already been
 20 paid. In case the freight thereon has been paid, then the measure of damages
 21 shall be the value of the coal at destination. Where the delivering carrier
 22 weighs the coal at destination on track scales, as above provided, it shall be
 23 the duty of said carrier to furnish a certificate of the weights obtained as the
 24 result of such sealing to the consignee. This certificate shall set out the gross,
 25 tare and net weights, the name of the weigher, and the date on which said
 26 weights were made. Where the weights of the consignee obtained at destina-
 27 tion on other than track scales govern, as above provided, it shall be the duty
 28 of the consignee to furnish to the delivering carrier a record of the weights ob-
 29 tained, the date of weighing and the name of the weigher. It shall be the privi-
 30 lege of the delivering carrier through any of its agents, servants or employees

 2 other point in the State of Illinois is handled by more than one common carrier,
 3 and where the delivering carrier accounts to the consignee for any loss or dam-
 4 age which does not occur on its line, then the delivering carrier shall be entitled
 5 to recover from the carrier upon whose line the loss or damage occurred such
 6 amount as the delivering carrier shall have paid the consignee, as may be evi-
 7 denced by receipt, judgment or transcript thereof.

Sec. 4. That any agent, servant or employee of any common carrier who

6 prisoned for no less than sixty days or more than one hundred and twenty days,
7 or both, such fine or imprisonment to be imposed at the discretion of the court.

Sec. 5. Whenever any coal shall be brought into the State of Illinois by
2 common carrier from a point of shipment outside of the State, the same shall
3 be weighed by said common carrier at the first track scales within the State, and
4 a certificate setting forth the gross, tare and net weights of said car, the name
5 of the weigher and the date on which said weights were made shall be furnished
6 to consignee. Furthermore, said car must be weighed detached from the train
7 and standing still upon the scales. After said car has been so weighed, the pro-
8 vision of this Act shall be applied thereto in the same manner as if this ship-
9 ment originated within this State.

Sec. 6. In case any contention shall arise between the consignee and carrier
2 in regard to the shortage of coal on any car, the car shall be weighed first while
3 loaded, and then empty car shall be weighed again and the actual net weight of
4 the coal shall govern, and the stencil weight of the car marked thereon shall not

NOTICE OF FILING A RESIDENCE DISTRICT PETITION.

5 Notice is hereby given that a petition was, on the day
6 of, 19...., filed in my office, to create the following dis-
7 trict, to-wit: beginning at (here copy the descrip-
8 tion of the boundaries of such district as set forth in the petition) to the place
9 of beginning, a Residence District, to be styled: "The
10 (name) Residence District of....." (name of city, village or town)
11 within which no saloons shall be licensed.

12
13 (SEAL) (City, village or town) Clerk.

14 Such petition so filed and being in apparent conformity with the provisions
15 of this Act, shall be deemed to be valid and sufficient unless five (5) legal
16 voters of such district shall file verified objections thereto with the clerk within
17 ten (10) days after the filing thereof, setting forth wherein such petition is
18 claimed to be invalid and insufficient, together with a bond signed by two good
19 and sufficient securities, freeholders of the county, to be approved by the clerk,
20 conditioned that they will pay all costs which may accrue on account of such ob-
21 jections. If such objections and bond are so filed, then at the expiration of
22 said ten (10) days, the clerk shall file such petition, and all papers pertaining
23 thereto in the county court of the county in which such district or the greater
24 area thereof is situated, and the clerk of such court shall immediately present
25 the same to the judge of such court, who shall set a time for the hearing of

 32 proper county shall have jurisdiction to hear and determine, in a summary man-
 33 ner, the validity of such petition: *Provided*, that if the voters filing such ob-
 34 jections or the committee managing the interests of those filing such petition
 35 shall fear that they will not receive a fair and impartial trial because of the
 36 prejudice of the judge of such court, for or against such petition, and shall file a
 37 statement of such fact three days before the time set for the hearing, the judge
 38 shall call in some other judge to whom neither party has any valid objection,
 39 who shall hear said cause. Within ten days after the date set for such hearing,
 40 and at least twenty days before the election, judgment shall be entered of rec-
 41 ord, which shall decree such petition to be valid or invalid according to right
 42 and justice in the premises, and such judgment shall become immediately ef-
 43 fective and no appeal or writ of error shall stay or prevent the immediate op-
 44 eration of such judgment: *Provided*, appeals may be taken to the Supreme
 45 Court in the manner and upon the conditions provided by law for taking appeals
 46 in cases in chancery from the circuit courts. If the court shall find such petition
 47 to be valid, then the clerk of such court shall forthwith prepare a true certified
 48 copy of such decree and attach the same to such petition and deliver such
 49 petition and decree to the sheriff who shall file the same in the office of the
 50 clerk to whom such petition is addressed within one day after receiving the
 51 same.

See. 5. If no objections to such petition are filed with the clerk within ten
 2 (10) days after the filing of the same, or if objections are filed and the clerk
 3 shall receive a decree of the court, declaring such petition valid, he shall cause
 4 a notice in substantially the following form to be posted in at least five (5) of

the most public places within such district in the manner provided by law for giving notices of an election:

Notice is hereby given that the proposition, "Shall this district become The (name) Residence District of (name of city, village or town) within which no saloons shall be licensed?" will be submitted to the voters of the following district, to-wit: Beginning at (here copy the description of the boundaries of the district as set forth in such petition) to the place of beginning, in the (city, village or town) of and the State of Illinois, at an election to be held on the day of, 19....

(SEAL) (City, village or town) Clerk.

Provided, that the failure of such clerk to cause such notice to be given of the filing of such petition or the submission of such proposition as above provided, shall not affect the validity or binding force of the vote upon said proposition. Such clerk shall cause said proposition to be plainly printed upon a separate ballot and submitted to the legal voters residing within such district and within such district only, as follows:

"Shall this district become 'The (name) Residence District of (name of city, vil-	"Yes."	
lage or town) within which no saloons shall be licensed?"	"No."	

Wherever any other method of taking and recording votes at elections than by means of printed ballots is provided by law the procedure for taking and recording the votes upon said proposition may conform to the method so provided. At each polling place where said proposition is submitted to the voters it shall be the duty of the judges of election to admit to the room at such polling

29 place two legal voters of the district to act as special challengers of voters, one
 30 of whom shall be selected by the committee managing the interests of those in
 31 favor of said proposition, and one selected by the committee managing the in-
 32 terests of those opposed to said proposition. An authority signed by the chair-
 33 man of such committee shall be sufficient evidence of the right of such chal-
 34 lengers to be present; and such challengers may remain and watch the canvass
 35 of the ballots cast upon said proposition, and they shall be entitled to a position
 36 where they can plainly see and read each ballot, and it shall be the duty of the
 37 judges and other officers of the law to protect them in such position, and see that
 38 they are not excluded, provided such challengers shall be of good character and
 39 sober and shall in no wise interfere with such canvass.

Sec. 6. The clerk shall record in a well bound book, to be kept in his office
 2 by himself and his successors, the heading and preamble of such petition, the map
 3 or drawing filed therewith and the result of the vote upon said proposition.
 4 And the boundaries of such district and the result of the vote therein may be
 5 proved in all courts and in all proceedings by such record or by the official certifi-
 6 cate of the clerk; in cases where such record or certificate shows that a ma-
 7 jority of the legal voters voting upon said proposition voted "Yes," the same
 8 shall be *prima facie* evidence that the district to which such vote was applicable
 9 has become a Residence District.

Sec. 7. It shall not be lawful to sell intoxicating liquor in any quantity
 2 whatever nor to grant or issue, or cause to be granted or issued, any license to
 3 sell intoxicating liquor in any quantity whatever within the limits of any Resi-
 4 dence District in this State, and if any such license be granted or issued in
 5 violation hereof, the same shall be void and shall be revoked by the public officer,
 6 board or other authority by which the same was granted. And all ordinances
 7 providing for the restriction, regulation or prohibition of the sale of intoxicating
 8 liquor for the issuing of dramshop license within any portion or the whole of
 9 such district so far as inconsistent with its status as a Residence District, shall

10 be suspended: *Provided*, that nothing in this Act contained shall be construed
11 to prevent the enforcement of ordinances consistent with such status.

Sec. 8. Whoever shall by himself or another, either as principal, clerk or
2 servant, directly or indirectly, sell, barter, or exchange any intoxicating liquor
3 in any quantity whatever within the limits of any Residence District in this
4 State, shall be fined not less than twenty dollars (\$20) nor more than one hun-
5 dred dollars (\$100) or imprisonment in the county jail for not less than ten (10)
6 days, nor more than thirty (30) days, or both, in the discretion of the court. If
7 any person shall be convicted of violating any provision of this section and shall
8 subsequently violate any provision of this section he shall, upon conviction
9 thereof, be fined not less than fifty dollars (\$50) nor more than two hundred dol-
10 lars (\$200) and imprisoned in the county jail for not less than ten (10) days, nor
11 more than thirty (30) days. And in like manner, if he shall subsequently violate
12 any provision of this section, for such third and each subsequent violation he
13 shall, upon conviction thereof, be fined not less than one hundred dollars (\$100)
14 nor more than two hundred dollars (\$200), and imprisoned in the county jail for
15 not less than thirty (30) days, nor more than ninety (90) days.

Sec. 9. The giving away or delivery of any intoxicating liquor for the pur-
2 pose of evading any provision of this Act, or the taking of orders or the mak-
3 ing of agreements, at or within any Residence District for the sale or delivery of
4 any intoxicating liquor, or other shift or device to evade any provision of this
5 Act, shall be held to be an unlawful selling.

Sec. 10. All places where intoxicating liquor is sold in violation of any
2 provision of this Act shall be taken and held and are declared to be common
3 nuisances and may be abated at such; and whoever shall keep any such place, by
4 himself or his agent or servant, shall, for each offense, upon conviction there-
5 of, be fined not less than fifty dollars (\$50) nor more than one hundred dollars
6 (\$100) and confined in the county jail not less than twenty (20) days nor

7 more than fifty (50) days, and it shall be a part of the judgment, upon the con-
 8 viction of the keeper, that the place where liquor is found to have been sold con-
 9 trary to this Act, be shut up and abated by the sheriff until the keeper shall
 10 give bond, with sufficient security to be approved by the Court, in the penal sum
 11 of one thousand dollars (\$1,000), payable to the People of the State of Illinois,
 12 conditioned that he will not sell intoxicating liquor contrary to law, and in case
 13 of a violation of the condition of such bond, suit may be brought and recovery
 14 had thereon for the amount of such bond for the use of the municipal corpora-
 15 tion within which such place shall have been kept.

Sec. 11. All the territory within any municipal corporation which has be-
 2 come a Residence District shall continue to be a Residence District throughout
 3 its entire extent notwithstanding any change which may be made in the street
 4 or other lines of or within the municipal corporation in which such Residence
 5 District is situated, until the legal voters thereof and such voters only, have
 6 voted, according to the provisions of this Act to discontinue such Residence Dis-
 7 trict and the following section shall be construed in harmony herewith.

Sec. 12. Upon the filing in the office of the clerk, at least fifty days before
 2 an election of a petition directed to such clerk, containing the signatures of one-
 3 fourth of the legal voters of any Residence District to submit to the voters there-
 4 of the proposition, "Shall this district continue to be The
 5 (name) Residence District of (name of city, village or town)
 6 within which no saloons shall be licensed?" (provided such petition corresponds
 7 in all other respects with the petition in this Act before described) such prop-
 8 osition shall be submitted at such election to the legal voters of such Residence
 9 District, and the provisions of Sections one (1), three (3), four (4), five (5), and
 10 six (6) of this Act apply in all respects, so far as applicable, to the petition
 11 therefor, to the notice of the filing thereof, to the objections thereto, to the hear-
 12 ing thereon, to the submission of such proposition to such voters, to the record-
 13 ing of the vote thereon, and to the proof and evidence of the petition and vote.

14 If a majority of the legal voters voting upon said proposition in such Resi-
 15 dence District shall vote "No," such district shall cease to be a Residence Dis-
 16 trict, and all ordinances providing for the restriction, regulation or prohibition
 17 of the sale of intoxicating liquor or for the issuing of dramshop licenses, the
 18 operation of which was in anywise suspended within such district by virtue of the
 19 vote therein to become a Residence District and with all additions and amend-
 20 ments which in the meantime may have been made thereto, shall if not in the
 21 meantime repealed, become and be in force within said district to the same ex-
 22 tent, only, however, as the same would then be in force had such district never
 23 become a Residence District.

Sec. 13. A vote under the provisions of this Act in and for any district
 2 upon the proposition, "Shall this district become The
 3 Residence District of within which no saloons shall be
 4 licensed?" or in and for any Residence District upon the proposition, "Shall this
 5 district continue to be The Residence District of
 6 within which no saloons shall be licensed?" shall become
 7 operative on the thirtieth day after the day of election at which such vote is cast,
 8 and such vote shall be a bar to the submission to the voters thereof of either of
 9 such propositions as applied to that identical territory or district only, until after
 10 the lapse of three years and six months.

Sec. 14. Any clerk, sheriff, judge of election, clerk of election, police offi-
 2 cer, public officer, member of a board, or other officer of the law, who shall refuse
 3 or neglect or fail to discharge any duty imposed by this Act, and any one who
 4 signs a petition provided for in this Act, knowing he is not qualified to do so, or
 5 who files with the clerk any such petition or any sheet or other part thereof
 6 knowing that it contains the signature of a person not qualified to sign the same,
 7 or who receives, requests or demands or gives, offers or promises any reward
 8 for the signing or the refraining from signing of any such petition, or for vot-
 9 ing for or against either of the propositions mentioned in this Act, or who by

10 treating or giving intoxicating liquor or anything else, or by threats to injure
 11 another in person or property, or by betting or other device, either directly or
 12 indirectly influences or attempts to influence any one to sign or refrain from
 13 signing any such petition, or to vote for or against either of the propositions
 14 mentioned in this Act, shall, upon conviction thereof, be fined not less than
 15 twenty dollars (\$20), nor more than two hundred dollars (\$200), or imprisoned
 16 in the county jail for not less than ten (10) days nor more than ninety (90)
 17 days, or both, in the discretion of the court. If any person shall be convicted
 18 of violating any provision of this section and shall subsequently violate any pro-
 19 vision of this section, for such second and each subsequent violation he shall
 20 upon conviction thereof, be fined not less than twenty dollars (\$20) nor more
 21 than two hundred dollars (\$200) and imprisoned in the county jail for not less
 22 than (10) days nor more than ninety (90) days.

Sec. 15. All offenses defined or mentioned in this Act may be prosecuted in
 2 any court of record having criminal jurisdiction, or the fines prescribed in this
 3 Act may be sued for and recovered before any Justice of the Peace of the proper
 4 county, in the name of the People of the State of Illinois; and in case of convic-
 5 tion the Justice of the Peace shall commit the offender to the county jail until
 6 the judgment and costs are fully paid.

Sec. 16. In all prosecutions under this Act, by indictment or otherwise, it
 2 shall not be necessary to state the kind of liquor sold; nor to describe the place
 3 where sold; nor to show the knowledge of the principal to convict for the acts of
 4 an agent or servant; nor to state the name of any person to whom liquor is sold;
 5 nor to set forth the facts showing that the required number of legal voters
 6 petitioned for the submission to the voters of said proposition, nor that a ma-
 7 jority of the legal voters voting upon said proposition voted "Yes," nor to set
 8 out the boundary lines of the Residence District, but it shall be sufficient to
 9 state in that regard that the act complained of took place in a designated Resi-
 10 dence District; and if any person shall be convicted of violating any section of

11 this Act and shall subsequently violate such section, it shall not be necessary to
12 set out such former conviction at length, but it shall be sufficient in that regard
13 to state the time when and the name of the court where such former conviction
14 was had. The issuance of an internal revenue special tax stamp or receipt
15 by the United States to any person as a wholesale or retail dealer in liquors or
16 in malt liquors at any place within a Residence District shall be *prima facie* evidence
17 of the sale of intoxicating liquor by such person at such place, or at any
18 place of business of such person within a Residence District where such stamp
19 or receipt is posted, and at the time charged in any suit or prosecution under
20 this Act: *Provided*, such time is within the life of such stamp or receipt. A
21 certified copy of the internal revenue record of the issuance of such stamp or
22 receipt under the hand and official seal of the collector of internal revenue, or
23 his deputy, shall be competent evidence to prove such issuance. All courts in
24 this State shall take judicial notice of the existence of all Residence Districts
25 created under the provisions of this Act and of the abolition of such districts.

Sec. 17. Nothing in this Act shall be construed to forbid or prevent the
2 sale within a Residence District by druggists to whom permits therefor have
3 been duly granted in the manner provided by law, of liquor for medicinal, mechanical,
4 sacramental and chemical purposes only, not to be drunk upon the
5 premises under any circumstances, so long as such druggist in good faith shall
6 keep a true and exact record in a book, which he shall provide for the purpose,
7 in which shall be entered at the time of every sale of intoxicating liquor made by
8 him or in or about his place of business to all persons whomsoever, the date of
9 such sale, the name of the purchaser, and his residence (stating the street
10 and the house number if there be such), the quantity and kind of such liquor
11 and the purpose for which the same is sold, and so long as such druggist shall
12 keep such book open to the full and free inspection of the police and all public
13 officers elected and appointed and their deputies and agents during business
14 hours. Nothing in this Act shall be construed to forbid or prevent the sale of

15 intoxicating liquor for the period of thirty days next after the vote shall have
 16 been taken in a district whereby it was created a Residence District, according
 17 to the terms of a dramshop or other municipal license theretofore regularly is-
 18 sued in good faith according to law. Any portion of a dramshop or other mu-
 19 nicipal license fee which shall have been paid and which shall represent the
 20 unexpired period for which said dramshop or other municipal license was issued
 21 after the district in which such dramshop is located shall have become a Resi-
 22 dence District, shall be refunded by the municipal corporation receiving the
 23 same. Nothing in this Act shall be construed to forbid or prevent the sale at
 24 wholesale by a manufacturer who manufactures from the raw materials of the
 25 product of his own manufactory located within a Residence District for delivery
 26 outside the limits of any Residence District.

Sec. 18. Any five legal voters of a district in which an election shall have
 2 been held as provided for in this Act, may, within fifteen days after the canvass
 3 of the returns of such election and upon filing a bond for costs, contest the valid-
 4 ity of such election by filing a verified petition in the county court of the county
 5 in which such district is situated, setting forth the grounds for the contest
 6 Upon the filing of such petition a summons shall forthwith issue from such court
 7 addressed to the clerk notifying him of the filing of such petition and direct-
 8 ing him to appear in such court on behalf of such district at the time named in
 9 the summons, which time shall be not less than five nor more than ten days
 10 after the filing of such petition and such case shall have preference in the order
 11 of hearing to all other cases: *Provided*, any legal voter of the district in which
 12 such election shall have been held may appear in person, or by attorney, in
 13 any such contested election case in defense of the validity of such election. The
 14 procedure in such cases shall be the same as that provided by law for the con-
 15 testing of an election upon a subject which shall have been submitted to a vote
 16 of the people, so far as applicable. The county court shall have jurisdiction to
 17 hear and determine the merits of such cases, and its judgment shall have the
 18 same effect as to the result of such election as if it had been so declared by the

19 canvassers: *Provided*, that in case any district shall be within two counties
20 the county court of the county having the greater area shall have jurisdiction
21 of such contest. Appeals may be taken to the Supreme Court in the manner
22 and upon the conditions provided by law for taking appeals in cases in chancery
23 from the Circuit Court: *Provided*, that in case of an appeal the judgment of
24 the County Court shall be and remain in full force and effect until modified or
25 reversed by the Supreme Court.

98 action properly made to him. The chief justice may appoint such number of
99 assistants, not exceeding four, as he may deem necessary, whose salaries shall be
100 fixed by the majority of the judges: *Provided*, that the salaries of two of said as-

102 that the salaries of the remaining two of said assistants shall not exceed eigh-
 103 teen hundred dollars (\$1,800) each per annum. Said assistants shall have power
 104 to administer oaths and shall perform such duties as may be required of them
 105 by the chief justice, but shall not exercise any judicial powers. It shall be the
 106 duty of the chief justice and the associate judges to meet together at least once
 107 in each month, excepting the month of August, in each year, at such hour and
 108 place as may be designated by the chief justice, and at such other times as may
 109 be required by the chief justice, for the consideration of such matters pertaining
 110 to the administration of justice in said court as may be brought before them.
 111 At such meetings they shall receive and investigate, or cause to be investigated,
 112 all complaints presented to them pertaining to the said court, and to the officers
 113 thereof, and shall take such steps as they may deem necessary or proper with re-
 114 spect thereto, and they shall have power and it shall be their duty to adopt or
 115 cause to be adopted all such rules and regulations for the proper administration
 116 of justice in said court as to them may seem expedient. The salaries of the
 117 chief justice and associate judges shall be fixed by the city council: *Provided*,
 118 *however*, that the salary of the chief justice shall not be less than seven thousand
 119 five hundred dollars (\$7,500) per annum and that the salary of any associate judge
 120 shall not be less than six thousand dollars (\$6,000) per annum, and that the salary
 121 of no judge shall exceed the salary and compensation fixed, from time to time, by
 122 law for a judge of the circuit court of Cook county, and that the salary of no
 123 judge shall be increased or diminished during the term for which he shall have
 124 been elected: *And, provided, further*, that until the fixing of the salaries by the
 125 city council the salary of the chief justice shall be seven thousand five hundred
 126 dollars (\$7,500) per annum and the salary of an associate judge shall be six thou-
 127 sand dollars (\$6,000) per annum; such salaries shall be payable in monthly in-
 128 stallments out of the city treasury.

129 Sec. 14. That there shall be a clerk of said municipal court whose term of
 130 office shall be six years and until his successor shall be elected and qualified and

131 who shall be elected on the first Tuesday after the first Monday of November,
132 A. D. 1906, and every six years thereafter. He shall perform, with respect to
133 said municipal court, the duties usually performed by clerks of courts of record.
134 He shall give his personal attention to the performance of the duties of his office.
135 He shall maintain an office in each district, and each office shall be kept open for
136 the transaction of business from half past eight o'clock a. m. to five o'clock p. m.
137 of each working day during the year, excepting that on Saturdays the
138 clerk may close such of his offices as he may deem proper at twelve o'clock
139 m.: *Provided, however,* that for the purpose of receiving and filing papers
140 and issuing writs and the performance of other work in criminal and quasi-
141 criminal cases, the chief justice may require the attendance, during addi-
142 tional hours of each day, of such number of deputy clerks as may be neces-
143 sary for that purpose. The clerk shall maintain, in his principal office in the
144 first district, a bureau of information, to which any attorney at law or any
145 party to any suit in said court may apply, either in person, or by telephone, or
146 otherwise, for any information respecting the proceedings in such suit, or the pa-
147 pers filed therein, which such attorney or party may deem necessary and by
148 means of which bureau such attorney or party may obtain such information
149 without charge being made therefor: *Provided, however,* that the clerk shall not
150 be personally responsible for any mistake made by any deputy clerk with re-
151 spect to such information. Until otherwise provided by the rules which may be
152 adopted under the provisions of this Act, the powers, duties and liabilities, the
153 oath of office and the bond and conditions thereof of such clerk shall be the
154 same, as near as may be, as those prescribed by law for clerks of courts by the
155 Act entitled, "An Act to revise the law in relation to clerks of courts," approved
156 March 25, 1874, and in force July 1, 1874. He shall be commissioned by the Gov-

158 ceeds one year, the judges shall appoint a clerk pro tempore, who shall qualify
159 by giving bond and taking the oath as required by law, of the clerk, and there-
160 upon such appointee shall perform all the duties required of a duly elected clerk

161 of said court, and shall receive a like salary, and shall hold such office until some
 162 person is elected and qualified according to law to fill such vacancy. Whenever
 163 any such vacancy occurs, the chief justice shall forthwith notify the Governor
 164 thereof, who, upon receiving such notice, shall, as soon thereafter as may be,
 165 practicable, issue a writ of election, as in other cases. When a vacancy occurs
 166 in the office of the clerk and the unexpired term is less than one year, the judges
 167 shall appoint a clerk pro tempore, who shall qualify by giving bond and taking
 168 the oath as required by law of the clerk, and thereupon such appointee shall
 169 perform all the duties required of a duly elected clerk of said court and shall re-
 170 ceive a like salary, and shall hold such office until some person is elected and
 171 qualified according to law to fill such vacancy. The salary of the clerk shall be
 172 fixed by the city council: *Provided, however,* that such salary shall not be less
 173 than five thousand dollars (\$5,000) per annum, and that it shall not exceed the
 174 salary which may be fixed for an associate judge of the municipal court, and
 175 that it shall be neither increased nor diminished during the term for which the
 176 clerk shall have been elected. *And, provided, further,* that until the fixing of
 177 the salary by the city council, the salary of the clerk shall be five thousand
 178 (\$5,000) per annum. Such salary shall be payable in monthly installments out of
 179 the city treasury. All expenses incurred by the clerk for legal services rendered to
 180 him in matters relating to his official duties, and all expenses incident to pro-
 181 ceedings in court brought by or against him in his official capacity shall be paid
 182 out of the city treasury.

183 Sec. 16. That there shall be a bailiff of said municipal court whose term of
 184 office shall be six (6) years and until his successor shall be elected and qualified
 185 and who shall be elected on the first Tuesday after the first Monday of November,
 186 A. D. 1906, and every six years thereafter. He shall perform with respect to
 187 said municipal court the duties usually performed by sheriffs in respect to attend-
 188 ance upon and service and execution of the process, and obedience of the lawful
 189 orders and directions of a circuit court. He shall give his personal attention to

190 the performance of the duties of his office. He shall maintain an office in each
191 district, and each office shall be kept open for the transaction of business from
192 half past eight o'clock a. m. to five o'clock p. m. of each working day
193 during the year, excepting that on Saturdays the bailiff may close such of his
194 offices as he may deem proper at twelve o'clock m. Until otherwise provided
195 by the rules which may be adopted under the provisions of this Act, the powers,
196 duties and liabilities, the oath of office and the bonds and conditions thereof of
197 such bailiff shall be the same, as near as may be, as those prescribed by law for
198 sheriffs, with respect to attendance upon, and service and execution of the pro-
199 cess, and obedience of the lawful orders and directions of a circuit court. He
200 shall be commissioned by the Governor. When a vacancy occurs in the office of
201 bailiff, and the unexpired term exceeds one year, the judges shall appoint a bailiff
202 pro tempore, who shall qualify by giving bond and taking the oath as required
203 by law of the bailiff, and thereupon such appointee shall perform all the duties
204 required of a duly elected bailiff of said court, and shall receive a like salary,
205 and shall hold such office until some person is elected and qualified according to
206 law to fill such vacancy. Whenever any such vacancy occurs, the chief jus-
207 tice shall forthwith notify the Governor thereof, who, upon receiving such no-
208 tice, shall, as soon thereafter as may be practicable, issue a writ of election, as
209 in other cases. When a vacancy occurs in the office of bailiff, and the unexpired
210 term is less than one year, the judges shall appoint a bailiff pro tempore, who
211 shall qualify by giving bond and taking the oath required by law of the bailiff,
212 and thereupon such appointee shall perform all the duties required of a duly
213 elected bailiff of said court, and shall receive a like salary, and shall hold such
214 office until some person is elected and qualified according to law to fill such va-
215 cancy. It shall be unnecessary to serve any process of summons upon the bailiff
216 in any suit against him commenced in the municipal court. In lieu of the ser-
217 vice of such process, the clerk shall notify the bailiff of the commencement of
218 such suit, and the bailiff shall thereupon forthwith enter his appearance therein,
219 such entry of appearance to be made without any advance payment of costs. The

220 salary of the bailiff shall be fixed by the city council: *Provided, however,*
 221 that such salary shall not be less than five thousand dollars (\$5,000) per an-
 222 num, and that it shall not exceed the salary which may be fixed for an associate
 223 judge of the municipal court, and that it shall neither be increased nor dimin-
 224 ished during the term for which the bailiff shall have been elected. *And, pro-*
 225 *vided, further,* that until the fixing of the salary by the city council, the salary
 226 of the bailiff shall be five thousand dollars (\$5,000) per annum. Such salary
 227 shall be payable in monthly installments out of the city treasury. The bailiff may
 228 employ an attorney at a salary not exceeding three thousand dollars (\$3,000) per
 229 annum, which salary, together with all expenses incurred by the bailiff in prose-
 230 cuting or defending suits brought by or against him in his official capacity, shall
 231 be paid out of the city treasury: And, in the event of the bailiff going out of
 232 office, or his death, resignation or removal, all suits commenced by or against
 233 him, now pending in any court, and suits that may be commenced by or against
 234 him in his official capacity, shall be prosecuted or defended, as the case may be,
 235 by such bailiff, or his legal representatives, at the expense of the city of Chicago,
 236 and such expense, together with all costs of such suit, shall be paid out of the
 237 city treasury.

238 Sec. 17. That said bailiff shall appoint such number of deputies as may be
 239 determined, from time to time, by a majority of the judges of the municipal
 240 court, by orders signed by them and spread upon the records of said court. The
 241 salaries of deputy bailiffs shall be fixed, from time to time, by orders signed by
 242 a majority of the judges of the municipal court and spread upon the records of
 243 the court, and shall be payable out of the city treasury in monthly installments:
 244 *Provided, however,* that the salary of the chief deputy bailiff shall be four
 245 thousand dollars (\$4,000) per annum, and that the salary of the assistant chief
 246 deputy bailiff shall be two thousand five hundred dollars (\$2,500) per annum;
 247 *and, provided, further, that the bailiff may appoint three additional deputy*
 248 *bailiffs; that the salary of one such deputy bailiff shall be two thousand five hun-*

249 dred dollars (\$2,500) per annum, and the salary of the remaining two of said dep-
 250 uty bailiffs shall be two thousand dollars (\$2,000) each per annum; and that the
 251 salary of no other deputy bailiff shall exceed one thousand eight hundred
 252 dollars (\$1,800) per annum. Such deputy bailiffs shall take the same oath or af-
 253 firmation required of the bailiff of said municipal court, and shall give bonds, to
 254 be approved by the chief justice of said court, conditioned, as near as may be, like
 255 the bond required of the bailiff. The bailiff and deputy bailiffs of the municipal
 256 court shall be ex officio police officers of the city of Chicago. Any deputy bailiff
 257 shall be subject to removal at any time by an order signed by a majority of the
 258 judges of the municipal court and spread upon the records of said court. Any
 259 deputy bailiff may likewise be removed by the bailiff: *Provided, however,* that
 260 any deputy bailiff so removed may be restored to his position by an order signed
 261 by a majority of the judges of said municipal court and spread upon the records
 262 of said court. The number of deputy bailiffs may be reduced at any time by an
 263 order signed by a majority of the judges of said municipal court and spread
 264 upon the records of said court. Every police officer of the city of Chicago and
 265 every police officer employed by any board of park commissioners whose terri-
 266 tory is situated in whole or in part within said city, shall be ex officio a deputy
 267 bailiff of the municipal court and shall perform, from time to time, such duties
 268 in respect to *criminal and quasi criminal cases* within the jurisdiction of said
 269 court as may be required of him by said court or any judge thereof. The bailiff
 270 may appoint a special deputy to serve any summons issued out of the municipal
 271 court, by endorsement thereon substantially as follows: "I hereby appoint
 272 my special deputy to serve the within writ," which
 273 shall be dated and signed by the bailiff. Such special deputy shall make return
 274 of the time and manner of service of such writ, under his oath, and for making a
 275 false return, he shall be guilty of perjury and be punished accordingly.

276 Sec. 23. That the manner of prosecuting the writ of error herein provided
 277 for, in cases of the fourth and fifth class, shall be as follows:

278 First: Any party to any such case against whom there has been rendered
 279 any final order or judgment of the municipal court and who shall desire to obtain
 280 a review of such final order or judgment by a writ of error and who shall, for
 281 that purpose, also desire a stay of execution may, upon suing out of the supreme
 282 court, or appellate court, as the case may be, a writ of error in such case and filing
 283 the same in the municipal court, obtain from the municipal court a stay of exe-
 284 cution of such order or judgment for ninety (90) days after the entry thereof
 285 by the giving of a bond with a sufficient surety or sureties to be approved by a
 286 judge of the municipal court conditioned for the due prosecution of such writ of
 287 error, and otherwise, as near as may be, as an appeal bond in case of an appeal
 288 from a similar order or judgment of a circuit court is required to be conditioned.
 289 No such bond, however, need be given in any case if the party suing out such
 290 writ of error shall not desire a stay of execution.

291 Second: No other or further stay of proceedings or execution in any such
 292 case shall be allowed by the municipal court, but the supreme court or the ap-
 293 pellate court, or any judge thereof, may allow a supersedeas as in other cases,
 294 but upon the allowance of any supersedeas, when any bond has been given as
 295 above provided, no additional bond shall be required, and such supersedeas shall
 296 be operative until the final determination of such writ of error.

297 Third: The party suing out any writ of error *within thirty days after the*
 298 *entry of the order or judgment sought to be reviewed*, shall not be required to
 299 serve upon the opposite party any scire facias to hear errors, but in lieu there-
 300 of shall, within five days after the issuance of the writ of error, file the same with
 301 the clerk of the municipal court, and make to the supreme court or the appellate
 302 court, as the case may be, proof of such filing, and such writ of error so filed
 303 shall be notice to the opposite party of the suing out and prosecution of such
 304 writ of error.

305 Fourth: Upon application made at any time within thirty days after the
 306 entry of any final order or judgment, or within such further time as the court may
 307 allow *within said thirty days, or within any extended time allowed by the court,*

308 it shall be the duty of the judge by whom such final order or judgment was en-
 309 tered to sign and place on file in the case in which the same was
 310 entered, if so requested by either of the parties to the suit, either
 311 a correct statement, to be prepared by the party requesting the sign-
 312 ing of the same, of the facts appearing upon the trial thereof, and of all
 313 questions of law involved in such case, and the decisions of the court upon such
 314 questions of law, or, if such party shall so elect, a correct stenographic report
 315 of the proceedings at the trial, and a correct statement of such other proceed-
 316 ings in the case as such party may desire to have reviewed by the supreme court
 317 or the appellate court, omitting therefrom, with the approval of the judge, so
 318 much of the arguments of counsel and of the other proceedings, other than the
 319 evidence and rulings of the court with respect thereto and the charge of the
 320 court, as the judge may deem unnecessary for the presentation to the supreme
 321 court or the appellate court of the merits of the case: *Provided, however,* that the
 322 opposite party may, if he so elect, *and within such time as may be allowed by*
 323 *order of court entered within thirty days after the filing of such original,* cause
 324 the parts so omitted to be signed by the judge as an additional report, and
 325 cause the same to be certified by the clerk and filed in the supreme court or ap-
 326 pellate court, as the case may be, as a part of the record to be considered upon
 327 such writ of error. The expense of procuring such report, or additional report,
 328 shall be paid in the first instance by the party procuring the same, and shall be
 329 taxed as a part of the costs in the supreme court or appellate court, as the case
 330 may be. Such statement, or such original report and additional report, if there
 331 be such original or additional report, together with a certified copy of the judg-
 332 ment, and such other papers as may be specified by the judge, if any, shall be
 333 certified to the supreme court or appellate court, as the case may be, as the
 334 record to be considered upon the review of such order or judgment by writ
 335 of error.

336 Fifth: No order or judgment so sought to be reviewed shall be reversed
 337 unless the supreme court or appellate court, as the case may be, shall be satis-

338 fied from said statement or stenographic report, or reports, signed by said judge,
 339 that such order or judgment is contrary to the law and the evidence, or that
 340 such order or judgment resulted from substantial errors of said municipal
 341 court directly affecting the matters at issue between the parties, in which last
 342 mentioned case the supreme court or appellate court, as the case may be, may en-
 343 ter such order or judgment as, in its opinion, the municipal court ought to have
 344 entered, or it may reverse the said order or judgment and remand the case to
 345 the municipal court for further proceedings.

346 Sixth: No assignment of error in the supreme court or in the appellate
 347 court in any such case shall be allowed which shall call in question the decision
 348 of such municipal court in respect to any matter pertaining to the practice in
 349 such court, nor shall any exceptions to the rulings and decisions of the municipal
 350 court upon the trial, or other proceedings, which appear to have been made
 351 against the objection of the party complaining thereof, be necessary to the right
 352 of either party to a review of such rulings and decisions in the supreme court
 353 or appellate court upon their merits, but it shall be the duty of the supreme court
 354 or the appellate court, as the case may be, to decide such case upon its merits
 355 as they may appear from such statement or stenographic report signed by the
 356 judge: *Provided, however,* that the supreme court or appellate court, as the
 357 case may be, may grant relief from any error of the municipal court in respect
 358 to a matter of practice therein in any case where in the opinion of the supreme
 359 court or the appellate court, such relief is necessary to prevent a failure of
 360 justice.

361 Seventh: In all other particulars the practice in writs of error to the mu-
 362 nicipal court in cases of the fourth and fifth classes, shall be the same, as near
 363 as may be, as the practice in writs of error to circuit courts in similar cases.

364 Sec. 28. That, until otherwise provided by the rules of the municipal
 365 court, cases of the first class mentioned in Section two (2) of this Act shall be
 366 commenced and prosecuted in said municipal court in the same manner in which

367 similar suits and proceedings are required to be commenced and prosecuted in the
368 circuit courts, except as is herein otherwise prescribed, and excepting also in the
369 following particulars:

370 First: The summons, when the first process is a summons, or the writ when
371 the first process is a writ, shall be directed to the bailiff to execute and shall be
372 returnable upon some Monday at least five days, and not more than twenty days,
373 after the date thereof.

374 Second: Service of such summons or writ shall be made by delivering a
375 copy thereof to the defendant, if an individual, and informing him of the con-
376 tents thereof; an incorporated company may *in cases of the first class, be served*
377 *with process by leaving a copy thereof with its president, if he can be found in*
378 *the city of Chicago, or if the president cannot be found in the city of Chicago,*
379 *then by leaving a copy of the process with any clerk, secretary, superintendent,*
380 *general agent, cashier, director, engineer, conductor, station agent or any agent*
381 *of said company found in the city of Chicago. The receiver or receivers of any*
382 *incorporated company, or a trustee or trustees operating, managing or controll-*
383 *ing a railway may, in cases of the first class, be served by leaving a copy of*
384 *such process with any clerk, secretary, superintendent, general agent, engineer,*
385 *conductor, station agent or any agent in the employ of such receiver, receivers,*
386 *trustee or trustees, who may be found in the city of Chicago.*

387 Third: Notice to the defendant by publication may be given under like
388 circumstances and in the same manner as is provided by law for similar cases
389 in the circuit courts, but the notice published, in lieu of stating the time of the
390 return of the summons or writ, shall state the date on or before which the defend-
391 ant is required to appear, which date shall be some Monday not less than thirty
392 or more than sixty days after the date of the first publication of notice, as the
393 plaintiff may require.

394 Fourth: No such suit shall be commenced in the municipal court unless
395 the defendant, if there be but one defendant, resides or is found within the city
396 of Chicago, or if the defendant be a corporation, unless its principal office is

397 within said city; but if the defendant be a corporation not having a principal
 398 office in the city of Chicago, such suit may be brought in the municipal court
 399 wherever service of process may be had within the city upon any officer, agent or
 400 employee of such corporation upon whom service of process might be had if
 401 issued in a suit commencing in the circuit court.

402 Fifth: The provisions of paragraph fourth above, shall not apply to at-
 403 tachment suits, replevin suits or cases of distress for rent, where it shall ap-
 404 pear by affidavit filed in the cause or by the return of the officer having the writ
 405 that the defendant is not a resident of this State, or has departed from this
 406 State, or on due inquiry cannot be found, or is concealed within this State so
 407 that process cannot be served upon him and such suits may be brought in the
 408 municipal court when any property of the defendant is levied upon, or distrained,
 409 or any garnishee resides or is found within the city of Chicago, or, if the suit be a
 410 replevin suit, when the property sued for is replevied within the city of Chicago.

411 Sixth: When there are several defendants, one of whom resides or is found
 412 or is served with process in the city of Chicago, a summons or writ may be is-
 413 sued to the sheriff of Cook county for any defendant residing or to be found
 414 in said county, but outside of the city of Chicago, or to the sheriff of any other
 415 county for any defendant residing or to be found in such other county, and
 416 service of any summons or writ so issued shall be made in the same manner as
 417 herein required in the case of a summons or writ directed to the bailiff: *Pro-*
 418 *vided, however,* that no judgment shall, in any case, be rendered against any de-
 419 fendant served with process outside of the city of Chicago, unless judgment be
 420 also rendered against a defendant served within said city of Chicago.

421 Seventh: The plaintiff shall file his declaration within three days after the
 422 commencement of the suit, in default whereof the suit shall be dismissed unless
 423 the court by an order entered in said suit shall extend the time for filing such dec-
 424 laration.

425 Eighth: The defendant shall, in case he shall have been served with process
 426 or summons, or with the writ, three days or more prior to the return day thereof,

427 enter his appearance on or before such return day and shall demur or plead to
 428 the declaration or the complaint on or before the Monday succeeding such re-
 429 turn day; but in case the summons or writ shall have been served less than three
 430 days prior to the return day the defendant shall not be required to enter his ap-
 431 pearance until on or before the first Monday succeeding such return day and
 432 shall not be required to plead to the declaration or complaint until on or before
 433 the second Monday after such return day. In case the time for filing the decla-
 434 ration or complaint shall be extended by the court, the time for the defendant to
 435 demur or plead to the same shall be extended until the second Monday succeeding
 436 the expiration of such extension of time. The time within which the defendant is
 437 required to demur or plead may be extended by the court in its discretion. In
 438 case the defendant shall fail to enter his appearance or to demur or plead within
 439 the time thus required, the plaintiff shall be entitled to judgment by default.

440 Ninth: The judges of said municipal court may, by rules adopted in the
 441 manner prescribed by this Act, provide that the practice in cases of the first
 442 class shall be the same as in this Act provided for cases of the fourth class. But
 443 all cases provided for in this section shall be commenced, prosecuted and dis-
 444 posed of in the First District.

445 Sec. 29. That cases of the fourth class mentioned in Section two (2) of this
 446 Act shall be brought and prosecuted in the district in which the defendant, or
 447 one of the defendants, if there is *more than one defendant, resides or is found.*
 448 *If the defendant be a corporation having its principal office in the city of Chi-*
 449 *cago, in the district in which its principal office is located; but if the defendant*
 450 *be a corporation not having a principal office in the city of Chicago, suit may*
 451 *be brought in any district where process can be served on the president, clerk,*
 452 *secretary, superintendent, general agent, cashier, principal, director, engineer,*
 453 *conductor, station agent, or any agent of said company, found in that district.*
 454 *Service may be had upon any incorporated company by leaving a copy of the*
 455 *process with its president, if he can be found in the city of Chicago, or if the*
 456 *president cannot be found in the city of Chicago, then by leaving a copy of the*

457 *process with any clerk, secretary, superintendent, general agent, cashier, direc-*
 458 *tor, engineer, conductor, station agent, or any agent of said company found in*
 459 *the city of Chicago. The receiver or receivers of any incorporated company, or a*
 460 *trustee or trustees operating, managing or controlling a railway, may be served*
 461 *by leaving a copy of such process with any clerk, secretary, superintendent, gen-*
 462 *eral agent, engineer, conductor, station agent, or any agent in the employ of such*
 463 *receiver, receivers, trustee or trustees, who may be found in the city of Chicago.*
 464 *If, in any such case, there is more than one defendant and one defendant*
 465 *resides or is found within the district in which suit is brought or is properly*
 466 *served with process therein, the process of such municipal court may be served*
 467 *upon the remaining defendant or defendants at any place within said city of Chi-*
 468 *cago. But no suit against the city of Chicago or any other municipal corporation*
 469 *shall be brought in any other than the first district. If, in any case where there*
 470 *is more than one defendant, process is duly served upon one or more defendants*
 471 *and returned not served as to another defendant or other defendants, the suit*
 472 *shall proceed as in like cases in the circuit court. But the requirements that the*
 473 *defendant, if there be but one defendant, or one of the defendants if there be*
 474 *more than one defendant, must reside or be found within the district in which*
 475 *such suit is brought, shall not apply to attachment suits, replevin suits or cases*
 476 *of distress for rent, which suits may be brought in any district when any prop-*
 477 *erty of the defendant is found, levied upon, replevied or distrained within such*
 478 *district, or any garnishee resides or is found in such district, and service of pro-*
 479 *cess may be had on any defendant, or defendants, anywhere in the city of Chi-*
 480 *cago, nor shall it apply to forcible entry and detainer suits, which suits may be*
 481 *brought in any district in which the property, the possession of which is sought*
 482 *to be recovered, is situated, and service of process may be had anywhere in the*
 482½ *city of Chicago, and notice may be given in the manner prescribed*
 483 *by this Act. When, upon the complaint of any defendant, it shall be*
 484 *made to appear to the municipal court in any district, that the suit has been*
 485 *improperly brought therein, the court shall not be required on that account to*

486 dismiss the suit, if the municipal court in any district could properly have juris-
 487 diction thereof, but in such case the court may cause such suit to be transferred
 488 to the proper district and the court in the district to which the same is trans-
 489 ferred shall proceed therewith as if the same had been originally commenced in
 490 said district: *Provided, however,* that the court may, in its discretion, require
 491 the plaintiff to pay the costs of the defendant paid by him prior to such trans-
 492 fer: *And, provided, further, that* whenever a trial by jury is demanded in any
 493 case, whether civil, criminal or quasi criminal, the court may, in its discretion,
 494 direct the trial of said cause to be had in the first district, and for that purpose
 495 may cause said case to be transferred to the first district, to be there tried and
 496 disposed of.

497 Sec. 30. That every suit at law in the municipal court other than a case
 498 of the second class, or a case of the third class, or a case of the fifth class, or a
 499 bastardy case, mentioned in Section two (2) of this Act, shall be tried by the
 500 court without a jury unless the plaintiff, at the time he commences his suit, or
 501 the defendant at the time he enters his appearance, shall file with the clerk a
 502 demand in writing of a trial by jury, which demand, however, may be withdrawn
 503 by the party filing the same at any time before the trial. Every civil suit at
 504 law of the second class shall be tried by the court without a jury unless the
 505 respective parties, or one of them, shall, at the time of entering their or his ap-
 506 pearance in the municipal court, file with the clerk a demand in writing of a trial
 507 by jury. *If the plaintiff shall have demanded a trial by jury as herein provided,*
 508 *the suit shall be tried by jury unless both parties shall waive the same.* Every
 509 person desirous of suffering a non-suit, shall be barred therefrom unless he do
 510 so before the jury retires from the bar, or, *if the case is tried before the court*
 511 *without a jury, before the case is submitted for final decision.*

512 Sec. 32. That the municipal court in any civil suit pending therein at
 513 any time before trial or final hearing, may permit the filing therein of inter-
 514 rogatories to be answered by any party to such suit, or any person for whose

515 immediate benefit such suit is prosecuted or defended, or by the directors, offi-
 516 cers, superintendent, or managing agents of any corporation which is a party
 517 to the record of the suit, at the instance of the adverse party or parties, or any
 518 of them, and may require an answer under oath to all such interrogatories as the
 519 party to be interrogated might be required to answer if called as a witness
 520 upon the trial or hearing of such suit, but the party filing such interrogatories
 521 shall not be concluded by the answers thereto if he shall elect to introduce the
 522 same, or any or either of them, upon the trial or final hearing. *If the plaintiff*
 523 *or plaintiffs fail or refuse to answer sufficient interrogatories propounded*
 524 *to them by the defendant or defendants when so ordered to do by the*
 525 *court, the court may dismiss the suit, or if the defendant or defendants have*
 526 *pleaded a set-off the court may enter judgment against the plaintiffs upon the af-*
 527 *fidavits of the defendants to their set-off. If the defendant or defendants fail*
 528 *or refuse to answer sufficiently interrogatories propounded to them by the plain-*
 529 *tiff or plaintiffs when ordered so to do by the court, the court may strike their*
 530 *pleadings from the files and enter judgment as in case of default, upon the plain-*
 531 *tiff's affidavit of claim. Or the court may proceed by contempt proceedings*
 532 *against either such party refusing to answer.*

533 Sec. 38. That whenever it appears in any bill of exceptions signed in any
 534 case of the first class, or any case of the second class, or any case of the
 535 third class, or any bastardy case, mentioned in Section two (2) of this Act, tried
 536 and determined in the municipal court, that any erroneous ruling was made by
 537 said municipal court against the objection of the party complaining thereof, but
 538 that no formal exception was taken by such party thereto, such erroneous rul-
 539 ing shall be subject to review upon appeal or writ of error to the same effect and
 540 in like manner as if it appeared that a formal exception had been taken thereto
 541 by the party complaining, and no bill of exceptions shall be held defective for
 542 the want of the seal of the judge thereto. A bill of exceptions may be tendered
 543 to the judge at any time within sixty (60) days after the entry of a final order

544 or judgment, or within such further time thereafter, *or within any extended*
 545 *time*, as the court, upon application made therefor, may allow. Upon the prose-
 546 cution of an appeal or writ of error to review any judgment of the municipal
 547 court, in any such case, the original bill of exceptions, in lieu of a certified copy
 548 thereof, shall be inserted in the transcript of the record to be filed in the su-
 549 preme court or appellate court upon such appeal or writ of error, unless the mu-
 550 nicipal court shall otherwise direct, and upon the final determination of such ap-
 551 peal or writ of error such original bill of exceptions shall be remitted to the
 552 municipal court.

553 Sec. 48. That the practice and proceedings in the municipal court, in cases
 554 of attachment, garnishment, replevin, distress for rent, and forcible detainer, in-
 555 cluded within the cases of the fourth class mentioned in Section two (2) of this
 556 Act, shall be the same, as near as may be, as that which is now prescribed by
 557 law for similar cases in other courts of record, except as otherwise provided in
 558 this Act, and also except as follows:

559 First: There shall be no written pleadings, excepting such as are required
 560 by law in similar cases before justices of the peace, other than the affidavits in
 561 attachment, garnishment and replevin, copies of the distress warrant in cases
 562 of distress for rent, the complaint in forcible detainer, and such other written
 563 pleadings or statements as may be required from time to time by the rules or
 564 regulations of the municipal court, and the writ and summons shall be made re-
 565 turnable, and shall be served in like manner, as the summons in other cases of
 566 such class in the municipal court, *except in cases of forcible entry and detainer,*
 567 *in which cases the summons shall be served in like manner as is now provided by*
 568 *law in similar cases before justices of the peace ;and in cases of replevin where the*
 569 *value of the property does not exceed two hundred dollars (\$200.00) and in cases*
 570 *of forcible entry and detainer, and in cases of attachment, garnishment and dis-*
 571 *tress for rent where the amount claimed by the plaintiff does not exceed two*
 572 *hundred dollars (\$200.00), posting and publication may be had as in like cases*

573 before justices of the peace, *and in like manner*, and in all other cases *notice*
 574 *by publication may be given* in the manner prescribed by law *for like*
 575 *cases in a circuit court*; alias and pluries writs may be issued under like cir-
 576 cumstances as alias and pluries summonses in other cases of the fourth class.

577 Second: In attachment cases the defendant, at the time of his appearing
 578 in person, or of his entering his appearance in writing, if he shall desire to be
 579 permitted to present any set-off or counter-claim, shall file a statement thereof.

580 Third: In forcible detainer cases the plaintiffs may unite with his claim for
 581 possession of the property any claim for rent or damages for withholding posses-
 582 sion of the same.

583 Sec. 50e. *That any judge of the municipal court to whom application is made*
 584 *for a warrant, capias or writ of attachment, in any case of criminal or quasi-*
 585 *criminal nature, when he is not presiding in court, shall have power and author-*
 586 *ity to issue such warrant, capias or writ of attachment and sign the same with*
 587 *his own name as judge of the municipal court, and indorse thereon the amount*
 588 *of bail in which defendant shall be held, which warrant, capias or writ of at-*
 589 *tachment, when so signed by the judge, shall have the same force and effect as*
 590 *if the same were issued and signed by the clerk of the court. Any complaint*
 591 *or affidavit received by such judge upon the issuance of such warrant, capias or*
 592 *writ of attachment shall be filed with the clerk as soon as may be after the issuing*
 593 *of such warrant, capias or writ of attachment.*

594 Sec. 62. That it shall be the duty of the chief justice of the municipal court
 595 to superintend the keeping of the records of said court. *He shall have power*
 596 *and authority to prescribe abbreviated and amplified forms of entries of orders,*
 597 *judgments and decrees in the municipal court, which abbreviated forms shall*
 598 *stand for and represent the respective amplified forms thereof. The entry by*
 599 *any branch court of any order, judgment or decree in such abbreviated form*
 600 *shall, in legal effect, be the adoption by the court of the prescribed amplified*
 601 *form corresponding to such abbreviated form, and shall have the same force and*

602 effect as if such order, judgment or decree were written out in full in the records
 603 of said court. Said amplified forms shall in all cases constitute the true record
 604 of the court. Said chief justice shall have power and authority to prescribe
 605 any rules and regulations concerning the adoption and use of any abbreviated and
 606 amplified forms or orders, judgments and decrees that are not inconsistent with
 607 this Act.

608 Sec. 63. That the judgments, orders and decrees of the municipal court shall
 609 have the same force, be of the same effect, be liens upon real estate or any in-
 610 terest therein in the city of Chicago, to the same extent and under the same cir-
 611 cumstances, and be executed and enforced in the same manner as the judgments,
 612 orders and decrees of the circuit court of Cook county, *except as is otherwise*
 613 *in this Act provided. No judgment, order or decree of the municipal court, the*
 614 *amount of which—exclusive of costs—is, at the date of rendition thereof, less*
 615 *than two hundred dollars, shall be a lien upon real estate or any interest therein*

 624 *be of the same effect, be a lien upon unregistered real estate or any interest*
 625 *therein throughout such county to the same extent and under the same circum-*
 626 *stances as a judgment, order or decree of the circuit court of such county. No*
 627 judgment, order or decree of the municipal court shall be a lien upon or affect
 628 registered land or any estate or interest therein, until a certificate under the
 629 hand and official seal of the clerk of the municipal court, stating the date and

 662 any other county in this State, shall, throughout the county in which said tran-
 663 script is filed as aforesaid, be of the same force, have the same effect and be ex-

 120 *common carrier* within the State.

121 Sec. 10. Such Commissioners shall, on or before the first day of December
 122 of each year, or oftener if required by the Governor to do so, make a report to
 123 the Governor of their doings for the preceding year, containing such facts, state-
 124 ments and explanations as will disclose the actual workings of the system of
 125 *transportation of persons or property by common carriers within this State* and
 126 *of the warehouse business* in their bearings upon the business and prosperity of
 127 the people of the State and such suggestions in relation thereto as to them may
 128 seem appropriate, and particularly first, whether in their judgment the railroads
 129 can be classified in regard to rate of fare and freight to be charged upon them,

130 and if so, in what manner; second, whether a classification of freight can also
 131 be made, and if so, in what manner. They shall also, at such times as the Gov-
 132 ernor shall direct, examine any particular subject connected with the condition
 133 and management of such railroads, *other common carriers* and warehouses, and
 134 report to him in writing their opinion thereon with their reasons therefor.

135 Sec. 11. Said Commissioners shall examine into the conditions and manage-
 136 ment, and all other matters concerning the business of railroads, *other common*
 137 *carriers* and warehouses in this State so far as the same pertains to the relation
 138 of such roads, *other common carriers* and warehouses to the public and to the ac-
 139 commodation and security of persons doing business therewith, and whether
 140 such railroad companies, *other common carriers* and warehouses, their officers,
 141 directors, managers, lessees, agents and employees, comply with the laws of this
 142 State now in force, or which shall hereafter be in force concerning them. And
 143 whenever it shall come to their knowledge, either upon complaint or otherwise,
 144 or they shall have reason to believe that any such law or laws have been or are
 145 being violated, they shall prosecute or cause to be prosecuted all corporations
 146 or persons guilty of such violation.

147 Sec. 11½. It shall be the duty of said board of commissioners to investi-
 148 gate the cause of any accident on any railroads, resulting in the loss of life or
 149 injury to person or persons, *or property* which in their judgment shall require
 150 investigation, and report the same in the annual report of said Commissioners:
 151 *and shall, from time to time, if in their judgment it is advisable and at any time*
 152 *upon request of the Governor, make complete report to him upon all such acci-*
 153 *dents.* And it is hereby made the duty of the general superintendent or manager
 154 of each railroad *doing business* in this State to inform said board of any such
 155 accident immediately after its occurrence. Whenever it shall come to the knowl-
 156 edge of said board, by complaint or otherwise, that any railroad bridge or tres-
 157 tle, or any portion of the track of any railroad in this State is out of repair, or is
 158 in an unsafe condition, it shall be the duty of such board to investigate, or

159 cause an investigation to be made of the condition of such railroad bridge, tres-
160 tle or tracks, and may employ such person or persons who may be civil engineer
161 or engineers, as they shall deem necessary for the purpose of making such in-
162 vestigation, and whenever in the judgment of said board, after such investiga-
163 tion, it shall become necessary to rebuild such bridge, track or trestle, or repair
164 the same, the said board shall give notice and information in writing to the cor-
165 poration of the improvements and changes which they may deem to be proper.
166 And shall recommend to the corporation or person or persons owning or op-
167 erating such railroad, that it, or he, or they, make such repairs, changes or im-
168 provements, or rebuild such bridge or bridges on such railroad, as the board shall
169 deem necessary to the safety of persons *and property* being transported thereon.
170 And said board shall give such corporation or person or persons owning or op-
171 erating said railroad an opportunity for a full and fair hearing on the subject
172 of such investigation and recommendation. And said board shall, after having
173 given such corporation or person or persons operating such railroad an oppor-
174 tunity for a full hearing thereon, if such corporation or person shall not satisfy
175 said board that no action is required to be taken by it or them, fix a time within
176 which said changes or repairs shall be made, or such bridges, tracks or culverts
177 shall be rebuilt, which time the board may extend. It shall be the duty of the
178 corporation, person, or persons, owning or operating said railroad to comply
179 with such recommendations of said board as are just and reasonable. And the
180 Supreme Court or the Circuit Court in any circuit in which said railroad may
181 be in part situated, shall have power in all cases of such recommendations by
182 said board, to compel compliance therewith by mandamus. If any such corpora-
183 tion or person or persons owning or operating any such railroad shall, after such
184 hearing, neglect or refuse to comply with the recommendation or recommenda-
185 tions of said board as to making any repairs, changes or improvements on any
186 bridge, track or trestle, or to rebuild any bridge within the time fixed by said
187 board therefor, said board shall report such neglect or refusal, together with the

188 facts in such case, touching the necessity for such repairs, changes or rebuilding
 189 to the Attorney General of the State of Illinois, who shall thereupon take such
 190 action as may be necessary to secure compliance with such recommendations of
 191 said board. In all actions or proceedings brought by the Attorney General to
 192 compel compliance with the recommendations of the board, the findings of the
 193 board shall be *prima facie* evidence of the facts therein stated, and the recom-
 194 mendation of the board shall be deemed *prima facie* just and reasonable. Noth-
 195 ing herein contained shall impair the legal liability of any railroad company for
 196 the consequences of its acts. And all existing remedies therefor are hereby
 197 saved to the people and to individuals.

198 Sec. 13. The property, books, records, accounts, papers and proceedings of
 199 all such railroad companies, *other common carriers* and all public warehousemen,
 200 shall at all times, during business hours, be subject to the examination and in-
 201 spection of such commissioners, and they shall have power to examine, under
 202 oath or affirmation, any and all directors, officers, managers, agents and em-
 203 ployees of any such railroad corporation, *or other common carrier*, and any and
 204 all owners, managers, lessees, agents and employees of such public warehouses
 205 and other persons, concerning any matter relating to the condition and manage-
 206 ment of such business. *The commissioners, or any of them, in the performance*
 207 *of their official duties, or any person specially delegated by the Commission for*
 208 *that purpose, may enter and remain during business hours in the cars, offices,*
 209 *depots and upon the railroads or in vessels, or in or upon any of the instrumentali-*
 210 *ties used by common carriers in and about the transportation of persons or prop-*
 211 *erty between points wholly within the State of Illinois and may examine the*
 212 *books and affairs of such common carriers and in all proceedings before the Com-*
 213 *mission under a complaint duly filed, or upon a proceeding begun by the Commis-*
 214 *sion upon their own motion, the Commission shall have power to require by*
 215 *subpoena the attendance and the testimony of witnesses and the production of*
 216 *all books, papers, tariffs, contracts, agreement and documents relating in any*

217 *matter embraced within such complaint or proceedings. Information so obtained*
 218 *shall not be admitted in evidence or used in any other proceeding.*

219 Sec. 16. Every railroad company *or other common carrier* and every of-
 220 ficer, agent or employee of any railroad company *or other common carrier*, and
 221 every owner, lessee, manager or employee of any warehouse, who shall wilfully
 222 neglect to make and furnish any report required in this Act at the time required,
 223 or who shall wilfully and unlawfully hinder, delay or obstruct said commissioners
 224 in the discharge of the duties hereby imposed upon them, shall forfeit and pay a
 225 sum of not less than \$100 nor more than \$5,000 for each offense, to be recovered
 226 in an action of debt in the name and for the use of the People of the State of
 227 Illinois; and every railroad company *or other common carrier*, and every officer,
 228 agent or employee of any such railroad company, *or other common carrier*, and
 229 every owner, lessee, manager, or agent or employee of any public warehouse,
 230 shall be liable to a like penalty for every period of ten days it or he shall wil-
 231 fully neglect or refuse to make such report.

232 Sec. 17. It shall be the duty of the Attorney General and the State's Attor-
 233 ney in *any* county, on the request of said commissioners, to institute and prose-
 234 cute any and all suits and proceedings which they or either of them shall be
 235 directed by said commissioners to institute and prosecute for a violation of this
 236 Act, or of any law of this State concerning railroad companies, *other common*
 237 *carriers*, or warehouses, the officers, employees, owners, operators or agents of
 238 any such companies, *common carriers*, or warehouses.

239 Sec. 18. All such prosecutions shall be in the name of the People of the
 240 State of Illinois, and all moneys arising therefrom shall be paid into the State
 241 Treasury by the Sheriff or other officer collecting the same; and the State's At-
 242 torney shall be entitled to receive for his compensation, from the State Treas-
 243 urer on bills to be approved *by the Chairman of the Commission and* by the Gov-
 244 ernor, a sum not exceeding 10 per cent of the amount received and paid into the

245 State Treasury as aforesaid: *Provided*, this Act shall not be construed so as
 246 to prevent any person from prosecuting any *qui tam* action as authorized by law
 247 and of receiving such part of the amount recovered in such action as is or may
 248 be provided under any law of this State.

249 Sec. 19. This Act shall not be so construed as to waive or effect the right of
 250 any person, injured by the violation of any law in regard to railroad companies,
 251 *other common carriers* or warehouses, from prosecuting for his private damages
 252 in any manner allowed by law.

253 Sec. 20. *Said Railroad and Warehouse Commission is hereby given juris-*
 254 *diction over all common carriers within the State.*

255 Sec. 21. *The term "common carrier" used in this Act, includes all railroad*
 256 *corporations, express companies, steamboat lines or other common carriers by*
 257 *water, private car line companies, sleeping-car companies, fast freight-line com-*
 258 *panies, and shall also include every other corporation, company, association,*
 259 *joint-stock association, partnership and person, their lessees, trustees or re-*
 260 *ceivers appointed by any court whatsoever, operating or managing any such*
 261 *agency for public use in the conveyance of persons or property within this State;*
 262 *Provided, teaming companies shall not be included within the definition herein*
 263 *stated.*

264 Sec. 22. *The term "railroad" used in this Act includes every railroad, other*
 265 *than a street railroad, by whatsoever power operated for public use in the cou-*
 266 *veyance of persons or property for compensation, with all bridges, ferries, tun-*
 267 *nels, equipment, switches, spurs, tracks, depots and power stations, and terminal*
 268 *facilities of every kind used or operated by any such railroad; and also all pas-*
 269 *senger or freight depots, yards, docks and grounds used by any railroad in the*
 270 *transportation of passengers or property. This section shall not be construed to*
 271 *in any way affect or repeal an Act in relation to the crossing of one railroad by*
 272 *another, approved May 25, 1907, and in force July 1, 1907.*

273 Sec. 23. *The term "transportation" shall include cars and other vehicles*
 274 *and all instrumentalities and facilities of shipment or carriage, irrespective of*
 275 *ownership or of any contract, expressed or implied, for the use thereof, and all*
 276 *service in connection with the receipt, delivery and transfer in transit, refrigera-*
 277 *tion or icing, storage and handling of property transported.*

278 Sec. 24. *It shall be the duty of every common carrier subject to the pro-*
 279 *visions of this Act, to provide and furnish such transportation at reasonable*
 280 *rates upon an order made by the Railroad and Warehouse Commission, upon*
 281 *proper application and proper showing of the necessity therefor, upon a hearing*
 282 *before said Commission.*

283 Sec. 25. *That it shall be unlawful for any common carrier subject to the*
 284 *provisions of this Act, to charge or receive any greater compensation in the ag-*
 285 *gregate for the transportation of passengers, or of like kind of property, for a*
 286 *shorter than for a longer distance over the same line or route in the same direc-*
 287 *tion, the shorter being included within the longer distance, or to charge any*
 288 *greater compensation as a through route than the aggregate of the intermediate*
 289 *rates subject to the provisions of this Act; but this shall not be construed as*
 290 *authorizing any common carrier within the terms of this Act to charge or re-*
 291 *ceive as great compensation for a shorter as for a longer distance; Provided,*
 292 *however, that upon application to the Railroad and Warehouse Commission,*
 293 *such common carrier may, in special cases, after investigation, be authorized by*
 294 *the Commission to charge less for longer than for shorter distances for the*
 295 *transportation of passengers or property; and the Commission may, from time*
 296 *to time, prescribe the extent to which such designated common carrier may be re-*
 297 *lieved from the operation of this section; Provided, further, that no rates or*
 298 *charges lawfully existing at the time of the passage of this Act shall be required*
 299 *to be charged by reason of the provisions of this section prior to the expiration*
 300 *of six months after the passage of this Act, nor in any case where application*
 301 *shall have been filed before the Commission, in accordance with the provisions*
 302 *of this section, until a determination of such application by the Commission.*

303 Sec. 26. *Every common carrier engaged in transportation of persons or*
304 *property between points wholly within the State of Illinois, is required to afford*
305 *all reasonable, proper and equal facilities for the interchange of passenger and*
306 *property traffic between the lines owned, operated, controlled or leased by it and*
307 *the lines of every other common carrier, and for the prompt transfer of passengers*
308 *and for the prompt receipt and forwarding of property to and from its said lines;*
309 *and no common carrier shall in any manner discriminate in respect to rates,*
310 *fares or charges or in respect to any service, or in respect to any charges or fa-*
311 *cilities for any such transfer in receiving or forwarding between any two or more*
312 *other common carriers or between passengers or property destined to points upon*
313 *the lines of any two or more other common carriers or in any respect with refer-*
314 *ence to passengers or property transferred or received from any two or more*
315 *other common carriers. Every common carrier, as such, is required to receive*
316 *from every other common carrier, at a connecting point, freight cars of proper*
317 *standard and equipment, and haul the same through to destination, if the des-*
318 *tination be upon a line owned, operated or controlled by such common carrier,*
319 *or if the destination be upon a line of some other common carrier, to haul any*
320 *car so delivered through to the connecting point upon the line owned, operated,*
321 *controlled or leased by it, by way of route over which car is billed, and there to*
322 *deliver the same to the next connecting carrier. Nothing in this section shall be*
323 *construed as in any wise limiting or modifying the duty of a common carrier to*
324 *establish joint rates, fares and charges for the transportation of passengers and*
325 *property over the lines owned, operated, controlled and leased by it and the lines*
326 *of other common carriers, nor as in any manner limiting or modifying the power*
327 *of the commission to require the establishment of such joint rates, fares and*
328 *charges. But this shall not be construed as requiring any common carrier to give*
329 *the use of its tracks or terminal facilities to another carrier engaged in like busi-*
330 *ness.*

331 Sec. 27. *The Commission is hereby given power and authority after hear-*
 332 *ing upon a complaint, or upon its own initiative without complaint, to establish*
 333 *joint classifications and may establish through rates and joint rates as the maxi-*
 334 *mum to be charged by all common carriers, for the transportation of persons or*
 335 *property between points wholly within the State of Illinois, and may prescribe the*
 336 *division of such rates and the terms and conditions under which such through*
 337 *rates and joint rates shall be operated, whenever the carriers themselves shall have*
 338 *refused or neglected to establish voluntarily such through rates and joint classifi-*
 339 *cations or joint rates, and this provision shall apply when one of the connecting*
 340 *carriers is a water line: Provided, that upon such hearing the commission shall*
 341 *find that such through rate and joint classification or joint rate is necessary for*
 342 *the accommodation of the public, and will not give to one carrier an unfair or un-*
 343 *equal advantage over another: Provided, the shipper shall have the right to route*
 344 *his freight whenever through rates shall have been established either by the*
 345 *Commission or the railroads.*

345½ Sec. 28. *The commission are hereby authorized and empowered to fix and es-*
 346 *tablish rates, rules and regulations regarding demurrage, storage and all other*
 347 *charges incident to the transportation of property between points wholly within*
 348 *the State of Illinois.*

348½ Sec. 29. *The commission shall have power and is hereby authorized to com-*
 349 *pel physical connections between railroad companies and to fix and establish*
 350 *reasonable switching rules, and regulations, and establish reasonable limits for*
 351 *said switching and reasonable rates therefor. The term "switching" as used*
 352 *in this section shall not comprehend the transfer or hauling of cars from one*
 353 *railroad to another over the lines of an intermediate carrier.*

353½ Sec. 30. *The commission shall have power and authority to inquire into the*
 354 *business management of all common carriers, their passenger and freight rates*
 355 *distribution of cars, granting of sidings, location of passenger and freight sta-*

356 tions, use of and compensation for cars owned or controlled by them, the rela-
 357 tions of such carriers to the public; and of the public and public corporations to
 358 common carriers; the inter relation between such common carriers, insofar as any
 359 such subject so to be inquired into shall affect or have any bearing upon the trans-
 360 portation of persons or property between points wholly within the State of Illi-
 361 nois; and the commission shall have power to make and enforce such orders as
 362 will secure the safety and accommodation of persons and property being
 363 transported by common carriers and as will prevent unnecessary or unreason-
 364 able obstruction to or interference with the tracks, yards, locomotives and cars
 365 of common carriers.

365½ Sec. 31. The commission are hereby empowered and authorized to hear and
 366 determine all questions arising under this Act, upon giving due notice to all per-
 367 sons, individuals or corporations interested therein, and to enter an order in
 368 relation thereto.

369 Sec. 32. The Railroad and Warehouse Commissioners are hereby directed
 370 to make for each of the common carriers doing business in this State, as soon
 371 as practicable, upon giving due notice to all parties interested therein, and
 372 after a hearing in relation thereto, a schedule of reasonable maximum rates or
 373 charges, classification, rules and regulations, for the transportation of persons
 374 or property on or by each of said common carriers, between points wholly within
 375 this State; and said schedule shall in all suits brought against such common car-
 376 riers, wherein is in any way involved the charges of any such common carrier
 377 for the transportation of any person or property, or unjust discrimination, shall
 378 be deemed and taken in all courts of this State as prima facie evidence that the
 379 rates therein affixed are reasonable maximum rates and charges for the trans-
 380 portation of persons and property upon the common carriers for which said
 381 schedules may have been respectively prepared. Said commissioners may, from
 382 time to time, as often as circumstances require, change and revise said sched-
 383 ules. It shall be proper for said commissioners, either upon their own initiative

384 or upon complaint, to enter upon a hearing for the purpose of investigating the
 385 necessity of any such revision. When any schedule shall have been made or re-
 386 vised as aforesaid, it shall be the duty of said commissioners to have the same
 387 printed by the State printer, under the contract governing State printing, and
 388 said commissioners shall furnish two copies of said printed schedule to the pres-
 389 ident, general manager, general superintendent or receiver of each common car-
 390 rier doing business in this State. All such schedules heretofore or hereafter made
 391 shall be received and held in all suits as prima facie, the schedules of said Com-
 392 missioners without further proof than the production of the schedules desired to
 393 be used as with evidence a certificate of the Railroad and Warehouse Commission-
 394 ers that the same is a true copy of a schedule prepared by them for the carrier
 395 therein named. And every such common carrier so receiving any such schedule
 396 from said Railroad and Warehouse Commissioners, shall cause same to be plainly
 397 printed and copies for the use of the public shall be kept in every depot, station
 398 or office of such carrier where passengers or property, respectively, are received
 399 for transportation, in such form that they shall be accessible to the public and
 400 can be conveniently inspected. Such schedules shall include and contain not only
 401 the rates, fares or charges to be charged, collected or received for the transporta-
 402 tion of persons or property between points wholly within the State of Illinois, but
 403 also shall state separately all terminal charges, storage charges, icing charges or
 404 other charges which said Railroad and Warehouse Commissioners may require,
 405 or privileges or facilities granted or allowed and any rules or regulations which
 406 in any wise change, affect or determine any part or the aggregate of such afore-
 407 said rates, fares or charges of the value of the services rendered to the passen-
 408 ger, shipper or consignee.

409 Sec. 33. Any railroad company or other common carrier or warehouseman,
 410 or any of their executive officers, who unlawfully neglect or refuse or fail to
 411 obey any order made by this Commission and to carry the same into effect, in
 412 accordance with the terms of such order, shall be liable to a fine of not less than

413 \$100 nor more than \$500 for failure to obey such order, writ, process or decree
 414 of said Commission, such fine to be recovered in an action of debt in the name of
 415 the People of the State of Illinois, before any court of competent jurisdiction.
 416 Such fine, when so recovered, to be paid into the treasury of the State of Illinois.

417 Sec. 34. All actions or proceedings instituted by the Railroad and Ware-
 418 house Commissioners shall be brought in the name of the People of the State of
 419 Illinois, and shall be prosecuted by the Attorney General.

420 Sec. 35. Any party to any proceedings before this Commission, or any
 421 party affected by any order thereof, may appeal to the Circuit Court of Sanga-
 422 mon County at any time within twenty days after service of a copy of such
 423 order on the parties of record in said proceedings. The party taking such an ap-
 424 peal shall file with the Secretary of said Commission at the office of said Com-
 425 mission in Springfield, Illinois, written notice of said appeal. The Commission,
 426 upon the filing of such notice of appeal, shall, within five days thereafter, file
 427 with the clerk of said Circuit Court of Sangamon County, Illinois, a certified
 428 copy of the pleadings and order appealed from. The party serving such notice
 429 of appeal shall, within five days after the service of said notice upon said Commis-
 430 sion, file a copy of said notice with proof of service with the clerk of said court
 431 to which such appeal is taken, and thereupon said Circuit Court shall have juris-
 432 diction over said appeal and the same shall be entered upon the records of said
 433 Circuit Court and shall be tried therein according to the rules relating to the
 434 trial of chancery suits so far as the same are applicable. The Railroad and
 435 Warehouse Commission shall be designated as complainant in said Circuit Court,
 436 and the common carrier or warehouseman as defendant; no further pleadings
 437 than those already filed before the Commission shall be necessary. Such order
 438 made by said Commission shall be prima facie evidence of the matters therein
 439 stated, and the order shall be prima facie reasonable, and the burden of proof
 440 upon all issues raised by the appeal, shall be on the appellant. If said court shall
 441 determine that the order appealed from is lawful and reasonable, it shall be af-

442 *firmed and the order enforced as provided by law; otherwise, it shall be vacated*
 443 *and set-aside. If an appeal is not taken, such order shall become final and it*
 444 *shall thereupon be the duty of the carrier or warehouseman affected, to comply*
 445 *therewith. All orders from which no appeal is taken, as provided by law, shall be*
 446 *deemed to be in full force and effect for all purposes from the time when the*
 447 *right to appeal from such order expires. When no appeal is taken from an order,*
 448 *as herein provided, parties affected by such order shall be deemed to have waived*
 449 *the right to have the merits of said controversy reviewed by a court and there*
 450 *shall be no trial of the merits of or re-examination of the facts of any controversy*
 451 *in which such order was made by any court to which application may be made*
 452 *for a writ to enforce the same. Appeals from all final orders and judgments en-*
 453 *tered in review by the said Circuit Court of the action of the Commission, shall*
 454 *go directly to the Supreme Court, and shall be governed by the rules applying*
 455 *to chancery cases appealed to said Supreme Court.*

456 *Sec. 36. All Acts and parts of Acts in conflict herewith, are hereby re-*
 457 *pealed.*

3 the legal voters of any incorporated city or village in this State to the Board of
4 Railroad and Warehouse Commissioners of the State of Illinois in writing, it
5 shall appear that any railroad is dangerous to life, limb or property, it shall
6 be the duty of such commissioners to investigate or cause an investigation to
7 be made of the conditions of such railroad; and whenever in the opinion of the
8 commissioners after such investigation they shall decide it is necessary to
9 change the grade of such track or tracks by elevating or lowering the same in
10 order to protect life, limb and property, and for public safety, said commission-
11 ers shall give notice in writing to the corporations owning or operating such
12 tracks, of such decision, that public safety and the protection of life, limb and
13 property demand that the grade of said tracks be changed and shall enter an

14 order upon said owners or operators of said tracks to show cause why such order
 15 should not be complied with, which order shall specify the time and place of a
 16 hearing which shall not be less than thirty nor more than sixty days from the
 17 giving of the same, and public notice shall also be given and all persons in-
 18 terested may be heard at the hearing. If after a full hearing it shall not appear
 19 to the Board that there is a sufficient or satisfactory reason for not complying
 20 with the order of the Board, said Board shall fix a time, not less than six
 21 months after the entering of the order, in which said owners or operators of
 22 such tracks shall comply with said order, and authority is hereby vested in the
 23 said Board to carry out the order entered herein. If, after a full hearing, the
 24 Board shall be of the opinion that sufficient cause has been shown why such or-
 25 der should not be complied with, then said commissioners shall enter an order
 26 in the premises to that effect. Upon the decision or finding of said Board any
 27 party affected, including anyone of the petitioners named in the petition pre-
 28 sented to the said commissioners, shall have a right to apply by petition to the
 29 Circuit Court of the County in which said city or village is located, for an order
 30 reviewing the proceedings and finding of the Board of Railroad and Warehouse
 31 Commissioners. If, after an inspection of the petition the Judge of the Circuit
 32 Court shall be of the opinion that said decision or finding of the said Board of
 33 Railroad and Warehouse Commissioners does not do justice to the parties, he
 34 shall order that a new hearing be had thereof and give parties interested an
 35 opportunity to be heard thereon at such time and place as he may designate.
 36 After a full hearing, if the Circuit Court shall be of the opinion that public
 37 safety and the protection of life, limb and property demand that such track or
 38 tracks be changed, lowered or elevated, he shall enter such order as justice and
 39 the law require in the premises; which order shall be of the said force and ef-
 40 fect, and shall be appealable the same as in cases of chancery: *Provided*, that
 41 the Board of Railroad and Warehouse Commissioners of the State of Illinois
 42 shall have no jurisdiction to enter any order or to entertain jurisdiction con-
 43 cerning the matters hereinbefore set forth, unless it shall appear from the peti-

44 tion first above referred to that an application has been made to the city council
 45 of the city or village in which it is sought to change, elevate or lower the tracks
 46 of any railroad by an application in writing of at least ten per cent. of the
 47 legal voters of the said city or village, that public safety and protection of
 48 life, limb and property require that said tracks be changed, elevated or lowered,
 49 and that said city council has refused to act upon said application or has acted
 50 thereon and decided that they would not change, elevate or lower said tracks;
 51 *And, provided, further,* that whenever any of the said tracks have been raised,
 52 lowered or changed in pursuance of an order of either the city council of any
 53 city or incorporated village, or the said Board of Railroad and Warehouse Com-
 54 missioners or other body shall not order a change, lowering or elevating of said
 55 tracks as long as the other body has jurisdiction thereof as hereinbefore pro-
 56 vided: *And, provided, further,* that nothing contained in this Act shall seek to
 57 limit and diminish any of the rights and powers heretofore granted, used and
 58 exercised by any city and village of this State, *and provided,* "nothing herein
 59 contained shall apply to the regulation or elevation or lowering of the roadbed
 60 of and tracks of any railroad corporation located within the corporate limits of
 61 any city or village having a population exceeding one hundred thousand inhab-
 62 itants." *And, provided, further,* that nothing herein contained shall impair the
 63 liabilities of any company for the consequences of its Acts, and all remedies
 64 existing heretofore are hereby saved to the people and to individuals.

65 *Provided, further,* that wherever the city council of any city or village shall
 66 order any railroad to raise, lower or change its tracks, any person interested
 67 shall have a right to appeal to the Circuit Court of the County the same as here-
 68 inbefore provided for appeal from the order of the Railroad and Warehouse
 69 Commission.

Sec. 2. It shall be the duty of each board of penitentiary commissioners to

4 and accomplish their reformation. When any prisoner shall be received into
5 said penitentiary, the warden shall cause to be entered in a register the date of
6 such admission, the name, nativity, nationality, with such other facts as can be

7 ascertained of parentage, education, occupation and early social influences as

22 and it shall be the duty of the warden, or, in his absence, the deputy warden,
23 of each penitentiary to attend each meeting of the board of pardons that is held
24 at the penitentiary of which he is the warden, for the purpose of examining

27 in writing, as to the fitness of each prisoner for parole whose case said board
28 may be considering. And it is hereby made the duty of every public officer to
29 whom inquiry may be addressed by the clerk of the board of pardons, con-

32 to receive the benefits of parole.

Sec. 3. It shall be the duty of the judge before whom any prisoner is con-

6 of the prisoner prior to the time of the committal of the crime of which he was

18 warden; and it shall be the duty of the warden to report to the board of par-
19 dons the receipt of such prisoner with such other official information as the
20 board may require within five days after the receipt of such prisoner.

Sec. 4. The State Board of Pardons shall have power to establish rules and
2 regulations in conformity with the laws of the State of Illinois, under which
3 prisoners in the penitentiary may be allowed to go upon parole outside of the

5 released upon parole shall at all times until the receipt of their final discharge
6 be considered in the legal custody of the warden of the penitentiary from which
7 they were paroled, and shall, during the said time, be considered as remaining
8 under the conviction for the crime for which they were convicted and sentenced
9 and subject at any time to be taken back within the enclosure of said peniten-
10 tiary: *Provided*, that before any paroled prisoner shall be taken back to the
11 penitentiary enclosure for the violation of his parole, he shall have a hearing
12 thereon by the judge of the County Court of the county in which it is claimed

13 that the prisoner has violated his parole. This hearing shall conform as near
14 as may be to the law governing proceedings for the apprehension of persons
15 charged with offences, except as hereinafter provided, as provided by division
16 seven, Chapter thirty-eight, Revised Statutes of the State of Illinois, and if, upon
17 the hearing, the evidence before the County Judge does not show by a prepon-
18 derance of the evidence, that the parole has been violated, he shall be discharged
19 from custody. If the evidence introduced shows that the parole has
20 been violated, as aforesaid, the County Judge shall bind him over
21 to await the action of the State Board of Pardons in the prem-
22 ises, which Board shall, at the first meeting thereafter, give him a
23 hearing and determine whether the parole shall be cancelled and the
24 paroled prisoner returned to the penitentiary enclosure, or whether the
25 parole shall be continued and the paroled prisoner be allowed to
26 remain outside of the penitentiary enclosure. In case the prisoner
27 charged with the violation of his parole is held to await the action
28 of the State Board of Pardons therefor and cannot furnish the bail fixed and
29 required by the County Judge in lieu thereof, he shall be committed to the cus-
30 tody of the sheriff of the county wherein he is apprehended or the warden of
31 the penitentiary from which he was paroled to await the action of the said State
32 Board of Pardons. In case any prisoner conditionally released or paroled shall
33 flee beyond the limit of the State, he may be returned pursuant to the provi-
34 sions of the law in this State relating to fugitives from justice. It shall be the
35 duty of the warden immediately upon the return of any conditionally released
36 or paroled prisoner to make report of the same to the State Board of Pardons
37 giving the reasons for the return of such paroled prisoner.

38 *Provided, further,* that the State Board of Pardons may, in its discretion,
39 permit any prisoner to temporarily and conditionally depart from such peniten-

Sec. 5. Upon the granting of a parole to any prisoner, the warden shall
2 provide him with suitable clothing, fifty dollars in money, which may be paid
3 him in installments at the discretion of the warden, and shall procure transpor-
4 tation for him to his place of employment or to the county seat of the county
5 to which he is paroled.

Sec. 6. It shall be the duty of the warden to keep in communication, as far
2 as possible, with all prisoners who are on parole from the penitentiary of which
3 he is the warden, and when, in his opinion, any prisoner who has served his pa-
4 role acceptably, to make certificate to that effect to the State Board of Par-
5 dons; and whenever it shall be made to appear to the satisfaction of the State
6 Board of Pardons from the warden's reports or other sources, that any pris-
7 oner has faithfully served the term of his parole, and the board shall be of the
8 opinion that such prisoner can safely be trusted to be at liberty, and that
9 his final release will not be incompatible with the welfare of society, the State
10 Board of Pardons shall have the power to cause to be entered of record in
11 its office an order discharging such prisoner, for or on account of his convic-
12 tion, which said order, when approved by the Governor, shall operate as a com-
13 plete discharge of such prisoner in the nature of a release or commutation of
14 his sentence to take effect immediately upon the delivery of a certified copy
15 thereof to the prisoner, and the clerk of the court in which the prisoner was
16 convicted shall, upon presentation of such certified copy, enter the judgment
17 of such conviction satisfied and released pursuant to said order. It is hereby
18 made the duty of the clerk of the board of pardons to send written notice of the
19 fact to the warden of the penitentiary of the property district, whenever any
20 prisoner on parole is finally released by said Board.

Sec. 7. In any case where prisoners have thus transferred from the Illinois State Reformatory to either of the penitentiaries, the State Board of Pardons shall have power and authority, during the time such prisoners are in the penitentiary, to grant paroles to such prisoners in all respects the same as though they had been originally committed to such penitentiary; and said board shall also have the power and authority in all cases where, in the opinion of the board, the prisoner is under the age of twenty-one years, to transfer said prisoner to the reformatory, and the board of managers of said reformatory shall have full power and authority to grant paroles to such prisoners while in said reformatory in all respects the same as though such prisoners had been originally committed to said reformatory.

A BILL

For an Act creating the Chicago Psychopathic Hospital.

7 WHEREAS, statistics show that acute insanity when promptly and properly
8 treated results in a recovery of seventy (70) per cent of all those treated during
9 the first three months of ailment, and,

10 WHEREAS, delay in treatment lessens the number of recovery until of those
11 admitted after twelve months of mental disease only seven (7) per cent recover,

14 commitments of all types of mental diseases during each year, and,

SECTION 1. *Be it enacted by the People of the State of Illinois, represented in the General Assembly:* That an Act entitled, "An Act to provide for the incorporation of cities and villages," approved April 10, 1872, in force July 1, 1872, be amended by adding to article 3 thereof a new section to be known as Section 2a, to read as follows:

6 Sec. 2a. Whenever it is shown by any national, State, school or city census,
7 when the same is officially published, that any city organized under the provisions
8 of this Act is divided into a greater number of wards and has elected a greater
9 number of aldermen than are authorized by Section 2 of this article of this Act,
10 the said divisions into wards and the election of said aldermen shall, nevertheless,
11 be valid and binding, and the said aldermen shall be deemed to legally hold their

12 said offices for, during and until the next annual city election for city officers to
13 be thereafter held in accordance with law; and all acts of the city council of such
14 city, and all ordinances by it passed, during the said period, if in other respects
15 in compliance with law, are hereby declared legal and valid. In all cases when
16 any such city is by such census found to contain more wards than it is entitled to
17 by law, it shall be the duty of the city council of such city by ordinance to redis-
18 trict such city into as many wards only as the same is entitled to, not less than
19 sixty days before the time fixed by law for the holding of the next succeeding
20 general election for city officers, and at said election there shall be elected only
21 such number of alderman as, with the aldermen theretofore elected, and whose

25 of two aldermen, who reside in any such new ward, shall not expire with such
26 succeeding election, no election for aldermen shall be held in such ward, at such
27 election, but such holdover aldermen shall, until the next succeeding general elec-
28 tion for city officers to be held thereafter, be held and deemed in law to be and
29 constitute the aldermen for such new ward. At such next succeeding election
30 two aldermen shall be elected in such new ward, one for the term of one year
31 and one for the term of two years: *Provided*, that in all cases, contemplated
32 by this Act, if a census shall be taken pursuant to law and the result of which
33 shall have been published not less than sixty days prior to the time fixed by law
34 for the holding of the general election for city officers thereafter in such city,
35 it is made to appear that such city has regained a population sufficient to en-
36 title it to the original number of wards and aldermen, then, and in such case,
37 no new division into wards and reduction of the number of aldermen therein,
38 shall be necessary.

Sec. 2. Whereas, by the national census taken in the year 1910, it is made
2 to appear that certain cities in this State are divided into more wards, and have
3 at the general election for city officers held in the year 1911, elected a greater
4 number of aldermen than they are, by law, entitled to, whereby a question has

SECTION 1. *Be it enacted by the People of the State of Illinois,*
2 *represented in the General Assembly: COMMISSIONERS APPOINTED—OATH.]* The
3 Board of Trustees of each Sanitary District in this State, created under an Act
4 entitled, "An Act to create Sanitary Districts and to remove obstructions in the
5 Des Plaines and Illinois Rivers," approved May 29, 1889, in force July 1, 1889,
6 shall, within thirty days after this Act shall take effect, appoint three persons
7 as Civil Service Commissioners of such Sanitary District, to hold office, one for
8 two years, one for four years and one for six years, from the 1st day of July,
9 1911, and until their respective successors are appointed and qualified. They
10 shall constitute the Civil Service Commission of such Sanitary District and, on
11 the 1st day of July, 1913, and at the end of every two years thereafter, the Board
12 of Trustees of such District shall in like manner appoint one person as a suc

cessor of the Commissioner whose term shall expire in that year, to serve as such Commissioner for six years and until his successor is appointed and qualified. Two Commissioners shall constitute a quorum. All appointments to said Commission, both original and to fill vacancies, shall be so made that not more than two members at the time of the appointment be members of the same political party. Said Commissioners shall hold no other lucrative office or employment under the United States, the State of Illinois or any municipal corporation or political division thereof. Each Commissioner, before entering upon the duties of his office, shall take the oath prescribed by the constitution of this State.

Sec. 2. REMOVAL OF COMMISSIONERS—VACANCIES.] The Board of Trustees of such District may, in its discretion, remove any Commissioner for incompetence, neglect of duty or malfeasance in office. Any vacancy in the office of Commissioner shall be filled by appointment by the said Board of Trustees.

Sec. 3. CLASSIFICATION.] Said Commissioners shall classify all offices and places of employment in such Sanitary District with reference to the examinations hereinafter provided for, except those offices and places of employment mentioned in Section 11 of this Act. The offices and places so classified by the Commission shall constitute the classified civil service of such Sanitary District, and no appointments to any of such offices or places shall be made except under and according to the rules hereinafter mentioned.

Sec. 4. RULES.] Said Commission shall make rules to carry out the purposes of this Act and for examination, appointments and removals in accordance with its provisions, and the Commission may from time to time make changes in the original rules.

Sec. 5. PUBLICATION OF RULES—TIME OF TAKING EFFECT.] All rules made as hereinafter provided and all changes therein shall forthwith be printed for distribution by said Commission, and the Commission shall give notice of the place

4 or places where said rules may be obtained, by publication in one or more daily
 5 newspapers published in such Sanitary District, and in each such publication
 6 shall be specified the date, not less than ten days subsequent to the date of such
 7 publication, when said rules shall go into operation.

Sec. 6. EXAMINATIONS.] All applicants for offices or places in said classified
 2 service, except those mentioned in Section 11 of this Act, shall be subject to ex-
 3 amination, which shall be public, competitive and free to all citizens of the
 4 United States, with specified limitations as to residence, age, health, habits and
 5 moral character. Such examinations shall be practical in their character and
 6 shall relate to those matters which will thoroughly test the relative capacity of
 7 the persons examined to discharge the duties of the positions to which they seek
 8 to be appointed, and may include tests of physical qualifications and health,
 8 and, when appropriate, of manual skill. No questions in any examinations shall
 9 relate to political or religious opinions or affiliations. The Commission shall
 10 control all examinations and may, whenever an examination is to take place, des-
 11 ignate a suitable number of persons, either in or not in the official service of such
 12 Sanitary District, to be examiners, and it shall be the duty of such examiners,
 13 and if in the official service of such Sanitary District it shall be part of their of-
 14 ficial duty without extra compensation, to conduct such examination as the Com-
 15 mission may direct and to make return or report thereof to said Commission,
 16 and the Commission may at any time substitute any other person, whether or not
 17 in such service, in the place of any one so selected, and the Commissioners may
 18 themselves act as such examiners, without appointing examiners. The examiners
 19 at any examination shall not all be members of the same political party.

Sec. 7. NOTICE OF EXAMINATIONS.] Notice of the time and place and gen-

2 from the examinations made by the Commission, the Commission shall prepare
3 a register for each grade or class of positions in the classified service of such
4 Sanitary District of the persons whose general average standing upon examina-
5 tion for such grade or class is not less than the minimum fixed by the rules of
6 such Commission and who are otherwise eligible, and such persons shall take
7 rank upon the register as candidates in the order of their relative excellence as
8 determined by examinations, without reference to priority of time of examina-
9 tion.

Sec. 9. PROMOTIONS.] The Commission shall by its rules provide for promo-
2 tions in such classified service on the basis of ascertained merit and seniority in
3 service and examinations, and it shall provide in all cases where it is practicable
4 that vacancies shall be filled by promotion. All examinations for promotion
5 shall be competitive among such members of the next lower rank as desire to
6 submit themselves to such examination, and it shall be the duty of the Commis-

8 promotion whose general average standing upon such examination is not less
9 than the minimum fixed by the rules of such Commission and who are otherwise

 5 the class or grade to which said position belongs, and the Board of Trustees
 6 shall appoint one of these so certified. In cases of laborers, where a choice by
 7 competition is impracticable, said Commission may provide by its rules that the
 8 selections shall be made by lot from among those candidates proved fit by ex-
 9 amination. In making such certification sex shall be disregarded, except when
 10 some statute, the rules of said Commission or the appointing power specifies sex.
 11 The Board of Trustees shall notify said Commission of each position to be
 12 filled separately, and shall fill such place by appointment from the persons certi-
 13 fied to it by said Commission therefor, and each appointment shall be on proba-
 14 tion for a period to be fixed by said rules. Said Commisison may strike off the
 15 names of candidates from the register after they have remained thereon more
 16 than two years. At or before the expiration of the period of probation the ap-
 17 pointing officer may, subject to the approval of the Board and by and with the
 18 consent of said Commisison, discharge such person so appointed on probation
 19 upon assigning in writing his reason therefor to said Commisison. If he is not
 20 then discharged, his appointment shall be deemed complete. To prevent the
 21 stoppage of public business or to meet extraordinary exigencies, the appointing
 22 officer may, subject to the approval of the Board of Trustees and the approval
 23 of the Commission, make temporary appointments, to remain in force not exceed-

 25 this Act can be made.

4 or discharged except for cause and upon written charges and after an opportu-
5 nity to be heard in his own defense. Such charges shall be investigated by and
6 before the said Civil Service Commission, or by and before some officer or board
7 appointed by such Commission to conduct such investigation. The finding and
8 decision of such commisison or investigating officer or board, when approved
9 by said Commission, shall be certified to the Board of Trustees and shall be

WHEREAS, the disease known as foul brood exists to a very considerable extent in various portions of this State, which, if left to itself, will soon exterminate the honey-bees; and

WHEREAS, the work done by an individual bee-keeper or by a State inspector is useless so long as the official is not given authority to inspect and, if need be, to destroy the disease when found; and

WHEREAS, there is a great loss to the bee-keepers and fruit growers of the State each year by the devastating ravages of foul brood;

SECTION 1. *Be it enacted by the People of the State of Illinois, represented in the General Assembly:* That the Governor shall appoint a State inspector of Apiaries, who shall hold his office for the term of two years, and until

15 scribed in this section, he shall notify in writing the owner or occupant of the
16 premises containing the nuisance so disclosed of the fact that such nuisance ex-

16 shall quote rates, in writing when requested, and be responsible for the correct-
17 ness of same: *Provided, however,* that no change in any schedule of rates or
18 charges, or classification shall become effective until they have been filed with

25 or classification, pending inquiry as to its correctness or the reasonableness of
26 the rates contained in it. And it shall be unlawful for any common carrier to
27 charge, demand, collect or receive a greater or less or different compensation
28 for such transportation of property or for any service rendered in connection
29 therewith, between points named in its schedules or tariffs than the rates and

31 time or as may be promulgated, amended or changed by the Commission, nor shall
32 such common carrier refund or remit in any manner or by any device any portion
33 of the rate or charge so specified, nor extend to any shipper, person or persons,
34 firms or corporations any privileges or facility in receiving, storing, hand-
35 ling or forwarding of property, or otherwise, not granted to another except
36 as may be specified in such schedules or tariffs. Any common carrier, any officer,
37 representative or agent of a carrier who knowingly violates the provisions of the

38 foregoing paragraph shall forfeit to the State of Illinois the sum of five hundred

40 The forfeitures herein imposed shall be recovered by the Commission in the man-

4 the State of Illinois and known as express companies or carriers by express,
5 shall file with the Commission certified copies of all contracts or agreements
6 now existing or hereafter entered into by or between themselves and any other
7 express company, or with any railroad company operating within the State of
8 Illinois, and shall also file with said Commission printed copies of all schedules
9 and charges, tariffs, classifications, rules and regulations, together with any
10 changes or amendments thereto that may be made or promulgated from time to
11 time, also all changes in said schedules, tariffs, classifications, regulations and
12 rules as prescribed and defined in Section 3 of this Act.

13 And it shall be the duty of the Commission and it shall have power to take
14 cognizance of all said contracts, agreements, schedules, tariffs, rates, classifica-
15 tions, rules and regulations and in the event of anything found contained in
16 them or either of them deemed injurious to or inconsistent with the public wel-

19 upon complaint or upon its own motion and initiative without complaint, as may
20 be deemed proper by said Commission, and it may suspend for a period of four

23 common carrier affected shall be forthwith notified and a full hearing of the cause
24 had promptly, as in other proceedings before the Commission, and all carriers
25 or others interested may be made parties. If the Commission is of the opinion
26 after such hearing and investigation that the schedules of rates, charges, tariffs,
27 agreements or classification as filed or published, or the privileges, facilities and

28 regulations published in connection therewith are unjust or unreasonable or
29 otherwise discriminatory or prejudicial, or in violation of law, it shall deter-

31 and shall order the carrier or carriers to file and publish on or before a certain
32 day, to take effect on a certain day, schedules of charges, classification, tariffs,
33 rules or regulations in accordance with its findings and decision of the Commis-
34 sion. And any carrier, any officer, representative or agent of a common carrier,
35 or any receiver, trustee, lessee or agent of either of them who knowingly fails or
36 neglects to obey any order made under the provisions of this section of the Act
37 shall forfeit to the State of Illinois the sum of one thousand dollars for each and
38 every offense, which shall be recoverable in a civil suit in the name of the State
39 of Illinois in any court of competent jurisdiction, and said Commission shall
40 have authority to prosecute such suit under the direction of the Attorney Gen-
41 eral of the State of Illinois. Every distinct violation shall be a separate of-
42 fense, and in case of a continuing violation, each day shall be deemed a separate
43 offense.

Sec. 5. Any shipper, shippers or other commercial organization or asso-
2 ciation, or any person, firm or corporation located within the State of Illinois
3 may file complaint with said Commission against any common carrier, wherein
4 it may be claimed they are being charged unjustly for the transportation of
5 property or other commodities or things, in such manner and form as the Com-
6 mission may prescribe. And it shall be the duty of the Commission to take cog-
7 nizance of such complaints and to proceed with a hearing, after due notification
8 to the common carrier or carriers so complained of, in such manner as it may
9 prescribed by its rules or practice.

10 At such hearing or hearings before the Commission, copies of contracts,
11 agreements, tariffs, schedules of charges, rules and regulations and classifications
12 that may have been filed with the Commission by such common carrier or car-
13 riers, or either of them, shall be considered *prima facie* what they purport to
14 be in evidence or matters that may pertain to them or either of them. And the
15 Commission is empowered to enforce its orders and decisions in the manner pro-

16 vided by law, subject, however, to the right of appeal by either party to a court
17 of competent jurisdiction, the decision of the Commission to prevail pending
18 such appeal and decision by the court unless enjoined or set aside by the
19 court.

Sec. 6. Each and every express company or carrier by express as herein
2 defined, doing business within the State of Illinois, shall at all convenient times
3 during business hours accept and receive for prompt shipment to points on its
4 own line, or to points on the lines of other express companies operating within
5 the State of Illinois, or for points beyond the limits of said State, all property,
6 parcels, money, merchandise, packages, and other commodities and things
7 which may be offered to it or them or either of them for transportation by ex-
8 press by the public: *Provided*, that the payment of charges may be demanded
9 and received in advance of such forwarding or transportation, not in excess of
10 the rates of charges shown in the tariffs or schedules and classification herein
11 provided for in this Act, and if the destination is to points beyond the State
12 of Illinois, at a rate not in excess of that which is prescribed and adopted by
13 said express company and its connections and shown by its printed tariff or
14 schedule of rates: *Provided, however*, that no article which may be declared
15 under such schedules, tariffs, rules or regulations or classification as being of
16 excess bulk or weight, or a menace to the health or the safety of the public, or
17 otherwise prohibited by law, shall be required to be accepted by any such ex-
18 press companies.

19 Any express company or other common carrier refusing to transport goods

22 be liable to a penalty of not less than five nor more than five hundred dollars
23 for each offense, with costs of suit and attorney's fees added, to be recovered in
24 each case by the owner of the goods, in any court having jurisdiction in the
25 county where the wrong is done, or where the common carrier resides or has its
26 agent. And each case of refusal shall be construed as a separate offense under
27 this Act.

Sec. 7. Any express company or common carrier as defined in this Act,
2 doing business in the State of Illinois, which shall charge, demand, collect or
3 receive a greater compensation than that which may be prescribed and in effect
4 by its schedules of rates and charges, tariffs and classification, or as may be pre-
5 scribed by said Commission, for the transportation of any kind or class of prop-
6 erty as described in this Act, shall be deemed guilty of extortion and shall forfeit
7 and pay to the State of Illinois a sum not to exceed five hundred dollars for each
8 offense: *Provided*, that if it shall appear that such violation was not wilful,
9 said company or carrier shall have ten days within which to refund such over-
10 charge or damage to the injured party, and if such refund is made the penalty
11 shall not be incurred. And said Commission shall have power and authority
12 and it shall be its duty to sue for and recover the same in the same manner as
13 may be provided by law in like suits against railroad companies.

Sec. 8. Upon demand of a shipper each receiving or forwarding express
2 company or common carrier by express shall be required to furnish a receipt or
3 other evidence in writing, in such form as may be prescribed by or approved of
4 by said Commission, stating the quantity, character, order and condition of

15 they shall be liable to a penalty of not less than five nor more than five hundred
16 dollars, with costs of suit and attorney's fees, recoverable in any court of compe-

18 State of Illinois, are hereby prohibited from including in any such bill of lading

19 or receipt for shipments to be made, any restriction or evasion of the common
20 law liability of such carrier.

Sec. 9. The said commission shall have authority to call upon such ex-
2 press companies or carriers by express, for reports, and to investigate their
3 books in the same manner as may be provided by law for the regulation of rail-
4 road companies, and the said Commission shall have power and authority to in-
5 stitute suits, sue out writs and processes as may be applicable and authorized by
6 law for the regulation of railroad companies. All laws, rules and regulations
7 made and prescribed for the government of railroads, in so far as they are or
8 may be applicable, shall be of equal force against all express companies, or car-
9 riers by express in this State.

A BILL

For an Act in regard to the administration of estates and in regard to the probate of wills of persons presumed to be dead, by reason of seven years or longer absence from their former domicile in this State.

SECTION 1. *Be it enacted by the People of the State of Illinois, represented in the General Assembly:* That whenever hereafter letters of administration on the estate of any person presumed to be dead on account of absence for seven or more years from the place of his or her last domicile within this State shall be applied for, such application shall be made to the county court, or to the probate court, in any county wherein a probate court is or hereafter may be established, by any heir at law or next of kin of such supposed deceased only, and said court shall then satisfy itself that the applicant would be enti-

9 fled by law to such letters were the supposed decedent in fact dead, and said
 10 court shall then cause to be advertised once a week for four (4) successive
 11 weeks in a newspaper of general circulation, published in the county in which
 12 such application is made, or in the nearest county thereto having a newspa-
 13 per of such general circulation, the fact of said application, together with
 14 notice that on a day certain which shall be at least two weeks after the last
 15 of said advertisements, the court will hear evidence concerning the alleged ab-
 16 sence of the supposed decedent and the circumstances and duration thereof.

Sec. 2. At the hearing above provided the court shall take such legal evi-
 2 dence as shall then be offered for the purpose of ascertaining whether the pre-
 3 sumption of death is established, and no person shall be disqualified to testify by
 4 reason of his or her relationship as husband or wife to the presumed decedent,
 5 or of his or her interest in the estate of the person presumed to be dead.

Sec. 3. If satisfied upon the hearing that the legal presumption of death
 2 is made out, the court shall so decree and shall forthwith cause notice thereof
 3 to be inserted for two successive weeks in a newspaper of general circulation
 4 published in the said county, or in the nearest county having such newspaper,
 5 and also when practicable in a newspaper of general circulation published at or
 6 near the place where the presumed decedent was last heard from. The said
 7 notice shall require the presumed decedent, if alive, or permit any other per-
 8 son for him, to produce to the court within twelve (12) weeks from the date of
 9 its last insertion satisfactory evidence of the continuance in life of the presumed
 10 decedent. If, within the said period of twelve weeks, evidence satisfactory to
 11 the court of the continuance in life of the said presumed decedent shall not be
 12 forthcoming, it shall be the duty of the court to issue the letters of administra-
 13 tion to the party by law thereto entitled, and said letters shall conform in man-
 14 ner and form as near as may be to similar letters issued by the said court upon
 15 the estates of deceased persons, and the said administrator appointed under
 16 such letters shall be subject to the said court and to all the laws of the State

17 of Illinois regarding administrators of the estates of deceased persons, the same
18 as though the presumed decedent were actually dead; and the said letters until
19 revoked, and all acts done in pursuance thereto and in reliance thereon, shall be
20 valid as if the presumed decedent were actually dead.

Sec. 4. The court may revoke the said letters at any time on due and
2 satisfactory proof that the presumed decedent is in fact alive, after which revo-
3 cation all powers of the administrator shall cease, but all receipts or dis-
4 bursements of assets and other acts previously done by said administrator shall
5 remain as valid as if the said letters were not revoked, and the said adminis-
6 trator shall settle an account of his administration down to the time of such
7 revocation, and shall transfer all assets remaining in his hands to the person
8 as whose administrator he had acted or to his duly authorized agent or attor-
9 ney: *Provided*, nothing in this Act contained shall validate the title of any per-
10 son to any money or property received as widow, next of kin or heir of such
11 supposed decedent, but the same may be recovered from such person in all cases
12 in which such recovery would be had if this Act had not been passed: *And*,
13 *provided, further*, that before the distribution of the proceeds of the estate of
14 such presumed decedent, the persons entitled to receive the same shall respect-
15 ively give sufficient real or personal security, to be approved by the court, in
16 such sum and form as the court shall direct, with condition that if the said
17 presumed decedent shall in fact at the time be alive they will respectively re-
18 fund the amounts received by each on demand with interest thereon, but if the
19 person or persons entitled to receive the same is or are unable to give the
20 security aforesaid, then the money shall be put at interest or security, approved
21 by said court, which interest is to be paid annually to the person entitled to
22 it, and the money to remain at interest until the security aforesaid is given
23 or the court on application shall order it to be paid to the person or persons
24 entitled to it: *Provided, however*, that said bond shall be valid and in force

25 for the term of three years from the date of its execution, and in case pre-
 26 sumed decedent should be alive and return after the expiration of said period,
 27 his only recourse shall be against the distributee.

Sec. 5. After revocation of the letters the person erroneously presumed to
 2 be dead may, on suggestion filed of record of the proper fact, be substituted as
 3 plaintiff in all actions brought by the administrator, whether prosecuted to judg-
 4 ment or otherwise.

5 He may in all actions previously brought against his administrator be sub-
 6 stituted as defendant on proper suggestion filed by himself or by the plaintiff
 7 therein, but shall not be compelled to go to trial in less than three months from
 8 the time of such suggestion filed. Judgments recovered against the adminis-
 9 trator before revocation as aforesaid of the letters may be opened on applica-
 10 tion by the presumed decedent, made within three months from the said revoca-
 11 tion and supported by affidavit denying specifically, on the knowledge of the
 12 affiant, the cause of action, or specifically alleging the existence of facts which
 13 would be a valid defense, but if within the said three months such application
 14 shall not be made, or being made, the facts exhibited shall be adjudged an in-
 15 sufficient defense, the judgment shall be conclusive to all intents saving the de-
 16 fendant's right to have it reviewed as in other cases by certiorari, writ of error
 17 on appeal. After the substitution of the supposed decedent as defendant in any
 18 judgment as aforesaid it shall become a lien upon his real estate in the county,
 19 and shall so continue for the period made and provided by law for other judg-
 20 ments unless it shall be set aside by due process of law.

Sec. 6. The costs attending the issue of letters or their revocation shall
 2 be paid out of the estate of the supposed decedent; and costs arising upon an
 3 application for letters which shall not be granted shall be paid by the applicant.

Sec. 7. Whenever the legal presumption of the death of any person shall
 2 be established in accordance with the foregoing sections of this Act, any per-
 3 son having custody of any will which may have been left by such person pre-

4 sumed to be dead, by reason of seven years or more absence from the place of
5 his last domicile within this State, shall produce said will in the county court of
6 the proper county or in the probate court in any county wherein a probate court
7 is or hereafter may be established, and any person desiring to have the same ad-
8 mitted to probate shall file a petition in the said court, asking that the said will
9 be admitted to probate, which petition shall state the last known place of resi-
10 dence in this State of the testator, and the place at which he was last heard from,
11 also the names of all the heirs at law and the legatees, with the residence of each
12 when known, and when unknown the petition shall so state, and the said petition
13 shall be verified by the affidavit of the petitioner. And thereupon the clerk of
14 said court shall send by mail to each of said parties a copy of said petition within
15 five days after the filing thereof, and not less than twenty days prior to the hear-
16 ing on said petition. And in case the post office address of any of said parties
17 is not shown by the said petitioner, then publication shall be made for at least
18 three weeks before the day set for the hearing, in a newspaper of general cir-
19 culation, published in the county where said will is to be offered for probate,
20 which publication notice shall contain the name of the testator, the heirs at law
21 and legatees, when known; the time and place where said will is to be offered for
22 probate: *Provided*, that in case such a petition is not filed and a will has been
23 deposited in said court for the space of ten days, then it shall be the duty of the
24 court to proceed to probate said will without petition being filed, but only after
25 having caused publication and notice of the intention to probate said will to be
26 given to the parties in interest as to the court may seem proper. When a will
27 has been duly proved and allowed as in fact the last will and testament left by
28 the presumed decedent, before his departure or disappearance from his last
29 known residence in this State, the said will shall be admitted to probate as if the
30 testator were in fact dead, and the court shall issue letters testamentary thereon
31 to the executor named in the will, or commit the administration to the wife, hus-
32 band, heir at law or next of kin, and all proceedings shall be in the manner and

33 form as near as may be as those provided by law in case the testator were ac-
34 tually dead, but no distribution of the estate to legatees, next of kin or heirs at
35 law, or otherwise under the will, shall take place except as provided in the fore-
36 going sections of this Act regarding the administration of the estate of persons
37 presumed to be dead. And the executor shall execute the said will according to its
38 terms, and all property of the supposed decedent shall be vested as provided by
39 said will in the several legatees and devisees named therein: *Provided*, that noth-
40 ing herein shall prevent the said court from revoking the said lettters upon sat-
41 isfactory proof that the presumed decedent is in fact alive, after which revoca-
42 tion the powers of the executor and the rights of the legatees and devisees under
43 said will shall cease, and all receipts and disbursements of assets and other acts
44 previously done by them shall remain as valid as if the said letters were un-
45 revoked: *And, provided*, that legatees and devisees may be called upon at any
46 time by the supposed decedent to account for any property which they may have
47 received remaining in their hands, exactly as in this Act before provided the
48 administrator may be called upon to account for such property or assets; and
49 after such revocation the presumed decedent may be substituted in all actions
50 for the executor, exactly as in this Act before provided with regard to the ad-
51 ministrator.

A BILL

For an Act to provide for the construction of a deep waterway, or canal, from the water power plant of the Sanitary District of Chicago, at or near Lockport, to a point in the Illinois river, at or near Utica, and for the development and utilization of the water power that may be created from the water flowing through said waterway, and to create a commission to carry out the provisions of this Act.

SECTION 1. *Be it enacted by the People of the State of Illinois,*
2 *represented in the General Assembly:* That a deep waterway, or canal, be con-
3 structed by the State of Illinois from the water power plant of the Sanitary Dis-
4 trict of Chicago, at or near Lockport, in the township of Lockport, county of Will,
5 to a point in the Illinois river at or near Utica, and that there shall also be
6 erected, equipped and maintained by the State of Illinois, power plants, locks,
7 bridges, dams and appliances sufficient and suitable for the development and
8 utilization of the water power of said deep waterway, or canal, and that the cost
9 of constructing, erecting and equipping the aforesaid public works shall be paid
10 out of the proceeds of bonds of the State of Illinois to be issued and sold as
11 hereinafter provided.

Sec. 2. The construction, management and operation of said deep waterway, or canal, power plant, locks, bridges, dams and appliances, shall be under the control of a board of five (5) commissioners to be known as the Board of Commissioners of the Illinois Deep Waterway; not more than three (3) of which said commissioners shall belong to or be affiliated with the same political party. The said commissioners shall be appointed by the Governor, by and with the consent of the Senate. The Governor shall designate one of said commissioners to be the chairman of said board. Of the commissioners first appointed two (2) shall hold office until the 1st day of July in the year 1913, two (2) shall hold office until the 1st day of July in the year 1915, and one (1) shall hold office until the 1st day of July in the year 1917. The successors-in-office of the commissioners first appointed, as aforesaid, shall also be appointed by the Governor, by and with the consent of the Senate, and each successor-in-office thus appointed shall hold office for a term of six (6) years from the date of the expiration of his predecessor's term of office; except that members who shall be appointed to fill vacancies occurring otherwise than by lapse of time shall hold office only for the unexpired term of the member in whose place the new member shall be appointed. The said board shall adopt an official seal and may authenticate all its official acts with the same. For all legal purposes the said commissioners shall be deemed officers of the State, and all business, contracts, writings and acts shall be made and suits prosecuted by them in the name of the Board of Commissioners of the Illinois Deep Waterway; but they shall not be considered a distinct corporation. Before entering upon the duties of his office each commissioner shall take and subscribe the following oath:

"I do solemnly swear (or affirm, as the case may be) that I will support the Constitution of the United States and the Constitution of the State of Illinois and that I will faithfully discharge the duties of the office of deep waterway commissioner according to the best of my ability."

30 He shall also give an official bond, payable to the People of the State of
31 Illinois, in the sum of twenty-five thousand dollars (\$25,000) with at least two
32 (2) sufficient sureties, to be approved by the Governor, conditioned for the
33 faithful discharge of his office and for a faithful accounting of all moneys en-
34 trusted to him as such commissioner, whenever and as often as he shall be law-
35 fully required. Such oath and bond shall be filed in the office of the Secretary
36 of State.

 Sec. 3. The said board shall appoint a secretary, a treasurer, a chief
2 engineer and an attorney, and such other officers, agents and assistants as said
3 board may deem necessary. The chairman of the board shall be the presiding
4 officer at all meetings of the board and shall hold his office for two years and
5 until his successor is appointed, and shall be the executive officer of said board
6 and shall sign all official documents emanating from or authorized by said
7 board. All officers elected by said board shall hold their respective offices dur-
8 ing the pleasure of the board; and said board shall prescribe the duties and fix
9 the compensation of all the officers, agents and employees of said board.

10 Said board shall have power to pass all ordinances, rules and regulations
11 which may, in the opinion of said board, be necessary for the proper manage-
12 ment and conduct of its business and to accomplish the objects for which it
13 is created. All business of said board shall be transacted at regular meetings
14 of the board or at meetings held in accordance with its rules. The affirmative
15 vote of at least three (3) members of said board shall in all cases be neces-
16 sary to transact business and to authorize the making of any contract or ap-
17 propriation or expenditure of money.

 Sec. 4. Each of the aforesaid commissioners shall receive a salary of five
2 thousand dollars (\$5,000) per year, while that one of the said commissioners
3 who shall be designated as chairman of the board shall, in addition to his annual
4 salary of five thousand dollars (\$5,000) as commissioner, receive the further

5 sum of two thousand five hundred dollars (\$2,500) per year, making his salary
6 seven thousand five hundred dollars (\$7,500) per year so long as he shall be
7 the chairman of said board.

8 The attorney for said board shall receive a salary of not to exceed five
9 thousand (\$5,000) dollars per year.

Sec. 5. The secretary shall be the custodian of the records of said board
2 and shall enter upon permanent records the official minutes of all meetings of
3 said board, in which shall be entered all the official acts of said board and a
4 record of the votes of the several members of the board upon all ordinances
5 or resolutions authorizing the making of contracts or the expenditure or ap-
6 propriation of moneys.

7 The said board before entering into any contract for the construction of
8 any part of said deep waterway, or canal, or any other of the said public works
9 connected therewith, shall cause to be made plans and specifications for the
10 said public works, together with reliable and carefully prepared estimates of
11 the cost of constructing, completing and installing all of said public works, for
12 the purpose of ascertaining whether the total cost of the construction, com-
13 pletion and installation of said public works can with certainty be defrayed
14 with the proceeds of the twenty million dollars (\$20,000,000) of said bonds
15 authorized to be issued by the amendment to the Constitution of the State of
16 Illinois, adopted by the vote of the People in the year 1908. And if, upon the
17 completion of said plans and specifications and the estimates based thereon,
18 it becomes evident to the said board that the said sum of twenty million dol-
19 lars (\$20,000,000) is not sufficient to defray the cost of the entire work, but is
20 sufficient to build and construct the aforesaid waterway and all of the aforesaid
21 public works except the locks, they shall proceed to build the same, and if there
22 is shown to be money in excess of the cost of the works thus undertaken, then
23 the money in excess of that cost shall be expended in building the locks or so

24 many of them as can be paid for by the funds provided. The first lock to be
25 constructed shall be the most northerly one of the series required for the
26 waterway, and such additional locks as can be built with the money shall be
27 constructed in consecutive order along the downward course of the said water-
28 way or canal. And no changes shall thereafter be made in the said plans and
29 specifications which, in the opinion of said board, would have the effect of in-
30 creasing the aggregate cost to the State of said public works to an amount
31 in excess of twenty million dollars (\$20,000,000), unless the State shall, by due
32 process of law, authorize additional expenditures.

33 Subject to the limitations above specified the said board is hereby author-
34 ized, empowered and directed to do and to cause to be done all things necessary
35 for the construction, erection, equipment and installation of the said deep
36 waterway or canal, power plants, locks, bridges, dams and appliances.

37 The route adopted for said waterway or canal shall be through and along
38 the Sanitary District Channel from the power plant at Lockport to Joliet,
39 thence in, along or near the Desplaines and Illinois rivers to its terminus, a
40 point in the Illinois river at or near Utica. Said deep waterway or canal shall
41 have a depth of not less than twenty-four (24) feet from the power plant at
42 Lockport to Brandon's Bridge, below Joliet, and a width of not less than three
43 hundred (300) feet from the confluence of the Desplaines river with the pool
44 known as the Upper Basin, in Joliet, to Brandon's Bridge, below Joliet, and
45 from that point to its terminus, at or near Utica, shall have an ultimate depth of
46 not less than fourteen (14) feet and a bottom width of not less than two hun-
47 dred (200) feet. All permanent structures appertaining to said waterway, or
48 canal, shall be built with a view to an ultimate depth of 24 feet throughout the
49 entire length of said waterway, or canal.

Sec. 6. The elevation of the water level within the confines of the city of
2 Joliet shall not be higher than forty-two (42) feet below Chicago Datum, and

3 to provide for the maintenance of said level, suitable waste gates and regulat-
4 ing devices shall be installed to insure an elevation of water not higher than
5 aforesaid in times of extreme flood.

Sec. 7. Special provision shall be made where the channel passes through
2 cities, towns and municipalities to adequately care for the drainage, sewerage
3 and flood waters discharged from the drainage areas involved by constructing
4 intersecting sewers and diverting water courses to lower levels.

Sec. 8. Modern bridges of adequate size and suitable design, includ-
2 ing all necessary piers, abutments, substructures, superstructures and ap-
3 proaches, shall be constructed across the full width of the channel, to replace
4 present existing structures owned by municipalities, townships and counties.
5 One-fourth of the cost of maintaining these bridges shall be borne by the muni-
6 cipality, township or county and three-fourths of such cost shall be borne by
7 the State. All damages to property, including the expense of constructing and
8 paving approaches, retaining walls, and sidewalks, rendered necessary by the
9 raising and lengthening of bridge spans, as aforesaid, shall be adjudicated by
10 the court of claims and be paid out of the funds under the control of the said
11 board of commissioners. To provide the necessary facilities for crossing the
12 proposed navigable channel with water mains, fire and police telegraph wires
13 and all public utilities, owned by municipalities, now using existing bridges,
14 there shall be constructed at such bridges adequate and suitable tunnels or con-
15 duits below the bed of the river channel for such purposes.

Sec. 9. When it shall be necessary, in the opinion of said board, for the
2 economical and successful construction, operation and maintenance of the said
3 deep waterway and other public works, hereinbefore specified, to enter upon
4 and use any public property or property held for public use, said board shall
5 have the power to do so, and enter upon, occupy, use, widen, deepen and

6 improve any waterway, canal, pool or lake, but the public use thereof shall
 7 not be unnecessarily interfered with. The property which the said board is
 8 authorized to enter upon and use under this section includes all property and
 9 all interests in property which the State of Illinois has the lawful power to
 10 appropriate to the uses of said waterway or other public works without making
 11 compensation therefor.

Sec. 10. Whenever the said board shall pass an ordinance or resolution
 2 for the construction of any part of the said deep waterway, or canal, or other
 3 public work or adjunct thereto, the making of which will require that private
 4 property should be taken or damaged, such board may cause compensation
 5 therefor to be ascertained and paid and acquire possession thereof in the same
 6 manner, as nearly as may be, as is provided for in an Act entitled, "An Act
 7 to provide for the exercise of the right of eminent domain," approved April
 8 10, 1872, and the amendments thereto: *Provided*, that the proceedings to
 9 ascertain such compensation shall in all cases be instituted in the county where
 10 the property sought to be taken or damaged is situated. The property which
 11 the said board is authorized to acquire under this section shall include all prop-
 12 erty and all interests in property which the State of Illinois has not the lawful
 13 power to appropriate to the uses of said waterway and other public works
 14 without making compensation therefor.

Sec. 11. Subject to the limitations contained in this Act, the said board
 2 is hereby authorized to acquire by purchase all property, real and personal,
 3 which, in the opinion of said board, are necessary or desirable for the construc-
 4 tion, equipment and maintenance of the public works hereinbefore specified and
 5 committed to the care of said board, to appoint and employ all officers, assist-
 6 ants, agents and employees, to enter into all contracts and to do all other acts
 7 which, in the opinion of said board, may be necessary or desirable for the
 8 construction of said deep waterway and for the erection, equipment and main-

9 tenance of said power plants, locks, bridges, dams and appliances and the neces-
10 sary adjuncts thereto.

11 All contracts for work to be done and material required by said board
12 under authority of this Act, the expense of which will exceed one thousand
13 dollars (\$1,000), shall be let to the lowest responsible bidder therefor, upon not
14 less than sixty (60) days' public notice, the terms and conditions upon which
15 such contracts are to be let to be given by publication in a newspaper of gen-
16 eral circulation in the State of Illinois and also in an engineering paper having
17 general circulation in the United States. And said board shall have power and
18 authority to reject any and all bids and re-advertise: *Provided, however,* that
19 said board may cause any piece of work to be performed by the direct employ-
20 ment of labor without the letting of a contract, which, in the discretion of the
21 board, evidenced by the affirmative vote of not less than four (4) of the Com-
22 missioners, can be most economically performed by that method. And all
23 labor so employed shall be under the direction of the chief engineer and his
24 properly authorized assistants: *And, provided, further,* that machinery may be
25 purchased upon a like vote, without soliciting competitive bids.

26 The said board is hereby directed, in letting contracts for the construction
27 of the aforesaid public works, to require of all contractors, as a condition pre-
28 cedent to the acceptance of their bids, that they shall, according to a scale of
29 benefits to be fixed by said board, adequately insure all workmen employed by
30 them or by their subcontractors against risk of injury or death suffered in the
31 course of their employment, the requirements thus imposed upon contractors
32 to be uniform, as nearly as may be, in all cases.

33 And in case the State shall undertake the construction of said public
34 works, or any part thereof, by the direct employment of labor, any employee
35 of the State injured in the course of his employment without wilful miscon-
36 duct on his part, or in case of his death in consequence of such injury, his de-
37 pendents shall be relieved and compensated out of the funds under the control

38 of said board in accordance with such general regulations as it may establish
39 and is hereby directed to establish for that purpose.

Sec. 12. The said board is hereby vested with all police powers necessary
2 to preserve the peace and protect property and preserve health within the ter-
3 ritory contiguous to said deep waterway, within a distance of two (2) miles
4 on either side thereof, but excluding therefrom all territory within which any
5 incorporated city, town or village is vested by law with the same police powers
6 which are hereby granted to said board. For the enforcement of said police
7 power, the said board is authorized to organize a police force, the members of
8 which shall have all the powers vested by law in constables. The said board
9 shall also have power to prescribe sanitary regulations for all camps, board-
10 ing houses, dwellings where the employees of said board are domiciled, and any
11 violation of any police or health rule or regulation of said board shall be
12 deemed a misdemeanor punishable as such upon trial and conviction as pro-
13 vided by law in other cases. Said board shall have power to appoint a health
14 officer, who shall be a physician, and to prescribe his powers and duties.

Sec. 13. For the purpose of defraying all expenditures of said board
2 made by authority of this Act there shall be issued and sold, in the manner and
3 at the times hereinafter recited, bonds of the State of Illinois to an amount
4 not exceeding twenty million dollars (\$20,000,000) and the proceeds thereof
5 shall be paid to the State Treasurer, who shall keep an account of the same
6 as a separate fund to be known as the "Waterway Fund" and to be drawn
7 upon by the said board in the construction and maintenance of the aforesaid
8 public works. The board of commissioners is charged with the duty of selling
9 said bonds to the highest bidder after advertising for a period of sixty (60)
10 consecutive days, Sundays excepted, in at least two daily newspapers, one of
11 which shall be printed in the city of Springfield and the other in the city of
12 Chicago. The said board may reject any and all bids made in pursuance of

13 said advertisements, and in such event is authorized to re-advertise for bids
14 in the manner above described as many times as may be necessary to effect a
15 satisfactory sale. One-fifth of each issue of said bonds shall be in denomina-
16 tions of two hundred dollars (\$200) each, one-fifth in denominations of five
17 hundred dollars, (\$500) each, and three-fifths in denominations of one thousand
18 (\$1,000) each; and in the sale of said bonds, as hereinafter provided, the board
19 of commissioners shall, in the case of intending purchasers who bid the same
20 price, give the preference to those who bid for the smaller quantity. Said bonds
21 shall not all be issued and sold at one time, but shall be issued and sold from
22 time to time, as the work proceeds, in amounts necessary to meet the obliga-
23 tions incurred by said board as they shall be estimated by the chief engineer
24 and reported to and approved by said board. All bonds issued shall be dated
25 as of the first of January or the first day of July next preceding the date of
26 their issue, and shall draw interest, payable semi-annually, evidenced by inter-
27 est coupons, at a rate not exceeding four (4) per cent per annum, and shall
28 be sold for not less than par. All bonds issued shall be made payable in twenty
29 (20) years from the date of their issue, and, in the discretion of the said board,
30 may be made redeemable in ten (10) years from the date of their issue. They
31 shall be engraved and printed under the direction of the Governor, shall be
32 under the seal of the State, shall be signed by the Governor, and counter-
33 signed by the Treasurer and Auditor of the State, and until sold shall be de-
34 posited with the State Treasurer. The estimate made and approved, as afore-
35 said, of the funds which will be required to meet the obligations for the said
36 work, including maturing interest on outstanding bonds for a period of six
37 (6) months beginning with the 1st day of January or July next ensuing there-
38 after, shall be made and filed with the Governor of the State of Illinois in the
39 months of April and October of each year.

Sec. 14. All payments for salaries, wages, work done under contract, ma-
2 terials, supplies, machinery, lands and damages to lands, shall be made by the

3 State Treasurer out of the aforesaid waterway fund upon warrants drawn by
4 the Auditor of Public Accounts, based upon bills of particulars and vouchers
5 certified by the official or agent of the said board having knowledge of the
6 facts upon which the said vouchers are based, audited by the secretary and ap-
7 proved by the chairman of the board. The said board shall prescribe the man-
8 ner in which payment shall be made for the current and emergency expenses
9 and provide for safe-guarding all disbursements of funds on this behalf. The
10 said board shall have power to keep under its control a fund to meet imme-
11 diate demands and expenses, not exceeding at any one time fifty thousand
12 dollars (\$50,000.00), and for the purpose of creating the said emergency fund
13 the Auditor of Public Accounts is authorized in the first instance to issue his
14 warrant for the sum of fifty thousand dollars (\$50,000.00) at the direction of
15 the said board, and payable to its treasurer; and the Auditor of Public Ac-
16 counts is authorized thereafter to issue warrants for the purpose of maintain-
17 ing said fund at the sum of fifty thousand dollars (\$50,000.00), but shall only
18 issue said warrants upon the presentation to him of receipted bills of particu-
19 lars and vouchers, certified by the official or agent of said board having knowl-
20 edge of the facts upon which the vouchers are based, audited by the secretary
21 and approved by the chairman of the board, and showing the disbursements
22 made by said board out of the aforesaid emergency fund.

Sec. 15. The said board shall, on or before the first day of January in
2 each year, make a full report to the Governor of the State of Illinois of all
3 the business transacted by it during the year ending on the preceding 30th
4 day of November, including a statement of all expenditures, contracts entered
5 into, work done, and obligations outstanding or contracted for at the date of
6 the making of each report. The Governor shall cause the books and affairs of
7 said board to be audited in each year by an accountant or accountants, em-
8 ployed by him for that purpose, and the cost of such audit shall be paid as

9 a part of the cost of the work authorized by this Act, upon a voucher approved
10 by the Governor.

Sec. 16. Said board shall have power from time to time to lease any
2 water power developed from the water passing through said deep waterway.
3 or canal, subject to the following conditions:

4 No lease shall be made of any water power until the machinery and ap-
5 pliances for making the same available shall have been constructed and sub-
6 stantially completed. Before any such lease shall be made, at least ninety (90)
7 days' public notice of the intended letting shall be given by publication in a
8 newspaper published in the city of Springfield, and also in the city of Chi-
9 cago, and such other notice as the board shall deem best. The said board
10 shall have power to require the bids to be accompanied by security, and may
11 reject all bids not satisfactory to them and re-advertise until they receive satis-
12 factory bids, whereupon they shall lease said power to the highest and best
13 bidder. No lease shall be for a period exceeding ten (10) years, but the said
14 board may provide for not more than one extension of any lease for a further
15 period of ten (10) years, at a rent to be fixed by appraisal to be made by three
16 disinterested appraisers, to be selected or appointed in such manner as shall
17 be provided in the lease. Said board shall also have power to lease from time
18 to time any of the lands or lots acquired by said board, upon the same terms
19 and subject to the same limitations as hereinbefore provided in regard to
20 water power.

Sec. 17. All rents and other moneys received by the said board, from the
2 operation of the aforesaid public works, after defraying the cost of mainte-
3 nance and repair, shall be deposited in the State treasury as a separate fund,
4 to be known as the Waterway Sinking Fund, which shall be kept and used to
5 meet the interest and principal falling due upon said bonds, and to be used by
6 said board, in its discretion, in buying up for cancellation, any of said bonds

7 before maturity at not more than the par value thereof, together with accrued
8 interest thereon. The method of disbursing the said Waterway Sinking Fund
9 shall be the same as is hereinbefore provided for the disbursement of the pro-
10 ceeds of the said bonds issued in aid of the original construction of said pub-
11 lic works.

Sec. 18. When the channel shall have been completed in conformity with
2 the provisions of Sections No. 1 and No. 5 hereof, or so much of said channel
3 as shall have been built and paid for with the proceeds of the twenty million
4 dollars (\$20,000,000) of bonds authorized to be sold under the provisions of
5 Section No. 13 hereof, then the said channel or so much thereof as shall have
6 been completed shall be tendered to the Government of the United States for
7 navigable uses conditioned upon the obligation of said government to maintain
8 the channel for navigation and to operate and maintain the locks free of cost to
9 the State of Illinois. For all uses other than navigation, the channel and its
10 appurtenances shall be, and forever remain, the property of the State of Illinois.

A BILL

For an Act to enlarge the powers of Sanitary districts, organized under an Act entitled "An Act to create sanitary districts and remove obstructions in the Des-Plaines and Illinois rivers," approved May 29, 1889, in force July 1, 1889, in relation to constructing, operating, leasing and selling harbors, wharves, docks, piers, slips and other harbor structures, facilities, improvements and utilities constructed or operated in connection therewith; to authorize the acquisition and condemnation of property, and the use, occupation, reclamation and acquisition of the submerged lands of the State in carrying out such power and to repeal all Acts or parts of Acts in conflict herewith.

SECTION 1. *Be it enacted by the People of the State of Illinois,*
2 *represented in the General Assembly.* That, subject to the provisions of this

2 Act, every sanitary district in this State organized under an Act entitled, "An
3 Act to create sanitary districts, and to remove obstructions in the Des Plaines
4 and Illinois rivers," approved May 29, 1889, in force July 1, 1889, shall have
5 the power to acquire, own, construct, maintain and operate anywhere within the
6 limits or jurisdiction of said sanitary district, or in, over or upon any public
7 waters bordering thereon, harbors, wharves, docks, piers, slips, levees and all
8 other appropriate harbor facilities and improvements, and in connection there-
9 with to acquire, own, construct, maintain and operate such elevators and ware-
10 houses (including cold storage warehouses) as may be a necessary adjunct or
11 incidental to transportation, vaults, railroad tracks and railroad terminals, and
12 street railway tracks and street railway terminals, and all other necessary or
13 appropriate terminal facilities; to lease particular portions of any of the utili-
14 ties mentioned in this section to persons, firms, private corporations or municipi-
15 pal or public corporations for the purpose of using the same for a period not
16 longer than twenty years upon such terms and conditions as shall be fixed by
17 the board of trustees of such sanitary district by ordinance, and to fix and reg-

19 operated, or operated by such sanitary districts, or by persons, firms or private
20 corporations: *Provided, however,* that at least one-third capacity of each and

24 capacity of the remaining two-thirds capacity of each and every of such utility
25 shall be leased to any one person, firm, private or public corporation: *Provided,*
26 *however,* that all leases authorized under this Act shall contain no conditions
27 which shall admit of any unjust, undue or unreasonable preference or discrimi-

 37 owned by persons, firms or private corporations, and all rights, terms, easements
 38 and privileges pertaining thereto and including also all property, property rights
 39 easements and privileges devoted to public recreation, park or other public uses;
 40 and the enumeration herein of specific kinds of property and property rights
 41 which may be so acquired, shall not be construed in any way to limit or abridge
 42 the general powers of acquisition of property and property rights herein
 43 granted. Every such sanitary district shall also have the right, power and au-
 44 thority, and such right, power and authority is hereby granted, to use, occupy or
 45 reclaim all such submerged lands under the public waters of the State within
 46 the limits or jurisdiction of, or bordering on such sanitary district, as may be
 47 necessary or appropriate for any of the purposes hereinbefore in this Act enum-
 48 erated, and the right or license herein granted to sanitary districts to use, oc-
 49 cupy or reclaim such submerged lands shall be superior to and shall take pre-
 50 cedence over any similar right or license heretofore or hereinafter granted to
 51 any person, firm, private or municipal or public corporation other than a city or
 52 a sanitary district (in so far as such right or license has not been exercised): *Pro-*
 53 *vided*, that nothing in this Act shall be construed as revoking, limiting or abridg-
 54 ing any powers, rights or licenses now or hereafter granted to cities or sanitary
 55 districts in this State.

Sec. 2. Whenever, under the provisions of this Act, any sanitary district
 2 shall decide to construct or to construct and operate any of the facilities, im-
 3 provements and utilities mentioned in Section 1, within the corporate limits or
 4 jurisdiction of any city, or in, over or upon any public waters bordering on such

city, and shall pass a resolution to that effect, such sanitary district shall, before such construction is commenced or steps are taken to acquire property under the provisions of this Act, obtain the consent of the city council of such city and such consent may be granted upon such terms and conditions as the board of trustees of such sanitary district and the city council of such city may agree upon: *Provided*, that if such city fails to grant such consent to such sanitary district within one year from the date when this Act goes into force and effect, or fails or neglects to pass an ordinance providing for the construction by such city of such facilities, improvements and utilities under the provisions of any similar Act conferring upon cities like powers with those hereby conferred upon sanitary districts, within one year from the date when this Act goes into force and effect and shall actually, within six months after the passage of such ordinance, proceed in good faith to carry out the provisions of the same, then and in that event, such sanitary district shall have the right to proceed under the provisions of this Act without any consent or permit from such city.

Sec. 3. Any order, ordinance or resolution, providing for the leasing by any sanitary district of a particular portion of any harbor, wharf, dock, pier, slip, levee, or other harbor facility or improvement mentioned in this Act (and authorized under Section 1 hereof to be leased) for any period in excess of five years or prescribing the location where the facilities, improvements and utilities mentioned in Section 1 of this Act shall be constructed, shall not go into effect until ninety (90) days after the passage thereof and the delivery of a certified copy of such order, ordinance or resolution to the city clerk of each and every city within the corporate limits of such sanitary district and, if within such ninety (90) days a petition shall be filed in the office of the clerk of the board of trustees of such sanitary district, signed by twenty thousand (20,000) registered voters of such sanitary district requesting that such ordinance be submitted to popular vote, it shall be the duty of the clerk of the board of trustees of such

15 sanitary district, within three days after the filing in his office of such petition,
 16 to file the same, together with a copy of the ordinance certified by said clerk of the
 17 board of trustees of such sanitary district, to be a true copy thereof, in the
 18 office of the officer or officers having jurisdiction over the election at which the
 19 voters of such sanitary district shall be entitled to vote, and it shall thereupon
 20 be the duty of such election officer or officers to submit to the electors of such
 21 sanitary district in the same manner as is provided by Section 2 of "An Act
 22 providing for an expression of opinion by electors on questions of public pol-
 23 icy at any general or special election," approved May 11, 1901, at the first suc-
 24 ceeding general or special election at which the electors of such sanitary dis-
 25 trict are entitled to vote, occurring more than ninety days thereafter, the ques-
 26 tion of whether or not such ordinance shall be approved, and such ordinance
 27 shall not go into effect until it shall have been approved by a majority of the
 28 voters of such sanitary district voting thereon at such general or special election.

Sec. 4. Whenever, under the provisions of this Act any sanitary district
 2 shall have constructed any of the harbor facilities, improvements or utilities
 3 mentioned in Section 1 of this Act, such sanitary district shall, on the demand
 4 of such city, sell and convey to such city, subject to any and all unexpired
 5 leases, the facilities, improvements or utilities theretofore constructed, and the
 6 price which such city shall pay shall be the actual cost of the same, which
 7 shall include the actual legal, clerical engineering and other necessary incidental
 8 expenses in connection therewith, and interest on the actual amount of money
 9 expended during the construction period at the rate of four and one-half per
 10 cent ($4\frac{1}{2}\%$) per annum from the date or dates any sum or sums of money are
 11 expended by such sanitary district in such construction to the date of the com-
 12 pletion of the same, which purchase price shall be paid at the time of said sale
 13 and conveyance.

14 If such sanitary district has operated any of the facilities, improvements
 15 and utilities constructed by it under the provisions of this Act prior to the time

16 of the sale and conveyance of the same to such city, and the same have been
17 operated at a loss to such sanitary district, then said city shall pay in addition
18 to the actual cost aforesaid a sum equal to the amount of losses incurred by
19 said operation. If said facilities, improvements and utilities have been oper-
20 ated by such sanitary district at a profit to such sanitary district, then there
21 shall be deducted from said actual cost price as aforesaid a sum equal to the
22 amount of the net profits accruing to such sanitary district from such opera-
23 tion. In determining whether there has been a profit or loss and the amount
24 thereof, interest at the rate of four and one-half per cent ($4\frac{1}{2}\%$) per annum from
25 the date of the beginning of such operation to the date of payment shall be
26 figured as part of the operating expenses.

27 Said sanitary district shall keep the books of accounts for constructing,
28 maintaining and operating the improvements and utilities authorized under the
29 provisions of this Act, including the cost of all land acquired and the actual
30 legal, clerical, engineering and other necessary incidental expenses in connec-
31 tion with such acquisition, improvements, maintenance and operation of such

124 the court.

4 duty, and shall abide the decision and order of such Board with reference there-
5 to; and all members of the police force who may be retired under the provis-

 66 that any lands proposed to be included in any district hereafter organized are
 67 already included in a drainage district organized under this or some other law,
 68 shall not prevent the including of said lands in such district, if the court shall
 69 find from evidence adduced that lands included in such other districts are like-
 70 wise interested in, and will be benefited by the work of the proposed district,
 71 and it shall not be a valid ground of attack upon the said organization there-
 72 after that it does include lands which have been theretofore included in a legally
 73 organized drainage district. Nor shall it be a valid ground of objection on the
 74 part of any land owner upon said hearing, or upon an appeal from said order,
 75 or upon any writ of error attacking the said order, that any owner of other land
 76 has not received sufficient notice of the said proceedings, or that the said order
 77 is invalid as to the said owner of other lands; but such other owners and lands
 78 may be thereafter brought into and included in the said district, and assessed
 79 therein under the provisions of sections fifty-eight (58), sixty (60) and sixty-one
 80 (61) of this Act, when such other lands should properly be included in said dis-
 81 trict.

82 Sec. 16a. In a case or cases wherein any proceedings have been heretofore
 83 had for the organization of any drainage and levee district under this Act, and
 84 in which district there shall have been included or thereafter annexed, lands
 85 lying or being in a drainage district theretofore organized, the proceedings for
 86 the organization of such district, or annexation of such lands, if the same be in
 87 other respects valid and sufficient, are hereby legalized and shall be deemed,
 88 held and esteemed to all intents valid, sufficient and legal districts, notwith-
 89 standing the inclusion of such lands, as though this Act had been in full force and
 90 effect at the time of the filing of the petitions for the organization of such dis-
 91 tricts and at all times thereafter, and the commissioners of such district shall
 92 proceed with the work of such district, and all assessments levied, contracts
 93 made, bonds, warrants and orders issued, all acts of the drainage commissioners,
 94 and proceedings had, in any such district, are hereby legalized. In any case

95 where the commissioners of any district shall have been ousted from office, or the
96 district dissolved by the judgment of any court, on the ground that said district
97 included lands lying and being in other drainage districts, then the court shall
98 proceed to appoint successors to such commissioners, who shall proceed with
99 such work.

100 Sec. 18. In making such assessment, the jury shall award and assess the
101 damages and benefits in favor of and against each tract separately, in the propor-
102 tion in which such tract of land will be damaged or benefited, and in no case
103 shall any tract of land be assessed for benefits in a greater amount than its pro-
104 portionate share of the estimated cost of the work and expenses of the proceed-
105 ing, nor in a greater amount than it will be benefited by the proposed work, ac-
106 cording to the best judgment of the jury, and when directed, by the commission-
107 ers, or the court impaneling a jury for making any additional assessment of
108 damages and benefits, or benefits, or for the purpose of making assessments in
109 favor of, or against any one or more tracts, as the case may be, in any district,
110 such jury may consider any prior assessment or assessments, against any lands,
111 which are void and unpaid, by reason of some omission, clerical error, mistake,
112 or for want of proper notice to the owner thereof, or on account of other ir-
113 regularity of proceedings not affecting the merits of such prior assessments, and
114 may include the same or any part thereof with such other assessments. *And if*
115 *any special assessment or any part thereof for the construction or repair of any*
116 *work in any drainage district heretofore or hereafter organized under this Act,*
117 *whether made prior to the taking effect of this amendment or hereafter, has been*
118 *or hereafter shall be held by any court of competent jurisdiction not to have*
119 *been legally made, a new assessment may be made and returned therefor, and the*
120 *proceedings therefor shall be the same as provided for the making of the first*
121 *or original assessments, and all parties interested shall have like rights and like*
122 *powers in relation to any such subsequent assessment as are given in relation to*
123 *the original assessment, and no such special assessment shall be held void because*

124 *levied for work already done under a prior assessment, if it appear to the court*
 125 *that such work was done in good faith under a contract duly let and executed*
 126 *pursuant to the plans providing for the same.*

127 Séc. 58. Any land lying outside of the drainage district as organized, the
 128 owner or owners of which shall thereafter make connection with the main ditch
 129 or drain or with any ditch or drain within the district as organized, or whose
 130 lands are or will be benefited by the work of such district *done or ordered to be*
 131 *done*, shall be deemed to have made voluntary application to be included in such
 132 drainage district; and thereupon the commissioners shall make complaint in
 133 writing, setting forth a description of such land or lands benefited, the name
 134 of the owner or owners thereof, also a description of the drain or ditch
 135 making connection with the ditches of such district, as near as may be, and
 136 file said complaint in the county court *of the county in which such district*
 137 *was organized*, or before a justice of the peace *of said county*. The court or
 138 justice of the peace shall fix a day, not less than fifteen days from such filing,
 139 when he will hear such complaint, and thereupon the commissioners shall give
 140 ten days' notice thereof in writing; said notice shall embrace a copy of
 141 such complaint, and service thereof shall *be by publishing said notice for*
 142 *two successive weeks in a newspaper published in the county where said dis-*
 143 *trict is organized*; and affidavit of such service shall be evidence thereof. At
 144 the time fixed, or at a time continued from such time fixed, the court or
 145 justice of the peace shall hear said cause, and if the complaint is before a
 146 justice of the peace, and judgment is rendered in favor of said district, he
 147 shall record a copy of said complaint, and service of notice thereof, together
 148 with his judgment thereon, upon his docket, and if the district was organ-
 149 ized before the county court, he shall transmit a certified copy of such com-
 150 plaint and judgment to the clerk of such court, who shall file and record the
 151 same, or if the complaint was heard by the county court in which such district
 152 was organized, and judgment given in favor of said district, a record of such
 153 judgment, giving a description of such lands annexed, shall be made, and

154 such lands described in the complaint in either case shall be deemed a part
155 of such district and shall be assessed as other lands therein. The assessments
156 of benefits against such lands so added to said district may be made at any
157 time the commissioners may deem proper, and the assessment roll thereof shall
158 be filed and recorded and proceedings thereon had as in other cases; or such
159 lands may be assessed when all lands throughout the district are assessed.

Sec. 2. Whereas, owing to the uncertainty with regard to the validity of
2 contracts and bonds made and issued by drainage and levee districts in this
3 state, an emergency exists, therefore this Act shall be in force from and after
4 its passage.

2 representative government in Illinois; the establishing of the County of Madison,
3 including the following bounds: Beginning on the Mississippi, to run with the
4 second township line above Cahokia (near East St. Louis) east until it strikes
5 the dividing line between Illinois and Indiana Territories; thence with said di-
6 viding line to the line of Upper Canada; thence with said line to the Mississippi;
7 and thence down the Mississippi to the beginning; and appointing the house of

19 progress and results obtained by our sturdy forefathers;

 27 which employments it is deemed necessary to establish a new system of compen-
 28 sation for accidents to the employees therein.

Sec. 2. No employer shall, subject to the limitations of this Act, be per-
 2 mitted to escape liability for payment of the compensation provided for herein,
 3 by alleging or proving that the employee assumed the hazards or risks of the

 5 the injury was caused in whole or in part by the contributory negligence of the
 6 employee.

Sec. 3. No common law or statutory right to recover damages for injuries
 2 or death sustained by any employee, while engaged in the line of his duty as such
 3 employee, other than the compensation herein provided, shall be available to any

 12 fected by this Act, but in such cases the injured employee, or if death results from
 13 such injury, his dependents, as herein defined, or his legal representative, con-
 14 servator or guardian, may elect between the right of action against the employer
 15 under such liability, and the right to compensation under this Act.

Sec. 4. The amount of compensation which the employer shall pay for injury
 2 to the employee which results in death, shall be:

3 a. If the employee leaves any widow, child or children, or parents or other
 4 lineal heirs to whose support he had contributed within five years previous to the

 7 and not more in any event than Three Thousand Five Hundred Dollars. Any
 8 weekly payments, other than necessary medical or surgical fees, shall be deducted
 9 in ascertaining such amount payable on death.

10 b. If the employee leaves collateral heirs dependent upon his earnings, such
 11 a percentage of the sum provided in Section "a" as the contributions which de-
 12 ceased made to the support of these dependents, bore to his earnings at the time
 13 of his death.

14 c. If the employee leaves no widow or child or children, parents or lineal
 15 or collateral heirs dependent upon his earnings, a sum not to exceed One Hun-
 16 dred and Fifty Dollars for burial expenses.

17 d. All compensation provided for in this section to be paid in case injury
 18 results in death, shall be paid in installments equal to one-half the average earn-
 19 ings, at the same intervals at which the wages or earnings of the employee were
 20 paid while he was living; or if this shall not be feasible, then the installments
 21 shall be paid weekly: *Provided*, that if any person entitled to such compensation
 22 shall desire to have such compensation, or a part thereof, paid in a lump sum,
 23 said person may petition the county or probate court of the county in which the
 24 employee resided or worked at the time of his death, asking that such compen-

25 sation be so paid, and if, upon proper notice to the employer and a proper show-
26 ing made before such court, it appears to the best interest of such beneficiary
27 that such compensation be so paid, the court shall order payment of a lump sum.

Sec. 5. The amount of compensation which the employer shall provide and
2 pay for injury to the employee resulting in disability shall be:

3 a. Necessary medical and surgical treatment in all cases, at the time of the
4 accident and as long thereafter as necessary, but not to exceed ninety (90) days,
5 including medicine and other means of treatment and all reasonable facilities,
6 such as the first set of apparatus artificial limbs, crutches or trusses, to aid in
7 the success of the treatment and to diminish the effects of the injury.

8 b. If the period of disability lasts for more than one week, and such fact
9 is determined by the physician or physicians, as provided in Section 9, compen-
10 sation equal to one-half of the earnings, but not less than \$5.00 nor more than
11 \$12.00 per week, beginning on the first day of the second week after the in-
12 jured employee leaves work as a result of the accident, and as long as the dis-
13 ability lasts, or until the amount of compensation paid equals the amount pay-
14 able as a death benefit.

15 c. If any employee, by reason of any accident arising out of and in the
16 course of his employment, receive any serious and permanent disfigurement to
17 the hands or face, but which injury does not actually incapacitate the employee
18 from pursuing his usual or customary employment so that it is possible to
19 measure compensation in accordance with the scale of compensation and the
20 methods of computing the same herein provided, such employee shall have the
21 right to resort to the arbitration provisions of this Act for the purpose of de-
22 termining a reasonable amount of compensation to be paid to such employee, but
23 not to exceed one-half ($\frac{1}{2}$) of the amount of his compensation in case of death.

24 d. If after the injury has been received it shall appear upon medical ex-
25 amination as provided for in Section 9, that the employee has been partially,
26 though permanently incapacitated from pursuing his usual and customary line

27 of employment, he shall receive compensation equal to one-half of the differ-
28 ence between the average amount which he earned before the accident, and the
29 average amount which he is earning, or is able to earn in some suitable employ-
30 ment or business after the accident, if such employment is secured.

31 *e.* In the case of complete disability which renders the employee wholly
32 and permanently incapable of work, compensation for the first eight years after
33 the day the injury was received, equal to 50 per cent of his earnings, but not
34 less than \$5.00 nor more than \$12.00 per week. If complete disability continues
35 after the expiration of the eight years, then a compensation during life, equal
36 to 8 per cent of the death benefit which would have been payable had the acci-
37 dent resulted in death. Such compensation shall not be less than \$10.00 per
38 month and shall be payable monthly.

39 (1) In case death occurs before the total of the payments made equals the
40 amount payable as a death benefit, as provided in Section 4, Article *a*, then in
41 case the employee leaves any widow, child or children, or parents, or other lineal
42 heirs, they shall be paid the difference between the compensation for death and
43 the sum of such payment, but in no case shall this sum be less than \$500.00.

44 (2) In cases of complete disability, after compensation has been paid at
45 the specified rate for a term of at least six months, the employee shall have the
46 privilege of filing a petition in accordance with Article *d* of Section 4 of this
47 Act, asking for a lump sum payment of the difference between the sum of the
48 payments received and the compensation to which he was entitled when such
49 permanent disability has been definitely determined. For the purpose of this
50 Section, blindness or the total and irrecoverable loss of sight, the loss of both
51 feet at or above the ankle, the loss of both hands at or above the wrist, the
52 loss of one hand and one foot, an injury to the spine resulting in permanent
53 paralysis of the legs or arms, and a fracture of the skull resulting in incurable
54 imbecility or insanity, shall be considered complete and permanent disability:
55 *Provided*, these specific cases of complete disability shall not, however, be con-
56 strued as excluding other cases.

57 (3) In fixing the amount of the disability payments, regard shall be had
58 to any payments, allowance or benefit which the employee may have received
59 from the employer during the period of his incapacity, except the expenses of
60 necessary medical or surgical treatment. In no event, except in cases of com-
61 plete disability as defined above, shall any weekly payment payable under the
62 compensation plan in this section provided exceed \$12.00 per week, or extend
63 over a period of more than eight years from the date of the accident. In case
64 an injured employee shall be incompetent at the time when any right or priv-
65 ilege accrues to him under the provisions of this Act, a conservator or guardian
66 of the incompetent, appointed pursuant to law, may on behalf of such incompe-
67 tent, claim and exercise any such right or privilege with the same force and
68 effect as if the employee himself had been competent and had claimed or exer-
69 cised said right or privilege; and no limitations of time by this Act pro-
70 vided, shall run so long as said incompetent employee had no conservator or
71 guardian.

Sec. 6. The basis for computing the compensation provided for in Sections
2 4 and 5 of this Act shall be as follows:

3 a. The compensation shall be computed on the basis of the annual earnings
4 which the injured person received as salary, wages or earnings in the employment
5 of the same employer during the year next preceding the injury.

6 b. Employment by the same employer shall be taken to mean employment
7 by the same employer in the grade in which the employee was employed at the
8 time of the accident, uninterrupted by absence from work due to illness or any
9 other unavoidable cause.

10 c. The annual earnings if not otherwise determinable shall be regarded as
11 300 times the average daily earnings in such computation.

12 d. If the injured person has not been engaged in the employment for a
13 full year immediately preceding the accident, the compensation shall be com-

14 puted according to the annual earnings which persons of the same class in the
 15 same or in neighboring employments of the same kind have earned during such
 16 period. And if this basis of computation is impossible, or should appear to be
 17 unreasonable, three hundred times the amount which the injured person earned
 18 on an average on those days when he was working during the year next preceding
 19 the accident, shall be used as a basis for the computation.

20 *e.* In the case of injured employees who earn either no wage or less than
 21 three hundred times the usual daily wage or earnings of the adult day laborers of
 22 that locality, the yearly wage shall be reckoned as three hundred times the
 23 average daily local wage.

24 *f.* As to employees in employments in which it is the custom to operate for
 25 a part of the whole number of working days in each year, such number shall be
 26 used instead of three hundred as a basis for computing the annual earnings, pro-
 27 vided the minimum number of days which shall be used for the basis of the year's
 28 work shall be not less than two hundred.

29 *g.* Earnings, for the purpose of this section, shall be based on the earnings
 30 for the number of hours commonly regarded as a day's work for that employ-
 31 ment, and shall exclude overtime earnings. The earnings shall not include any
 32 sum which the employer has been accustomed to pay the employee to cover any
 33 special expense entailed on him by the nature of his employment.

34 *h.* In computing the compensation to be paid to any employee who, before
 35 the accident for which he claims compensation, was disabled and drawing com-
 36 pensation under the terms of this Act, the compensation for each subsequent
 37 injury shall be apportioned according to the proportion of incapacity and dis-
 38 ability caused by the respective injuries which he may have suffered.

Sec. 7. The compensation herein provided shall be the measure of the re-
 2 sponsibility which the employer has assumed for injuries or death that may oc-
 3 cur to employees in his employment subject to the provisions of this Act, and it
 4 shall not be in any way reduced by contributions from employees.

Sec. 8. If it is proved that the injury to the employee resulted from his deliberate intention to cause such injury, no compensation with respect to that injury shall be allowed.

Sec. 9. Any employee entitled to receive disability payments shall be required if requested by the employer to submit himself for examination at the expense of the employer to a duly qualified medical practitioner or surgeon selected by the employer, at a time and place reasonably convenient for the employee, as soon as practicable after the injury, and also one week after the first examination, and thereafter at intervals not oftener than once every four weeks, which examinations shall be for the purpose of determining the nature, extent and probable duration of the injury received by the employee, and for the purpose of adjusting the compensation which may be due the employee from time to time for disability according to the provisions of Sections 4 and 5 of this Act: *Provided, however,* that such examination shall be made in the presence of a duly qualified medical practitioner or surgeon provided and paid for by the employee, if such employee so desires, and in the event of a disagreement between said medical practitioners or surgeons as to the nature, extent or probable duration of said injury or disability, they may agree upon a third medical practitioner or surgeon, and, failing to agree upon such third medical practitioner or surgeon, the judge of the probate court or county court of the county where the employee resided or was employed at the time of the injury, shall within six days after petition filed in such court for that purpose, select a third medical practitioner or surgeon and the majority report of such three physicians as to the nature, extent and probable duration of such injury or disability shall be used for the purpose of estimating the amount of compensation payable under this Act. If the employee refuses so to submit himself to examination or unnecessarily obstructs the same, his right to compensation payments shall be temporarily suspended until such examination shall have taken place, and no compensation shall be payable under this Act during such period.

Sec. 10. Any question of law or fact arising in regard to the application of

2 this law in determining the compensation payable hereunder shall be determined
3 either by agreement of the parties or by arbitration as herein provided. In case
4 any such question arises which cannot be settled by agreement, the employee and
5 the employer shall each select a disinterested party and the judge of the probate
6 court or county court, of the county where the injured employee resided or
7 worked at the time of the injury, shall appoint a third disinterested party, such
8 persons to constitute a Board of Arbitrators for the purpose of hearing and de-
9 termining all such disputed questions of law or fact arising in regard to the ap-
10 plication of this law in determining the compensation payable hereunder; and it
11 shall be the duty of both employee and employer to submit to such Board of Ar-
12 bitrators not later than ten days after the selection and appointment of such
13 arbitrators all facts or evidence which may be in their possession or under their
14 control, relating to the questions to be determined by said arbitrators; and said
15 Board of Arbitrators shall hear all the evidence submitted by both parties and
16 they shall have access to any books, papers or records of either the employer or
17 the employee showing any facts which may be material to the questions before
18 them, and they shall be empowered to visit the place or plant where the accident
19 occurred, to direct the injured employee to be examined by a regular practicing
20 physician or surgeon, and to do all other acts reasonably necessary for a proper
21 investigation of all matters in dispute. A copy of the report of the arbitrators
22 in each case shall be prepared and filed by them with the State Bureau of Labor
23 Statistics, and shall be binding upon both the employer and employee except for
24 fraud and mistake: *Provided*, that either party to such arbitration shall have the
25 right to appeal from such report or award of the arbitrators to the Circuit Court
26 of the county where the injury occurred by filing a petition in such court within
27 twenty days after the filing of the report of the arbitrators, and upon filing a
28 good and sufficient bond, in the discretion of the court, and upon such appeal the
29 questions in dispute shall be heard *de novo*, and either party may have a jury

30 upon filing a written demand therefor with his petition; and provided, further,
31 that a certified copy under the hand and seal of the Secretary of the State Bu-
32 reau of Labor Statistics of the report of the arbitrators herein provided, shall
33 be admissible in evidence in such court upon appeal.

Sec. 11. Any person entitled to payment under the compensation provis-
2 ions of this Act from any employer shall have the same preferential claim
3 therefor against the property of the employer as is now allowed by law for a
4 claim by such person against such employer for unpaid wages or for personal
5 services, such preference to prevail against wage claims of all other employees,
6 not entitled to compensation for injuries, and the payments due under such com-
7 pensation provisions shall not be subject to attachment, levy, execution, garnish-
8 ment or satisfaction of debts, except to the same extent and in the same manner
9 as wages or earnings for personal service are now subject to attachment, levy,
10 execution, garnishment or satisfaction of debts, under the laws of this State, and
11 shall not be assignable. Any right to receive compensation hereunder shall be
12 extinguished by the death of the person or persons entitled thereto, subject to
13 the provisions of this Act relative to compensation for death received in the
14 course of employment. No claim of any attorney at law for services in securing
15 a recovery under this Act shall be an enforceable lien thereon unless the amount
16 of the same be approved in writing by a judge of a court of record.

Sec. 12. Any contract or agreement made by any employer or his agent or
2 attorney with any employee or any other beneficiary of any claim under the pro-
3 visions of this Act within seven days after the injury shall be presumed to be
4 fraudulent.

Sec. 13. No employee or beneficiary shall have power to waive any of the
2 provisions of this Act in regard to the amount of compensation which may be
3 payable to such employee or beneficiary hereunder.

Sec. 14. No proceedings for compensation under this Act shall be maintained unless notice of the accident has been given to the employer as soon as practicable after the happening thereof, and during such disability, and unless claim for compensation has been made within six months after the injury; or in case of the death of the employee or in the event of his incapacity, within six months after such death or incapacity, or in the event that payments have been made under the provisions of this Act, within six months after such payments have ceased. No want or defect or inaccuracy of such notice shall be a bar to the maintenance of proceedings by arbitration or otherwise by the employee, unless the employer proves that he is unduly prejudiced in such proceedings by such want, defect or inaccuracy. Notice of the accident shall, in substance, apprise the employer of the claim of compensation made and shall state the name and address of the employee injured, the approximate date and place of the accident, if known, and in simple language the cause thereof; which notice may be served personally or by mail, addressed to the employer at his last known residence or place of business: *Provided*, that the failure on the part of any person entitled to such compensation to give such notice shall not relieve the employer from his liability for such compensation, when the facts and circumstances of such accident are known to such employer or his agent.

Sec. 15. The provisions of this Act shall not be construed so as to disturb the organization of any existing mutual aid or benefit association or society to which the employer contributes an amount sufficient to insure to the employee or other beneficiary the full compensation herein provided; or to prevent the organization of any mutual benefit association or insurance company for the purpose of insuring the compensation herein provided, for the payment of additional accident or sick benefits, to which the employee may contribute, providing such mutual aid or benefit association or insurance company complies with the laws of this State.

Sec. 16. Any person who shall become entitled to compensation under the provisions of this Act, shall, in the event of his inability to recover such compensation from the employer on account of his insolvency, be subrogated to all the rights of such employer against any insurance company or association which may have insured such employee against loss growing out of the compensation required by the provisions of this Act to be paid by such employer, and in such case only, a payment of the compensation that has accrued to the person entitled thereto in accordance with the provisions of this Act, shall relieve such insurance company from such liability.

Sec. 17. Where the injury for which compensation is payable under this Act was caused under circumstances creating a legal liability in some person, other than the employer, to pay damages in respect thereof:

a. The employee or beneficiary may take proceedings both against that person to recover damages and against the employer for compensation, but the amount of the compensation which he is entitled to under this Act shall be reduced by the amount of damages recovered.

b. If the employee or beneficiary has recovered compensation under this Act, the employer by whom the compensation was paid or the person who has been called upon to pay the indemnity under Sections 4 and 5 of this Act, may be entitled to indemnity from the person so liable to pay damages as aforesaid, and shall be subrogated to the rights of the employee to recover damages therefor.

Sec. 18. An agreement or award may, at any time after six months from the date of filing, be reviewed, upon the application of either party, on the ground that the incapacity of the employee has subsequently increased or diminished. Such application shall be made to a judge of the probate or county court; and unless the parties consent to arbitration, the court may appoint a medical practitioner to examine the employee and report upon his condition; and upon his report, and after hearing all the evidence the court may modify

8 such agreement or award, as may be just, by ending, increasing or diminishing
9 the compensation, subject to the limitations hereinbefore provided.

Sec. 19. It shall be the duty of every employer within the provisions of this
2 Act to send to the Secretary of the State Bureau of Labor Statistics in writing
3 an immediate report of all accidents or injuries arising out of or in the course
4 of the employment and resulting in death; it shall also be the duty of every
5 such employer to report between the 15th and the 25th of each month to the Sec-
6 retary of the State Bureau of Labor Statistics all accidents or injuries for which
7 compensation has been paid under this Act, which accidents or injuries entail
8 a loss to the employee of more than one week's time, and in case the injury re-
9 sults in permanent disability, such report shall be made as soon as it is deter-
10 mined that such permanent disability has resulted or will result from such in-
11 jury. All such reports shall state the date of the injury, including the time of
12 day or night, the nature of the employer's business, the age, sex, conjugal con-
13 dition of the injured person, the specific occupation of the injured person, the
14 direct cause of the injury and the nature of the accident, the nature of the injury,
15 the length of disability and, in case of death, the length of disability before
16 death, the wages of the injured person, whether compensation has been paid to
17 the injured person, or to his legal representative or his heirs or next of kin, the
18 amount of compensation paid, the amount paid for physicians', surgeons' and
19 hospital bills, and by whom paid, and the amount paid for funeral or burial ex-
20 penses, if known.

Sec. 20. The term "employer" as used in this Act shall be held to include
2 any person, firm or corporation, transacting any business referred to in Section 1
3 of this Act, and any principal contractor shall be held to be an employer and
4 shall be liable to pay compensation for injuries to any employee of any sub-
5 contractor, whether first, second or other sub-contractor, or engaged in, on or
6 about the premises on which said principal contractor has engaged to perform

7 any work, in the same manner and to the same extent as though said employees
 8 had been immediately employed by him. Any principal contractor liable to pay
 9 compensation under this Act, may be indemnified if he pays such compensation,
 10 by any sub-contractor, who would have been liable to pay compensation to such
 11 employee independent of the provisions of this section.

Sec. 21. The term "employee" as used in this Act shall be held to include
 2 any person who has engaged to work or render any service for an employer
 3 under a contract of service or apprenticeship expressed or implied, oral or writ-
 4 ten, and whether such contract calls for manual labor or other labor, which ex-
 5 poses the employee to any of the dangers incident to carrying on the kinds of
 6 work or business referred to in Section 1 of this Act.

Sec. 22. Persons whose employment is of a casual nature and who are em-
 2 ployed otherwise than for the purpose of the employers' trade or business, are
 3 not included in the foregoing definition.

PENALTIES.

Sec. 23. Any wilful neglect, refusal, or failure to do the things required to
 2 be done by any section, clause, or provision of this Act, on the part of the person
 3 or persons herein required to do them, or any violation of any of the provisions
 4 or requirements hereof, or any attempt to obstruct or interfere with any court
 5 officer, member of an arbitration board herein provided for, or with the Secre-
 6 tary of the Bureau of Labor Statistics or his deputy, in the discharge of the
 7 duties herein imposed upon any of them, or any refusal to comply with the terms
 8 of this Act, shall be deemed a misdemeanor, punishable by a fine of not less than
 9 \$100 nor more than \$500, at the discretion of the court.

Sec. 24. The invalidity of any portion of this Act shall in no way affect the

2 validity of any other portion thereof which can be given effect without such in
3 valid part.

Sec. 25. This Act shall take effect and be in force on and after the 1st day
2 of January, 1912.

13 1. The employee assumed the risks of the employer's business.

14 2. The injury or death was caused in whole or in part by the negligence of
15 a fellow servant.

16 3. The injury or death was proximately caused by the contributory negli-

18 the jury in reducing the amount of damages.

19 a. Every such employer is presumed to have elected to provide and pay
20 the compensation according to the provisions of this Act, unless and until notice

38 have accepted all the provisions of this Act and shall be bound thereby unless
39 within thirty days after such hiring and after the taking effect of this Act, he
40 shall file a notice to the contrary with the Secretary of the State Bureau of
41 Labor Statistics, whose duty it shall be to immediately notify the employer, and
42 if so notified, the employer shall not be deprived of any of his common law or
43 statutory defenses, and until such notice to the contrary is given to the em-
44 ployer, the measure of liability of the employer for any injury shall be deter-
45 mined according to the compensation provisions of this Act: *Provided, how-*
46 *ever*, that before any such employee shall be bound by the provisions of this Act,
47 his employer shall either furnish to such employee personally at the time of his

 3 construed most favorably for the opposite party, is sufficient in law to support
 4 a verdict in favor of such opposite party.

 3 facts as to which there is no *bona fide* substantial dispute between the parties,
 4 which proof may be made to appear to the court to have been omitted through
 5 inadvertance and to be capable of being readily supplied, the court may, in its
 6 discretion, permit such proof to be supplied in such manner as the court may
 7 deem expedient, and when such proof is so supplied the court shall overrule

 3 submit to the jury no other question than the amount of damages which the
 4 party in whose favor the previous verdict was rendered may be entitled to re-
 5 cover.

Sec. 7. The party in whose favor a verdict has been rendered shall, if a

 5 ing that he has taken such appeal, and also depositing with the clerk of the
 6 court the sum of \$25 as security for the payment of the costs of such appeal in

7 case the order of the court granting the new trial shall be affirmed or the appeal
8 dismissed. Such appeal shall be taken to the court to which the same would be
9 required to be taken if it were an appeal from a final order or judgment in the
10 action.

 7 the people of the State of Illinois, against the alleged owner or owners thereof,
 8 and of facts of the seizure and unlawful character of the device; whereupon
 9 it shall be the duty of the clerk of the county or circuit court to immediately
 10 issue two writs of summons in the name of the People of the State against
 11 such alleged owner or owners; or, if the owner or owners be unknown, against
 12 the unknown owner or owners thereof and shall deliver one summons to the

13 sheriff, to be served, and returned in the same manner as a summons at law
 14 is served, and shall post one summons in a conspicuous place at the court

 16 of such court; and upon the expiration of ten days after the posting of such
 17 notice, the circuit or county court of such county, if then in session or when
 18 next in session thereafter, shall have full jurisdiction thereof upon the clerk's
 19 certificate that he posted the notice herein required or the sheriff's return of
 20 summons served, or both, and shall proceed to a trial of said case; and if no
 21 plea denying the information be filed therein, the court shall take the information
 22 as *prima facie* evidence to support a judgment therein, shall enter an order that
 23 the device subject of the information be condemned, and that, upon the expiration
 24 of twenty days after the last day of that term of court, such condemned device
 25 be sold or destroyed as hereinafter provided, which order shall be certified to
 26 the sheriff by the clerk and be by such sheriff returned, with the manner of its
 27 execution; and, if a plea be entered in said case, the court shall proceed to de-
 28 termine whether such device be unlawful and its use prohibited by this Act,
 29 as in other cases without a jury unless demanded; and shall enter judgment of
 30 restitution or condemnation accordingly, and no recovery by the owner or own-
 31 ers or other persons for the value of such property so seized and destroyed
 32 in conformity with this Act shall be maintained. *Provided, however,* That such
 33 seine or nets so seized, the meshes of which are of legal size, shall be sold by
 34 the sheriff and the proceeds thereof be paid forthwith to the State Fish Protec-

 36 herein declared to be unlawful and its use prohibited which shall have been
 37 seized as aforesaid, shall, by order of court, be destroyed.

38 Appeals and writ of error shall lie from the judgment of the court in the
 39 premises as in other cases.

Sec. 22. All fish caught, taken, killed, shipped or had in possession or
 2 under control contrary to any of the provisions of this Act are hereby declared
 3 to be contraband, and it shall be the duty of members of the Board of Fish

4 Commissioners, fish wardens, or deputy fish wardens to seize and dispose of any
5 and all fish shipped or had in possession by any person in violation of this Act.

Sec. 23. That it shall be the duty of any person or persons who now own
2 or control, or hereafter may erect or control any dam or other obstruction across
3 any of the rivers, creeks, streams, bayous or other water courses wholly within
4 or running through this State in such manner as shall obstruct the free passage
5 of fish up and down or through such water or water courses, to place or
6 cause to be erected in or in connection with such dam or dams, durable and ef-
7 ficient fish-ways, so that the free passage of fish up and down said waters may
8 not be obstructed. All such fish-ways shall be maintained and kept in good re-
9 pair by the person or persons so own-ing or controlling such dam or other ob-
10 struction during the whole time of the existence of such dam or other obstruc-
11 tion, as aforesaid, so that said fish-way shall at all times be open and free from
12 obstruction for the passage of fish.

13 And in case the owner or person controlling, operating or using any dam
14 or other obstruction, as aforesaid shall fail or refuse, after ten day's notice, in
15 writing, by a majority of the Board of Fish Commissioners of this State, to
16 construct and keep in good repair durable and efficient fish-ways, as provided in
17 this Act, then the Board of Fish Commissioners may construct, or cause to be
18 constructed, durable and efficient fish-ways, or place the same in good repair,
19 said work to be let by contract to the lowest responsible bidder, and may recover
20 in any action of debt in the name of the People of the State of Illinois, before
21 any justice of the peace or court of competent jurisdiction the cost of construct-

25 and maintenance in good repair of such fish-ways in any such dam, after having
26 been notified in writing by the Fish Commissioners, or a majority of them, to
27 construct or repair the same, shall be deemed guilty of a misdemeanor, and
28 for each and every twenty days after such notification that such person or per-

29 sons shall neglect or refuse to comply with the provisions of this section in not
30 erecting, maintaining and keeping in good repair such fish-ways, he or they
31 shall be subject to a penalty of not less than Twenty-five (25) nor more than
32 Two Hundred (200) Dollars.

33 All fish-ways built as provided in this Act, if constructed to the satisfac-
34 tion and approval of a majority of the Board of Fish Commissioners, then
35 every owner or person controlling such dam or other obstruction as provided in
36 this Act, may obtain from such Board of Fish Commissioners, or a majority
37 of them, a certificate that such fish-ways are constructed in compliance with this
38 Act, which certificates shall be a full protection against any prosecution for vio-
39 lation of this Act for not providing a fish-way. Such certificate may be sus-
40 pended at any time by the Board of Fish Commissioners, when such fish-way is
41 not maintained or repaired as herein required. If such person or persons so
42 owning or controlling any such dam or other obstruction shall fail to construct
43 or maintain such fish-way to the satisfaction of the Board of Fish Commission-
44 ers, or a majority thereof, then it shall be *prima facie* evidence of the violation
45 of this Act: *Provided*, that no owner or owners of any dam or dams shall be
46 required by this Act, or any other Act, to construct or allow the construction
47 of any fish-way in such manner as to endanger the permanent durability of such
48 dam or dams, or to impair their usefulness. Nor shall they be required to con-
48 struct or repair such fish-ways by using some particular patent on which a pat-
50 ent fee is demanded, or to construct or repair such fish-way when high water or

A BILL

For an Act to enjoin and abate houses of ill fame, lewdness, assignation and prostitution, to declare the same to be nuisances, to enjoin the person or persons who conduct or maintain the same, and the owner or agent of any building used for such purpose.

SECTION 1. *Be it enacted by the People of the State of Illinois,*
2 *represented in the General Assembly:* That whoever shall erect, establish, con-
3 tinue, maintain, use, own, or lease any building, erection or place used for the
4 purpose of lewdness, assignation or prostitution is guilty of a nuisance, and the
5 building, erection or place, or the ground itself, in or upon which such lewd-
6 ness, assignation or prostitution is conducted, permitted or carried on, con-
7 tinued or exists, and the furniture, fixtures, musical instruments, and contents
8 are also declared a nuisance, and shall be enjoined and abated as hereinafter
9 provided.

Sec. 2. Whenever a nuisance is kept, maintained, or exists, as defined in this Act, the State's Attorney or any citizen of the county, represented by any attorney he may select, may maintain an action in equity in the name of the People of the State of Illinois, upon the relation of such State's Attorney or citizen, to perpetually enjoin said nuisance, the person or persons conducting or maintaining the same, and the owner or agent of the building or ground upon which said nuisance exists. In such action the court or a judge in vacation shall, upon the presentation of a petition therefor alleging that the nuisance complained of exists, allow a temporary writ of injunction, without bond, if it shall be made to appear that the nuisance exists to the satisfaction of the court or judge by evidence in the form of affidavits, depositions, oral testimony or otherwise, as the complainant may elect, unless the court or judge, by previous order, shall have directed the form and manner in which it shall be presented. Three days' notice in writing shall be given the defendant of the hearing of the application for the temporary writ, and the court may enter such order as in the discretion of the court may seem advisable to a speedy disposition of the cause. When an injunction has been granted it shall be binding on the defendant throughout the judicial district in which it was issued and any violation of the provisions of injunction herein provided shall be contempt of court as hereinafter provided.

Sec. 3. The action when brought shall be triable at once after due and timely service of the notice has been given, and in such action evidence of the general reputation of the place shall be admissible for the purpose of proving the existence of said nuisances. If the complaint is filed by a citizen, it shall not be dismissed except upon a sworn statement made by the complainant and his attorney, setting forth the reasons why the action should be dismissed, and the dismissal approved by the State's Attorney in writing or in open court. If the court is of the opinion that the action ought not to be dismissed,

9 he may direct the State's Attorney to prosecute said action to judgment, or
10 any citizen of the county may be substituted for the complaining party and
11 prosecute said action to judgment. If the action is brought by a citizen and
12 the court finds there was no reasonable ground or cause for said action, the
13 costs may be taxed to such citizen.

Sec. 4. In case of the violation of any injunction granted under the pro-
2 visions of this Act, the court, or in vacation, a judge may summarily try and
3 punish the offender. The proceedings shall be commenced by filing with the
4 clerk of the court an information under oath, setting out the alleged facts con-
5 stituting such violation, upon which the court or judge shall cause a warrant
6 to issue, under which the defendant shall be arrested. The trial may be had
7 upon affidavits or either party may demand the production and oral examina-
8 tion of the witnesses. A party found guilty of contempt under the provisions
9 of this section shall be punished by a fine of not less than Two Hundred Dol-
10 lars (\$200) nor more than One Thousand Dollars (\$1000) or by imprisonment
11 in the county jail for not less than three or more than six months, or by both
12 fine and imprisonment.

Sec. 5. If the existence of the nuisance be established in an action as pro-
2 vided in this Act on the application for an injunction or in a proceeding for
3 contempt, an order of abatement shall be entered as a part of the judgment
4 in the case, which order shall direct the removal from the building or place of
5 all fixtures, furniture, musical instruments or movable property used in con-
6 ducting the nuisance, and shall direct the sale thereof in the manner provided
7 for the sale of chattels under execution, and the effectual closing of the build-
8 ing or place against its use for any purpose, and so keeping it closed for a
9 period of one year, unless sooner released as hereinafter provided. If any
10 person shall break or enter or use a building, erection or place so directed to be
11 closed, he shall be punished for contempt as provided in the preceding section.

12 For removing and selling the movable property the officer shall be entitled to
13 charge and receive the same fees as he would for levying upon and selling like
14 property on execution, and for closing the premises and keeping them closed, a
15 reasonable sum shall be allowed by the court.

Sec. 6. The proceeds of the sale of the personal property as provided in
2 the preceding section, shall be applied in payment of the costs of the action and
3 abatement, and the balance, if any, shall be paid to the defendant.

Sec. 7. If the owner appears and pays all costs, fines, penalties and for-
2 feitures of the proceedings and files a bond with sureties, to be approved by
3 the clerk, in the full value of the property, to be ascertained by the court, or
4 in vacation by appraisers appointed by the clerk, conditioned that he will im-
5 mediately abate said nuisance and prevent the same from being established or
6 kept therein within a period of one year thereafter, the court, or in vacation,
7 the judge may, if satisfied of his good faith, order the premises closed under
8 the order of abatement, to be delivered to said owner, and said order of abate-
9 ment canceled so far as the same may relate to said property. The release of
10 the property under the provisions of this section shall not release it from any
11 judgment, lien, penalty or liability to which it may be subject by law.

Sec. 8. Whenever a fine may be assessed by the court for the violation
2 of an injunction as provided in section four of this Act, it shall constitute a
3 lien upon the real estate upon which the acts constituting the contempt shall
4 have been committed, and an order of execution shall issue.

 25 by any other person or persons in his behalf, wholly or in part, in endeavoring
 26 to secure, or in any way in connection with, his nomination or election to such
 27 office or place, or in connection with the election of any other persons at said
 28 election, and showing the dates when and the persons from whom the same were
 29 received and the purpose or object for which the same were received and the
 30 persons to whom and the purpose for which all such sums were paid, expended or
 31 promised, and including therein a statement of all personal expenses authorized
 32 by this Act, and all existing debts and unfulfilled promises of every character
 33 and all liabilities remaining uncanceled, unperformed and in force at the time
 34 such statement is made, whether such expenditures, debts, promises and liabili-
 35 ties were made or incurred before, during or after such election. Such statement
 36 shall also set forth that the same is as full and explicit as affiant is able to make
 37 it. The statement filed before such election shall include all receipts and dis-
 38 bursements made up to five days before the filing thereof.

39 If no money or other valuable thing was given, paid, expended, contributed
 40 or promised, and no unfulfilled liabilities were incurred by a candidate for public
 41 office to aid or promote his nomination or election or the election of his party can-
 42 didates, he shall file a statement to that effect within fifteen days after the elec-
 43 tion at which he was a candidate.

44 Every such account shall be accompanied by vouchers for all sums expended
 45 exceeding five dollars in amount. It shall be unlawful for any candidate, or
 46 treasurer of a political committee, or person acting as such treasurer, to disburse
 47 money received from any anonymous source.

Sec. 38. CANDIDATE FAILING TO FILE STATEMENT NOT PERMITTED TO QUALIFY.]

2 It shall be unlawful to administer the oath of office or to issue a commission of
 3 certificate of election to any person elected to any public office until he has filed
 4 an account as required by this Act, and no such person shall enter upon the

5 duties of his office until he has filed such account, nor shall he receive any salary
6 for any period prior to the filing of the same.

Sec. 39. STATEMENTS OPEN TO PUBLIC INSPECTION.] All such accounts shall
2 be open to public inspection in the offices where they are filed and shall be care-
3 fully preserved there for a period of four years, and it shall be the duty of the
4 officers having custody of the same to give certified copies in like manner as of
5 other public records.

Sec. 40. AUDIT IN COURT COMPELLABLE BY TEN ELECTORS.] Within twenty
2 days after the last day for the filing of any account required by
3 this Act, any ten electors of the State, or of the political division
3½ thereof concerning which any such account has been filed, may present a petition
4 to the county court of the county in which the office where such account has been
5 filed is situated, praying for an audit of such account. The court shall thereupon
6 direct the officer or officers with whom such account has been filed to certify the
7 same to the court for audit, and may, in its discretion, require security to be en-
8 tered for costs. The court may, in its discretion, appoint an auditor to audit
9 said account; but the fees of such auditor shall not exceed the sum of ten dollars
10 a day for each day actually engaged. The court or auditor shall fix a date, as
11 early as may be convenient, for the audit; at which time the person by whom such
12 account has been filed shall be required to be present in person to vouch his ac-
13 count and answer on oath or affirmation all such relevant questions concerning
14 the same as may be put to him by the petitioner or their counsel. The auditor
15 shall have power to administer oaths and issue subpoenas to all persons whom the
16 petitioner or the accountant may require to give evidence, and compel the pro-
17 duction of books, papers and documents concerning such account, and he shall
18 determine, subject to exception, all questions as to the admissibility of evidence,
19 and shall file a copy of the evidence with his report. If, upon the audit, the court
20 shall decide that the account was false in any substantial manner, or that any

21 illegal election expenses were incurred, the costs of said audit shall be paid by
 22 the accountant; but otherwise by the petitioners.

Sec. 41. DELINQUENTS FAILING TO FILE ACCOUNTS TO BE NOTIFIED BY OFFICERS.]

2 The several officers with whom statements are required to be filed shall
 2½ inspect all statements of accounts and expenses relating to nominations and
 3 elections filed with them within ten days after the same are filed; and if upon ex-
 4 amination of the official ballot it appears that any person has failed to file a state-
 5 ment as required by law, or if it appears to any such officer that the statement
 6 filed with him does not conform to law, or upon complaint in writing by a candi-
 7 date or by a voter that a statement filed does not conform to law or to the truth,
 8 or that any person has failed to file a statement which he is by law required to
 9 file, said officer shall forthwith in writing notify the delinquent person thereof
 10 and further notify him to comply with this Act.

Sec. 42. DELINQUENTS, FALSIFIERS AND OTHER VIOLATORS TO BE PROSECUTED.]

2 Upon the failure of any person to file a statement within ten days after receiving
 3 notice as provided therefor by this Act, or if any statement filed as in this Act re-
 4 quired or the audit thereof as in this Act provided for discloses any violation of
 4½ any provision of this Act, the State Auditor of Public Accounts, the county clerk,
 5 or the city clerk, as the case may be, shall forthwith notify the State's Attorney of
 6 the county where said violation occurred and shall furnish him with copies of all
 7 papers relating thereto, and said State's Attorney shall forthwith enter the same
 8 in a docket kept for that purpose in his office and within sixty days thereafter ex-
 9 amine every such case, and if the evidence seems to him to be sufficient under the
 10 provisions of this Act he shall, in the name of the State, forthwith institute such
 11 civil or criminal proceedings as may be appropriate to the facts.

12 Any decision by the State's Attorney not to institute proceedings shall be
 13 recorded in the said docket and the applicant notified in writing thereof. If the
 14 State's Attorney shall decide not to institute such proceeding, any fifty voters

15 may file a petition with the Circuit Court in and for the county setting forth
 16 the facts and praying the appointment of a special State's Attorney to institute
 17 such civil or criminal proceedings as may be appropriate; which petition shall
 18 be informally and promptly heard by the court, and if the court shall find that
 19 the public good will be served thereby he shall appoint a special State's Attor-
 20 ney, who shall have exclusive charge of the matter and institute such civil or
 21 criminal proceedings as he may deem appropriate and conduct the same to final
 22 disposition. No voluntary discontinuance shall be made of proceedings so in-
 23 stituted. The court may in its discretion require the voters on whose petition
 24 such appointment is made to give bond with sufficient sureties for the payment
 25 of the taxable costs of such proceeding. The compensation of such special
 26 State's Attorney shall be fixed by the court and shall constitute a debt against
 27 the county; but the court may, in its discretion in cases where such proceedings
 28 are defeated, cause the said compensation to be taxed as costs against the peti-
 29 tioning voters.

30 In all cases in which complaint or charge is made concerning candidates for
 31 the office of State's Attorney the court shall have power to appoint such special
 32 State's Attorneys.

Sec. 43. VIOLATION FOUND BY AUDIT TO BE CERTIFIED AND PROSECUTED.] If
 2 the court shall decide, upon the audit, that any person, whether a
 3 candidate or not, has incurred illegal election expenses, or has otherwise vio-
 3½ lated any of the provisions of this Act, after having certified its decision to the
 4 Attorney General or the State's Attorney as provided by this Act,
 5 and it shall thereupon also be the duty of such Attorney General or State's At-
 6 torney to institute criminal proceedings against such person.

Sec. 44. STATE'S ATTORNEY'S DUTY—SPECIAL STATE'S ATTORNEY APPOINTED—
 2 WHEN.] If any State's Attorney shall be notified by the Attorney General
 2½ as herein provided, or by any officer or officers or other person of the commission

3 of any offense by violation of any of the provisions of this Act within his juris-
 4 diction, it shall be his duty forthwith to enter the same upon a docket kept in his
 5 office for that purpose, and to inquire diligently into the facts of such violation,
 6 and if there is reasonable ground for instituting a prosecution it shall be the
 7 duty of such State's Attorney to institute prosecution therefor.

8 In all cases in which the State's Attorney shall decide that there is not rea-
 9 sonable ground for instituting a prosecution, or that the evidence does not seem
 10 to him sufficient under the provisions of this Act, he shall record such decision in
 11 writing in such docket and notify the applicant thereof in writing. In all cases
 12 in which the State's Attorney shall so decide that there is not reasonable ground,
 13 or that the evidence does not seem to him to be sufficient, a Special State's At-
 14 torney may be appointed by the Circuit Court upon the petition of fifty voters re-
 15 questing the same. Such petition by fifty voters must be presented within thirty
 16 days after the recording of such decision. The court shall require the voters on
 17 whose petition such appointment is made to give bond with sufficient sureties for
 18 the payment of the taxable costs of such proceeding. The compensation of such
 19 Special State's Attorney shall be fixed by the court and shall constitute a debt
 20 against the county; but the court in its discretion may, in cases where such pro-
 21 ceedings are defeated, cause the said compensation to be taxed as costs against
 22 the petitioning voters. In all cases in which charges are made concerning the of-
 23 fice of State's Attorney the court shall have power to appoint such special
 24 State's Attorneys.

Sec. 45. GENERAL PENALTIES WHERE NOT OTHERWISE PROVIDED.] Any person
 2 who shall incur any illegal election expenses, or otherwise violate any of the
 3 provisions of this Act, shall be guilty of a misdemeanor; and upon conviction
 4 thereof shall be punished by a fine of not less than fifty dollars or more than

 6 than two years, either or both, at the discretion of the court.

A BILL

For an Act to amend an Act entitled, "An Act to provide for the incorporation of cities and villages," approved April 10, 1872, in force July 1, 1872, by adding to Article 3 a new section to be known as Section 2a.

SECTION 1. *Be it enacted by the People of the State of Illinois,*
2 *represented in the General Assembly:* That an Act entitled, "An Act to pro-
3 vide for the incorporation of cities and villages," approved April 10, 1872, in
4 force July 1, 1872, be amended by adding to Article 3 thereof a new section to
5 be known as Section 2a, to read as follows:

6 Sec. 2a. Whenever it is shown by any national, State, school or city census,
7 when the same is officially published, that any city organized under the provisions
8 of this Act is divided into a greater number of wards and has elected a greater
9 number of aldermen than are authorized by Section 2 of this article of this Act,
10 the said divisions into wards and the election of said aldermen shall, nevertheless,
11 be valid and binding, and the said aldermen shall be deemed to legally hold
12 their said offices for, during and until the next annual city election for city offi-

13 cers to be thereafter held in accordance with law; and all acts of the city council
 14 of such city, and all ordinances by it passed, during the said period, if in other
 15 respects in compliance with law, are hereby declared legal and valid. In all cases
 16 when any such city is by such census found to contain more wards than it is en-
 17 titled to by law, it shall be the duty of the city council of such city by ordinance
 18 to redistrict such city into as many wards only as the same is entitled to, not
 19 less than sixty days before the time fixed by law for the holding of the next suc-
 20 ceeding general election for city officers, and at said election there shall be elected
 21 only such number of aldermen as, with the aldermen theretofore elected, and
 22 whose term of office shall not expire with such election, as that the number of
 23 aldermen of the said city shall not exceed the number of aldermen which the
 24 said city is by law entitled to. If, in such redistricting of such city into wards, the
 25 terms of two aldermen, who reside in any such new ward, shall not expire with
 26 such succeeding election, no election for aldermen shall be held in such ward, at
 27 such election, but such holdover aldermen shall; until the next succeeding general
 28 election for city officers to be held thereafter, be held and deemed in law to be
 29 and constitute the aldermen for such new ward. At such next succeeding elec-
 30 tion two aldermen shall be elected in such new ward, one for the term of one year
 31 and one for the term of two years: *Provided*, that in all cases contemplated by
 32 this Act, if a census shall be taken pursuant to law and the result of which shall
 33 have been published not less than sixty days prior to the time fixed by law for
 34 the holding of the general election for city officers thereafter in such city, it is
 35 made to appear that such city has regained a population sufficient to entitle it to
 36 the original number of wards and aldermen, then, and in such case, no new divis-
 37 ion into wards and reduction of the number of aldermen therein, shall be neces-
 38 sary.

Sec. 2. Whereas, by the national census taken in the year 1910, it is made to
 2 appear that certain cities in this State are divided into more wards, and have

3 at the general election for city officers held in the year 1911, elected a greater
4 number of aldermen than they are, by law, entitled to, whereby a question has
5 arisen as to the validity of such election; ;therefore, an emergency exists, and
6 this Act shall be in force from and after its passage.
